FOREWORD

The Kentucky Constitution requires each house of the General Assembly to keep a journal as a public accounting of daily legislative activity. It is the official record of action by the General Assembly.

The *Kentucky Revised Statutes* require the Legislative Research Commission to compare, edit, correct, and publish the journals of each chamber. This is the *House Journal* for the Regular Session of 1998.

The texts of simple and concurrent resolutions appear on first reading or adoption. Appendices contain a list of elected representatives, tables of actions on bills and resolutions, roll call votes, the budget memorandum, and a subject index.

Ms. Linda Attkisson and Ms. Gene Wallace prepared the *House Journal* for the 1998 Regular Session. The edited copy and appendices in this volume reflect the cooperative efforts of the LRC Staff.

Any investor whose cash contribution to an investment fund has been certified by the authority shall be entitled to a credit equal to forty percent (40%) of that cash contribution under the provisions of Section 6 of this Act. Except as otherwise provided in subsection (6) of Section 5 of this Act, any investment of money made to an investment fund shall not be considered a part of the investment fund for purposes of Sections 1 to 16 of this Act and accordingly shall not be subject to the requirements of Sections 1 to 16 of this Act unless the investment of money has been certified by the authority as a cash contribution under Sections 1 to 16 of this Act. 3. Pursue any other remedy at law to which it may be entitled.

(b) All remedies provided in this subsection are cumulative.

(3) At least one million dollars ($1,000,000) in cash contributions approved for credits shall be transferred into the investment fund within ninety (90) days from the effective date of the agreement between the authority and the investment fund manager . For purposes of determining the percentage invested in small businesses on average during any particular year pursuant to this section, the amount invested in small businesses shall be the average amount so invested at the end of each calendar month during the year, and the amount of the investment fund required to be invested shall be the aggregate amount of cash contributions certified by the authority.

(5) Upon the written request of an investment fund manager, asserting among other things that the investment fund and the investment fund manager are in compliance with applicable state and federal securities laws and regulations and will remain so for the life of the investment fund, the authority in its discretion may allow an investment fund to maintain lower investment percentages than those set forth in paragraphs (a) to (g) of subsection (4) of this section.

(6) No credits shall be awarded by the authority for cash contributions to investment funds after December 31, 2004. No investment funds or investment fund managers shall be certified by the authority after December 31, 2003.

SECTION 4. A NEW SECTION OF SUBCHAPTER 20 OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

Following certification of any additional cash contributions to an investment fund after the initial certification of the investment fund, the authority shall provide each investor making an additional cash contribution with a certificate setting forth the amount of additional credits the investor shall be entitled to receive under Section 6 of this Act. Each investor shall file a copy of the certificate with the investor's state tax return in accordance with Section 9 of this Act.

(3) Total qualified investments made by an investment fund, including initial and subsequent investments made by an investment fund, in any single small business using certified cash contributions shall not exceed twenty-five percent (25%) of the cash contributions in the investment fund; provided that this restriction shall not apply to investments of money that have not been certified as cash contributions under Sections 1 to 16 of this Act.

(4) An investment fund manager may operate separate investment funds pursuant to separate applications submitted to and approved by the authority, and assuming this activity is in compliance with any applicable state and federal securities laws and regulations as evidenced by a written statement to the authority by an investment fund manager to that effect.

(6) An investment fund manager seeking to establish an investment fund, or to increase the amount of cash contributions to an existing investment fund, shall establish an escrow account with a financial institution located within the Commonwealth into which cash contributions shall be deposited and held for the period of time between their receipt by the investment fund manager and either certification by the authority of the investment fund, or the certification by the authority of the increased cash contributions, whichever is later. No qualified investments shall

be made using cash contributions until the new or expanded investment fund is certified by the authority. If the authority denies certification of the new or expanded investment fund, all cash contributions received by the applicant relating to the new or expanded investment fund shall be returned to investors within ten (10) calendar days.

(3) If the amount of credits determined pursuant to subsection (1) of this section for any tax year exceeds the investor's state tax liability for that tax year, the investor may carry the excess credit forward to the immediately succeeding tax year or years, but the credit carry-forward may not be used for any tax year that begins on or after the fifteen (15) year anniversary date of the date of certification of the cash contribution of the investor. The amount of the credits carried forward from a tax year shall be reduced to the extent that the carry-forward amount is used by the investor to obtain a credit under Sections 1 to 16 of this Act for any subsequent tax year.

(4) The credit allowed under this section may not be used against any state tax liability the investor has for interest, penalties, or additions to tax. If aggregate cash contributions to a single investment fund exceed ten million dollars ($10,000,000) for all investors for all taxable years, the authority shall allocate credits to investors in the order that cash contributions are made by investors to the investment fund.

(2) The total credits authorized by the authority for all investors in all investment funds shall not exceed:

(a) Five million dollars ($5,000,000), in the aggregate, during the period from July 1, 1999, through June 30, 2000;

This payment shall be included with the investor's state tax return or returns for the period in which the redemption or withdrawal occurred. (6) An investment fund manager seeking to establish an investment fund, or to increase the amount of cash contributions to an existing investment fund, shall establish an escrow account with a financial institution located within the Commonwealth into which cash contributions shall be deposited and held for the period of time between their receipt by the investment fund manager and either certification by the authority of the investment fund, or the certification by the authority of the increased cash contributions, whichever is later. No qualified investments shall be made using cash contributions until the new or expanded investment fund is certified by the authority. If the authority denies certification of the new or expanded investment fund, all cash contributions received by the applicant relating to the new or expanded investment fund shall be returned to investors within ten (10) calendar days.

The authority shall approve the credits to investors in the order that investment funds and investment fund managers are certified by the authority.

SECTION 8. A NEW SECTION OF SUBCHAPTER 20 OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) To receive the credit provided by Section 6 of this Act, an investor must:

(a) Claim the credit on the investor's annual state tax returns in the manner prescribed by the Revenue Cabinet;

(b) File with the Revenue Cabinet and with the investor's annual state tax returns a copy of the disclosure form submitted by the investment fund manager under subsection (2) of this section; and

(b) The name, address, and Social Security number or employer identification number, as applicable, of each investor; and

(c) The total amount of all cash contributions made by each investor.

(3) The disclosure forms required under subsection (2) of this section shall be filed by the investment fund manager with the Revenue Cabinet and the authority within thirty (30) days after receipt of certification from the authority. Copies of these forms shall be mailed to each investor by the investment fund manager on or before that same date.

(4) The contents of an investor's filings under subsection (1) of this section and the disclosure form required under subsection (2) of this section shall be treated by the authority and by the Revenue Cabinet as confidential and shall not be considered public records under the Kentucky Open Records Act, KRS 61.870 to 61.884.

SECTION 9. A NEW SECTION OF SUBCHAPTER 20 OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) Subject to subsection (4) of Section 3 of this Act, if a cash contribution which is the basis for a credit under the provisions of Sections 1 to 15 of this Act is redeemed by the investment fund, or if the investment fund allows the cash contribution to be withdrawn by the investor within five (5) years after the date of certification of the cash contributions by the authority, the credit provided by Section 6 of this Act for that cash contribution shall be

disallowed, and the investor shall pay to the State Treasurer an amount equal to the amount of credits previously claimed with respect to those cash contributions, plus interest at the rate of two percent (2%) per month, compounded monthly from the date credits were taken by the investor. This payment shall be included with the investor's state tax return or returns for the period in which the redemption or withdrawal occurred. When payments are made to the State Treasurer under this section, the amount remitted shall be handled in the same manner as if no credit had been allowed.

(2) An investment fund that fails to make or maintain investments in small businesses pursuant to Sections 1 to 15 of this Act, or that otherwise violates the provisions of Sections 1 to 15 of this Act, shall pay to the State Treasurer a penalty in an amount equal to the amount of all credits claimed by the investors making cash contributions to the investment fund, plus interest at the rate of two percent (2%) per month, compounded monthly, from the date the cash contributions were certified by the authority. If the investment fund fails to pay the penalty and interest in full as required by the Revenue Cabinet, each investor shall be personally liable to the Revenue Cabinet for that investor's pro rata share of the unpaid penalty and the investment fund manager shall be liable to the Revenue Cabinet for all such interest. Any payment of unpaid penalty by an investor shall be included with the investor's state tax return for the period in which the failure or violation occurred. An investor's pro rata share shall be determined by dividing the total amount of cash contributions made by the investor in the investment fund, by the total amount of cash contributions made by all investors in the investment fund. The secretary of the Revenue Cabinet shall give notice in writing to the authority, the investment fund manager, and the investors of any penalties imposed. The secretary of the Revenue Cabinet may abate any imposed penalty upon written request, if the investment fund manager establishes reasonable cause for the failure to make qualified investments in small businesses under the provisions of Sections 1 to 15 of this Act, or to otherwise comply with the provisions of Sections 1 to 15 of this Act. The State Treasurer shall deposit any amounts received pursuant to this section in the Commonwealth's general fund.

(4) The authority may charge a fee in connection with the administration and processing of semiannual reports made by investment fund managers.

SECTION 11. A NEW SECTION OF SUBCHAPTER 20 OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) Each investment fund manager shall cause the books and records of the investment fund to be audited on an annual basis by an independent certified public accountant in accordance with generally-accepted accounting principles consistently applied. Each year the audit report shall be completed and certified by the independent certified public accountant and delivered to the secretary of the Revenue Cabinet and the authority within ninety (90) days after the end of the investment fund's fiscal year.

(2) The authority and the Revenue Cabinet, individually or collectively, may examine, under oath, any of the officers, trustees, partners, members, managers, directors, agents, employees, or investors of an investment fund or an investment fund manager, or if the investment fund manager is a person, an investment fund manager, regarding the affairs and business of the investment fund. The authority and the Revenue Cabinet, individually or collectively, may issue subpoenas and subpoenas duces tecum and administer oaths. (3) In addition to the audits required by this section, the authority or the Revenue Cabinet may audit one (1) or more investment funds or investment fund managers in any year on a random basis or for cause. The authority or the Revenue Cabinet may also audit any small business in which an investment fund has made a qualified investment, or in which an investment fund proposes to make a qualified investment, on a random basis or for cause. Nothing in this section shall be construed to prohibit the Revenue Cabinet from conducting any audit relating to the administration or enforcement of the tax laws of the Commonwealth which the Revenue Cabinet determines to be appropriate.

(5) The authority may give an investment fund manager written notice of any noncompliance with the provisions of Sections 1 to 15 of this Act and specify a period of time the investment fund manager shall have to cure any noncompliance. Failure to cure any such noncompliance within the period of time specified by the authority may result in further action by the authority pursuant to this section.

(6) The authority and the Revenue Cabinet may each charge a fee in connection with the administration and review of annual audits of investment funds under this section.

(7) Nothing in this section shall be construed to prohibit the Department of Financial Institutions, Division of Securities, or any other securities regulatory organization or body with jurisdiction over the activity of an investment fund or the investment fund manager from conducting any examination or investigation relating to the securities

activities of the investment fund or investment fund manager. If any examination or investigation conducted pursuant to any securities laws or regulations discloses that an investment fund or investment fund manager is not in compliance with any provision of any applicable securities laws or regulations, the appropriate securities regulator may take whatever action it deems appropriate in accordance with such securities laws and regulations to respond to the noncompliance, notwithstanding any action the authority or the Revenue Cabinet may or may not take with respect to the noncompliance.

(f) Other information as the cabinet shall require by administrative regulation.

(4) The cabinet shall provide, upon request of the charitable health care provider or sponsoring organization, any information available as to medically underserved areas, potential health crises, underserved populations, and lack of access to health care in the state that will assist the charitable health care provider or sponsoring organization in the provision of these services.

The General Assembly of the Commonwealth finds that access to high-quality health care services is a concern of all persons; that access to such services is limited for some residents of the Commonwealth, particularly those residing in remote rural areas or inner cities; that physicians and other health care providers have traditionally worked to assure access to health care services; and that many health care providers from the Commonwealth and other states are willing to volunteer their services to address the health care needs of Kentuckians who may otherwise not be able to obtain such services. (3) (a) Premiums for policies issued under subsection (2) of this section shall be paid by the Commonwealth from the general fund ***and the registration fees collected by the Cabinet for Human Resources under subsection (3) of Section 2 of this Act*** upon written application for payment of the premium by the health care provider wishing to offer charitable services.

(5) Coverage offered to charitable health care providers and persons volunteering at charitable health care providers shall be at least as broad as the coverage offered by the insurer to other noncharitable health care providers or facilities and to medical professionals working at noncharitable health care facilities.

(6) The Department of Insurance shall retrospectively review on an annual basis the premiums paid pursuant to this section as opposed to the expenses incurred by the insurers covering risks under this section to determine if the profits made for those risks were consistent with reasonable loss ratio guidelines. If the determination is made that the profits were not consistent with reasonable loss ratio guidelines, the Department of Insurance shall determine the amount of the premiums to be refunded to the Commonwealth.

(7) The Department of Insurance shall make available information on its registration of charitable health care providers for the purpose of obtaining medical malpractice insurance to the Cabinet for Human Resources.

(8) The Department of Insurance shall not provide medical malpractice insurance under this section to a charitable health care provider who has not registered with the Cabinet for Human Resources under Section 2 of this Act.

SECTION 4. A NEW SECTION OF KRS CHAPTER 216 IS CREATED TO READ AS FOLLOWS:

The General Assembly of the Commonwealth finds that access to high-quality health care services is a concern of all persons; that access to such services is limited for some residents of the Commonwealth, particularly those residing in remote rural areas or inner cities; that physicians and other health care providers have traditionally worked to assure access to health care services; and that many health care providers from the Commonwealth and other states are willing to volunteer their services to address the health care needs of Kentuckians who may otherwise not be able to obtain such services. Therefore, it is the purpose of Sections 1 to 5 of this Act to encourage and facilitate the charitable provision of

health care services within the Commonwealth.

SECTION 5. A NEW SECTION OF KRS CHAPTER 216 IS CREATED TO READ AS FOLLOWS:

Sections 1 to 5 of this Act may be cited as the Kentucky Charitable Health Care Services Act.

Section 6. KRS 304.40-075 is amended to read as follows:

(1) As used in this section, unless the context requires otherwise:

(a) "Charitable health care provider" means any person, agency, clinic, or facility licensed ***or certified*** by the Commonwealth, ***or under a comparable provision of law of another state, territory, district, or possession of the United States,*** engaged in the rendering of medical care without compensation or charge, and without expectation of compensation or charge, to the individual, without payment or reimbursement by any governmental agency or insurer. "Charitable health care provider" only means those persons, agencies, clinics, or facilities engaging in general practice medicine and performing no invasive or surgical procedures;

(b) "Medical malpractice insurer" means every person or entity engaged as principal and as indemnitor, surety, or contractor in the business of entering into contracts to provide medical professional liability insurance, except an entity in the business of providing such medical professional liability insurance only to itself or its affiliated subsidiary, or parent corporation, or subsidiaries of its parent corporations; and

(c) "Medical professional liability insurance" means insurance to cover liability incurred as a result of the hands-on providing of medical professional services directly to patients by an insured in the treatment, diagnosis, or prevention of patient illness, disease, or injury.

(2) Insurers offering medical professional liability insurance in the Commonwealth shall make available, as a condition of doing business in the Commonwealth pursuant to this chapter, medical professional liability insurance for charitable health care providers and persons volunteering to perform medical services for charitable health care providers, with the same coverage limits made available to its other insureds.

(3) (a) Premiums for policies issued under subsection (2) of this section shall be paid by the Commonwealth from the general fund ***and the registration fees collected by the Cabinet for Human Resources under subsection (3) of Section 2 of this Act*** upon written application for payment of the premium by the health care provider wishing to offer charitable services.

(b) The Department of Insurance shall, through promulgation of administrative regulations pursuant to KRS Chapter 13A, establish reasonable guidelines for the registration of charitable health care providers. The guidelines shall require the provider to supply, at a minimum, the following information:

1. Name and address of the charitable health care provider;

2. Number of employees of the charitable health care provider who will be rendering medical care without compensation or charge and without expectation of compensation or charge, and who will be covered under the policy issued under subsection (2) of this section;

3. The expected number of patients to be provided charitable health care services in the year for which the insurer will offer malpractice coverage;[~~ and~~]

4. The charitable health care provider's acknowledgment that the insurer's risk management and loss prevention policies shall be followed***; and***

5. A copy of the registration filed with the Cabinet for Human Resources under Section 2 of this Act.

(c) Persons insured under this section shall be required to comply with the same risk management and loss prevention policies which the insurer imposes upon its other insureds.

(4) This section shall only apply to charitable health care providers and persons volunteering to perform medical services for charitable health care providers who are not otherwise covered by any policy of medical professional liability insurance, and that meet the terms for eligibility established pursuant to this section.

(5) Coverage offered to charitable health care providers and persons volunteering at charitable health care providers shall be at least as broad as the coverage offered by the insurer to other noncharitable health care providers or facilities and to medical professionals working at noncharitable health care facilities.

(6) The Department of Insurance shall retrospectively review on an annual basis the premiums paid pursuant to this section as opposed to the expenses incurred by the insurers covering risks under this section to determine if the profits made for those risks were consistent with reasonable loss ratio guidelines. If the determination is made that the profits were not consistent with reasonable loss ratio guidelines, the Department of Insurance shall determine the amount of the premiums to be refunded to the Commonwealth.

(7) The Department of Insurance shall make available information on its registration of charitable health care providers for the purpose of obtaining medical malpractice insurance to the Cabinet for Human Resources.

(8) The Department of Insurance shall not provide medical malpractice insurance under this section to a charitable

health care provider who has not registered with the Cabinet for Human Resources under Section 2 of this Act.

(c) Earned income due to work activity, including work study programs, while receiving public assistance;

(5) The cabinet shall honor parents' requests to continue current educational activities as defined under subsection (3) of this section, including self-initiated activities, where the parent is making good and satisfactory progress based on standards normally applied by the educational or vocational programs to enrollees.

(6) The cabinet shall make available for educational and vocational training activities, as defined in subsection (3) of this section, the same supportive services it provides for federally countable work activities, including child care, transportation, and other supportive services.

(11) The cabinet shall not require a parent who is currently participating in an education program to discontinue participation and shall not discontinue supportive services for education under this section, except where:

(a) Qualifying parents may be excused from participation in work study based on special needs or outstanding achievement; and

(b) Parents in federally countable educational activities under subsection (3)(a) of this section may have the number of required work study hours reduced, at the option of the parent, by deducting four (4) hours for each course hour above ten (10) from the maximum of twenty (20) required work study hours.

SECTION 3. A NEW SECTION OF KRS CHAPTER 205 IS CREATED TO READ AS FOLLOWS:

(1) The cabinet shall establish a new program of assistance and supportive services for low income parents engaged full-time in approved post-secondary education and vocational training activities, to be known as the Kentucky Educational Access for Parents (KEAP) program. The program shall be separate from the public assistance program funded with federal block grant dollars under Title IV-A of the Federal Social Security Act, but shall be countable toward state maintenance of effort under 42 U.S.C. 609(a)(7).

(2) Eligibility for assistance under KEAP shall be the same as for parents caring for minor children in their household who meet the income and resource standards used in the public assistance program funded with federal block grant

dollars under Title IV-A of the Federal Social Security Act, except that the cabinet shall not require that children otherwise be deprived of parental support. In addition, the parent will be subject to admission criteria of the educational program selected. To the extent that program resources permit, a parent may enroll in KEAP if income and resource eligible and the assessment shows that:

(a) The parent does not possess the skills or experience necessary to obtain employment paying at least two hundred percent (200%) of the federal poverty threshold, adjusted for household size;

(b) Given potential employment opportunities and local labor market conditions, the post-secondary education sought by the parent will significantly improve the ability of the family to be self-supporting; and

(c) The parent has the aptitude to complete successfully the proposed post-secondary program, as determined under standards normally applied by the institution to the program participants.

(3) The cabinet may permit caretaker relatives other than parents to receive KEAP benefits under the same conditions of eligibility that apply to parents under this section. In no event may the cabinet limit participation in KEAP to parents or other caretaker relatives who previously received public assistance in the state program funded with federal dollars.

(4) The cabinet shall offer to KEAP parents the same supportive services provided to parents engaged in post-secondary education in the public assistance program funded with federal block grant dollars under Title IV-A of the Federal Social Security Act, including but not limited to child care, transportation, and other supportive services for school attendance, such as payment of testing or application fees.

(5) The cabinet shall inform parents of available medical assistance programs upon application, redetermination, and termination of eligibility for KEAP and shall take applications for medical assistance upon request. The cabinet shall not require a new application for medical assistance when a parent enters KEAP directly from the public assistance program funded with federal block grant dollars.

(6) KEAP parents shall receive the same cash assistance benefits for which they would be eligible under the public assistance program funded with federal block grant dollars, except that:

(a) A parent may elect to decline cash benefits and receive supportive services only; and

(b) The cabinet may require a parent eligible for KEAP to engage in available work study up to ten (10) hours a week at the state minimum wage or greater.

(7) Notwithstanding the requirements of subsection (6)(b) of this section, the Cabinet shall establish standards to allow qualifying parents to engage in education programs without requirement of additional activity. The program for these parents shall be part of KEAP for purposes of eligibility and benefits but the Parents as Scholars Program shall be the title. Standards for approval for the Parents as Scholars Program shall take into account:

(a) Special needs such as remote location, incapacity of the parent, a household member requiring the parent's care, or participation in remedial education activities; or

(b) Outstanding educational achievement or potential as evidenced by:

1. Performance in high school or GED programs;

2. College entry or standardized test results in the top twenty percent (20%); or

3. Current performance in the top twenty percent (20%) of students in the applicable program or institution or as evidenced by a grade point average of 3.0 on a 4.0 scale, or above.

(8) The cabinet shall refer parents for child support enforcement services where needed and treat child support received for a minor child in a KEAP household as unearned income that counts toward eligibility and any cash benefit for KEAP under the same rules as would apply in the public assistance program funded with federal block grant dollars under Title IV-A of the Federal Social Security Act .

(9) The cabinet shall not require a parent who is currently participating in KEAP to discontinue participation and shall not discontinue supportive services for education under this section, except where:

(a) The parent is no longer making good or satisfactory progress;

(b) The parent fails to verify satisfactory attendance under standards normally applied by the educational program to enrollees;

(c) The parent fails to participate in required work study under subsection (6)(b) of this section;

(d) The parent refuses a bona fide offer of employment at a level of at least two hundred percent (200%) of the federal poverty threshold, adjusted for family size; or

(e) The parent becomes ineligible for KEAP for reasons unrelated to educational activity.

(10) In submitting reports to the federal agency, the cabinet shall request that any parents who transfer to KEAP from the public assistance program under the Federal Social Security Act and who elect not to receive cash assistance

(f) Level VI applies to children who exceed the treatment needs of children assigned Level V and may be aggressive or extremely disruptive and require twenty-four (24) hour supervision and frequent one-to-one supervision, or they have complicated medical conditions and require frequent monitoring by a nurse or physician.

(8) "Multiplier for levels of care" means the percent of care that is required to care for a resident and that is expressed as a percentage of a base level of care unit of three (3.00), where one (1.00) equals forty-five percent (45%), two (2.00) equals sixty-five percent (65%), three (3.00) equals one hundred percent (100%), four (4.00) equals one hundred thirty-five percent (135%), five (5.00) equals one hundred eighty percent (180%), and six (6.00) equals two hundred thirty-five percent (235%);

(9) "Weighted case mix unit" means the weighted average acuity of the children served by agency by program during the cost reporting period each year and is determined by assuming that a weighted level of care unit of three (3.00) equals a weighted case mix unit of one (1.00) interpolating the actual weighted case mix unit based on the multiplier for levels of care; and

(10) "Weighted level of care unit" means the weighted average level of care for children served by agency by program during the cost reporting period and is determined by the total number of days that children were in residence for each level multiplied by the level of care. This total is divided by the total number of days that children were in

residence for each agency and each program of the agency. Level I receives a weight of 1.00, Level II receives a weight of 2.00, Level III receives a weight of 3.00, Level IV receives a weight of 4.00, Level V receives a weight of 5.00, and Level VI receives a weight of 6.00.

(e) Determine the statewide weighted case mix unit median for each cost category, excluding allowable capital costs;

(f) Multiply the weighted case mix unit median of all cost categories, excluding room and board and allowable capital costs, by one hundred fifteen percent (115%) of the median, giving a daily base rate for categories, excluding room and board and capital costs;

(g) Multiply the weighted case mix unit median for room and board by one hundred five percent (105%), giving a daily base rate for room and board;

(h) Add totals from subparagraphs (f) and (g) of this subsection to establish the base rate excluding capital costs, and apply the multiplier for levels of care, giving a daily base rate excluding capital costs;

(i) Calculate the statewide median capital costs per day of service, then multiply by one hundred two percent (102%), giving a daily base rate for capital costs; and

(j) Add totals from subparagraphs (h) and (i) of this subsection to establish the daily base rate of reimbursement.

(3) Rates shall be determined by the cabinet from the cost reports of the agencies most recent cost reporting period submitted to the cabinet prior to May 1 of each year.

If a written decision is not issued by the cabinet within ninety (90) days following receipt of a completed application of an impending acquisition, the application shall be deemed to be approved, subject to appeal rights set forth in subsection (4) of this section, unless all parties agree to an extension of time. Any conditions imposed by the cabinet on the proposed acquisition shall relate to the criteria set forth in Section 4 of this Act and shall bear a direct and rational relationship to the acquisition under review.

(2) (a) Prior to the cabinet issuing a written decision under this section, the Attorney General shall hold a public hearing for the purpose of making written findings as to whether the proposed acquisition meets the criteria set forth in Section 4 of this Act. SECTION 4. A NEW SECTION OF KRS CHAPTER 216C IS CREATED TO READ AS FOLLOWS:

In considering whether to approve or disapprove the proposed acquisition of a nonprofit health care facility, the cabinet shall determine whether the proposed acquisition is in the public interest as defined in the criteria set forth in this section. An acquisition is not in the public interest unless appropriate steps have been taken to safeguard the value of charitable assets, ensure that any proceeds of the transaction are used for appropriate charitable health care purposes as provided in subsection (9) of this section, and ensure the availability of health care services to the affected community. In determining whether the acquisition is in the public interest, the cabinet shall consider the following criteria:

(1) Whether the acquisition is permitted under the Kentucky Revised Statutes governing nonprofit entities, charitable trusts, or private foundations;

(8) Whether any management contract under the acquisition is for reasonably fair value;

(9) Whether the sale proceeds will be used for appropriate charitable health care purposes consistent with the seller's original purpose or for the support and promotion of health care in the affected community and whether the proceeds will be controlled as charitable funds independently of the purchaser or parties to the acquisition;

(10) Whether any charitable corporation established to hold the proceeds of the acquisition will be broadly based in the community and representative of the community;

(11) Whether a right of first refusal to repurchase the assets by a successor nonprofit corporation or foundation if the health care facility is subsequently sold to, acquired by, or merged with another entity has been retained;

(12) Whether the purchaser has filed a community health services plan as required by Section 2 of this Act; and

(13) If health care providers will be offered the opportunity to invest or own an interest in the purchaser or a related entity to the purchaser, whether procedures or safeguards are in place to avoid conflict of interest in patient referral and the nature of such procedures or safeguards.

(2) Upon a finding by the Attorney General that a person has violated, is violating, or is about to violate the provisions of Sections 1 to 10 of this Act, the Attorney General may institute proceedings in a court of appropriate jurisdiction to obtain injunctive relief to enjoin the person from engaging or continuing to engage in the violative act, and upon a showing that the person has engaged or is about to engage in that activity, a restraining order, temporary or permanent injunction, or any other appropriate order shall be granted.

SECTION 9. A NEW SECTION OF KRS CHAPTER 216C IS CREATED TO READ AS FOLLOWS:

HB 562, AN ACT relating to retirement.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 21.420 is amended to read as follows:

(1) After the death of a member who at the time of his death was receiving a service retirement allowance (other than an actuarially reduced allowance under subsection (3) of KRS 21.400), or was receiving a disability retirement allowance, his surviving spouse is entitled to receive during his lifetime a monthly allowance equal to one-half (1/2) of that he was receiving.

(2) (a) If a member dies before retirement and before reaching normal retirement age, without regard to length of service, his surviving spouse is entitled to receive during his lifetime a monthly allowance equal to one-half (1/2) of the monthly allowance the member would have received commencing at his normal retirement date if he had continued in service until that date and had then retired, computed however on the basis of his final compensation at time of death.

(b) If a member dies before retirement and after reaching normal retirement age, his surviving spouse is entitled to receive during his lifetime a monthly allowance equal to one-half (1/2) of the monthly allowance the member would have been entitled to, on the basis of his years of service, had he retired on the date of his death.

(3) If a member dies after retirement and was at the time of his death receiving an actuarially reduced allowance under subsection (3) of KRS 21.400, or was not at the time of his death receiving a retirement allowance but had acquired the vested right under subsection (2) of KRS 21.400 to have received an allowance upon reaching normal retirement age, his surviving spouse is entitled to receive during his lifetime a monthly allowance equal to one-half (1/2) of the monthly allowance the member would have received when he reached normal retirement age.

(4) A member, or a retiree who has not commenced drawing retirement benefits pursuant to KRS 21.400, who dies without a spouse or eligible children entitled to survivor's benefits, may designate a beneficiary who shall receive the accumulated contributions of the member. Absent a designation by the member or retiree, the accumulated contributions shall be paid to the member's estate.

(5) A member who commences drawing retirement benefits pursuant to KRS 21.400 or 21.410, who dies without a spouse or eligible children entitled to survivor's benefits and before the benefits received by the member equal the personal contributions of the member, may designate a beneficiary who shall receive the balance of the accumulated contributions of the member. Any offset of contributions by reason of benefits received shall be deducted from the contributions first made to the system. Absent a designation by the member, the accumulated contributions shall be paid to the member's estate.

(6) A member may designate a beneficiary who shall receive the balance of the accumulated contributions of the member, in the event survivor's benefits are being paid pursuant to subsection (1), (2), or (3) of this section, and the survivor dies prior to receiving benefits equal to the member's contributions. In this event, the provisions of subsection (5) of this section shall apply as to offset and payment.

(7) A member may, ***prior to the drawing of benefits***[~~before retirement~~], elect in writing to the executive secretary of the Judicial Form Retirement System, to take an optional retirement allowance which shall be actuarially equivalent to the amount of retirement allowance otherwise payable to the member ***and the member's spouse***. If the member dies after retirement, the option chosen shall prevail over the provisions of subsections (1) and (3) of this section. If the member dies prior to retirement, the option chosen shall prevail over the provisions of subsection (2) of this section. The options shall include:

(a) Survivorship one hundred percent (100%). The member may elect to receive a decreased retirement allowance during the member's lifetime and have the retirement allowance continued after death to the spouse during the lifetime of the spouse.

(b) Survivorship sixty-six and two-thirds percent (66 2/3%). The member may elect to receive a decreased retirement allowance during the member's lifetime and have two-thirds (2/3) of the retirement allowance continue after death to the spouse during the lifetime of the spouse.

If a retiree, living or deceased, chose either of the optional retirement benefit allowances specified in paragraphs (a) or (b) of this subsection from July 15, 1994, to the effective date of this Act, the optional allowance shall be adjusted accordingly, and the new benefit shall commence August 1, 1998. Each recipient of benefits from the plan, who retired from July 15, 1994, to the effective date of this Act, shall have a one-time opportunity to select an optional retirement allowance. The election by the recipient shall be prior to August 1, 1998, at which time the new benefit shall commence. The option chosen shall prevail, subsections (1), (2), and (3) of this section notwithstanding.

Section 2. KRS 21.425 is amended to read as follows:

(1) In any circumstances in which a surviving spouse would be entitled to any allowance under KRS 21.420, but there is no surviving spouse or the surviving spouse subsequently dies, and there is a surviving child or children of the member under the age of ***twenty-one (21)***[~~eighteen (18)~~], the monthly allowance that the surviving spouse would have received or was receiving shall be continued for the benefit of such child or children remaining under the age of ***twenty one (21)***[~~eighteen (18)~~] until there are none under the age of ***twenty-one (21)***[~~eighteen (18)~~].

(2) A member may designate his child or children under the age of ***twenty-one (21)***[~~eighteen (18)~~] to receive the death benefit payable under KRS 21.420 instead of his spouse, or he may designate that his spouse shall receive a percentage of the death benefit, and his child or children under the age of ***twenty-one (21)***[~~eighteen (18)~~] shall receive the remainder. The member making such a choice shall designate his beneficiary or beneficiaries in writing to the manager of the Judicial Form Retirement System on a form provided by the manager.

Section 3. KRS 21.427 is amended to read as follows:

(1) (a) The board of trustees of the Judicial Form Retirement System shall arrange by appropriate contract or on a self-insured basis for a group hospital and medical insurance plan for recipients of a retirement allowance from the Judicial Retirement Plan, and their dependents. For recipients, or dependents, eligible for Medicare coverage, the board shall provide Medicare supplement hospital and medical insurance coverage. For recipients, or dependents, not eligible for Medicare coverage, the board shall provide hospital and medical insurance coverage comparable to that provided under the major state employees' group insurance, and the board may arrange for the recipients to be included in the major state employees group.

(b) For the purpose of this section, the "dependent" of a recipient means the spouse or minor children, or both, of a recipient who is a living former member of the Judicial Retirement Plan, or the minor children of a deceased former member whose surviving spouse is the recipient.

(2) (a) Depending upon the number of months of service credit upon which the retirement allowance was based, and upon there having been at least forty-eight (48) months of judicial service, all or a portion of the premium required to provide hospital and medical benefits under this section shall be paid from the judicial retirement fund, as follows:

Months of Judicial Service	Percentage of Premium
240 or more	100%
180 to 239, inclusive	75%
120 to 179, inclusive	50%
48 to 119, inclusive	25%

The foregoing payments shall be made by the fund only if the recipient agrees to pay the remaining, if any, percentage of the premium by deduction from his retirement allowance or by another method equally insuring the payment by him.

(b) Notwithstanding any other statute to the contrary, any member with at least forty-eight (48) months of judicial service who is also eligible for benefits***, or who is receiving benefits from any retirement plan or system administered by the Commonwealth***[~~under KRS 78.510 to 78.852~~] shall be entitled to hospital and medical benefits as described in paragraph (a) of this subsection except that the number of months of service credit used in calculating the level of benefits shall be the sum of service credited to the member in ***all*** the ***state-administered retirement systems or plans***[~~Judicial Retirement System and the County Employees Retirement System~~].

1. Upon request of the member, the Judicial Retirement System shall compute the member's combined service in ***all*** the ***state-administered retirement systems or plans***[~~Judicial Retirement System and the County Employees Retirement System~~] and calculate the portion of the member's premium to be paid by the Judicial Retirement Plan, according to the criteria established in paragraph (a) of this subsection. The

state-administered retirement systems or plans[~~County Employees Retirement System annually~~] shall pay to the Judicial Retirement ***Plan***[~~Fund~~] the ***applicable*** percentage of the ***plan's***[~~fund's~~] cost of the retiree's hospital and medical premium which shall be equal to the percentage of the member's number of months of service in the ***applicable state-administered retirement systems or plans***[~~County Employees Retirement System~~] divided by his total combined service. The amounts paid by ***all*** the ***state-administered retirement systems or plans***[~~Judicial Retirement Fund and the County Employees Retirement System~~] shall not be more than one hundred percent (100%) of the[~~ single~~] premium amount adopted by the respective boards of trustees[~~ or more than the maximum percentage payable under the program established under this section or KRS 61.702~~].

2. A member who elects hospital and medical benefits under this subsection shall lose any claim to insurance benefits under ***any of the other state-administered retirement systems or plans***[~~the County Employees Retirement System described in KRS 61.702, and the election shall be irrevocable~~].

(3) Premiums paid for hospital and medical insurance procured under this section shall be exempt from any premium tax which might otherwise be required under KRS Chapter 136. The payment of premiums by the judicial retirement fund shall not constitute income to the recipient. No commission shall be paid for hospital and medical insurance procured under this section.

Section 4. KRS 6.577 is amended to read as follows:

(1) The board of trustees of the Judicial Form Retirement System shall arrange by appropriate contract or on a self insured basis to provide a group hospital and medical insurance plan for present and future recipients of a retirement allowance from the Legislators' Retirement Plan. The board may authorize present and future recipients of a retirement allowance from the Legislators' Retirement Plan who are under age sixty-five (65) to be included in the state employees group for hospital and medical insurance and shall provide benefits for recipients equal to those provided to state employees having the same Medicare hospital and medical insurance eligibility status.

(2) Each employer participating in the Legislators' Retirement Plan shall contribute to the plan the amount necessary to provide hospital and medical insurance as provided for under this section. The employer contribution rate shall be developed by appropriate actuarial method as a part of the determination of the total employer contribution rate to the Legislators' Retirement Plan.

(3) The premium required to provide hospital and medical benefits under this section shall be paid in full from the insurance fund established by KRS 6.575 for all recipients of a retirement allowance from the Legislators' Retirement Plan, if the recipient had two hundred forty (240) months or more of service upon retirement. If the recipient had less than two hundred forty (240) months of service, but at least one hundred thirty-two (132) months of service, fifty-five percent (55%) of the premium shall be paid from the insurance fund plus an additional five percent (5%) of the premium for each year of service beginning with the completion of twelve (12) years of service and continuing through the completion of nineteen (19) years of service. The recipient shall agree to pay by payroll deduction or another method the difference between what is paid from the insurance fund and one hundred percent (100%) of the premium. If the recipient had at least one hundred twenty (120) months of service, fifty percent (50%) of the premium shall be paid from the insurance fund, if the recipient agrees to pay the remaining fifty percent (50%) by payroll deduction from his retirement allowance or by another method. If the recipient had less than one hundred twenty (120) months of service but at least forty-eight (48) months of service, twenty-five percent (25%) of the premium shall be paid from the insurance fund, if the recipient agrees to pay the remaining seventy-five percent (75%) by payroll deduction from his retirement allowance or by another method. "Months of service" as used in this section shall not include service added to determine disability benefits.

(4) The insurance fund shall pay the same percentage of the premium for the spouse and dependents of a recipient, or the beneficiary of the recipient, as the fund pays or paid for the member.

(5) Premiums paid for hospital and medical insurance coverage procured under authority of this section shall be exempt from any premium tax which might otherwise be required under KRS Chapter 136. The payment of premiums by the insurance fund shall not constitute taxable income to an insured recipient. No commission shall be paid for hospital and medical insurance procured under authority of this section.

(6) Not withstanding any other statute to the contrary, any member with at least forty eight (48) months of legislative service who is also eligible for benefits, or who is receiving benefits from any retirement plan or system administered by the Commonwealth shall be entitled to hospital and medical benefits as described in subsection (3) of this section, except that the number of months of service credit used in calculating the level of benefits shall be the sum of the service credited to the member in all the state-administered retirement systems or plans.

(a) Upon request of the member, the Legislators' Retirement Plan shall compute the member's combined service in all the state-administered retirement systems or plans, and calculate the portion of the member's premium to be paid by the Legislators' Retirement Plan, according to the criteria established in subsection (3) of this section. The state-administered retirement systems or plans shall pay to the Legislators' Retirement Plan the applicable percentage of the plan's costs of the retiree's hospital and medical premium which shall be equal

to the percentage of the member's number of months of service in the applicable state-administered retirement system divided by his total combined service. The amounts paid by all the state-administered retirement systems or plans shall not be more than one hundred percent (100%) of the premium amount adopted by the respective boards of trustees.

(b) A member who elects hospital and medical benefits under this section shall lose any claim to insurance benefits under any of the other state-administered retirement systems or plans.

Section 5. KRS 6.525 is amended to read as follows:

The Legislators' Retirement Plan shall be governed by KRS 21.560 and by provisions identical in terms with those provided in KRS 21.345(1) and (3), 21.360(1), 21.370, 21.375, 21.380, 21.385, 21.410, 21.420, 21.425, 21.450, 21.460, 21.470, 21.480, 21.525, and 61.552 for the Judicial Retirement Plan, except that:

(1) Five (5) years of service as a legislator will be sufficient for vesting; and

(2) A member of the Legislators' Retirement Plan may combine his service credit with his service credit in the Teachers' Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, and State Police Retirement System at the time of his retirement, according to the procedure of KRS 61.680(2)(a). A member of the Legislators' Retirement Plan may retire at the completion of thirty (30) or more years of combined service credit, so long as at least fifteen (15) years of such credit were earned after January 1, 1960, and there shall be no reduction in the retirement allowance because of retirement before the age of sixty-five (65). For the purposes of this section, any reference in the KRS sections listed above to the Judicial Retirement Plan shall also be read as a reference to the Legislators' Retirement Plan, and any reference to the Legislators' Retirement Plan shall also be read as a reference to the Judicial Retirement Plan.

(3) Any other statute to the contrary notwithstanding, a member of any state-administered retirement system who ***has ceased to quality for membership but subsequently***[~~because of a change of employment moves to another state-administered retirement system and because of another change of employment~~] returns to ***a qualified status***[~~the original state-administered retirement system without a break in service~~], shall, for the purposes of determining the date of entry into the[~~ first~~] state-administered retirement system ***for the subsequent period or periods of service,*** be deemed to have never left the[~~ original~~] retirement system.

The state-administered retirement systems or plans shall pay to the Legislators' Retirement Plan the applicable percentage of the plan's costs of the retiree's hospital and medical premium which shall be equal to the percentage of the member's number of months of service in the applicable state-administered retirement system divided by his total combined service. The amounts paid by all the state-administered retirement systems or plans shall not be more than one hundred percent (100%) of the premium amount adopted by the respective boards of trustees.

(2) A member of the Legislators' Retirement Plan may combine his service credit with his service credit in the Teachers' Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, and State Police Retirement System at the time of his retirement, according to the procedure of KRS 61.680(2)(a). A member of the Legislators' Retirement Plan may retire at the completion of thirty (30) or more years of combined service credit, so long as at least fifteen (15) years of such credit were earned after January 1, 1960, and there shall be no reduction in the retirement allowance because of retirement before the age of sixty-five (65). For the purposes of this section, any reference in the KRS sections listed above to the Judicial Retirement Plan shall also be read as a reference to the Legislators' Retirement Plan, and any reference to the Legislators' Retirement Plan shall also be read as a reference to the Judicial Retirement Plan.

(3) Any other statute to the contrary notwithstanding, a member of any state-administered retirement system who ***has ceased to qualify for membership but subsequently***~~[because of a change of employment moves to another state-administered retirement system and because of another change of employment]~~ returns to ***a qualified status***~~[the original state-administered retirement system without a break in service]~~, shall, for the purposes of determining the date of entry into the~~[first]~~ state-administered retirement system ***for the subsequent period or periods of service,*** be deemed to have never left the~~[original]~~ retirement system.

Section 6. KRS 6.515 is amended to read as follows:

(1) Service credit in the Legislators' Retirement Plan shall be acquired only by service as a legislator after July 1, 1980, while a member of the plan, by transfer of credit as provided in KRS 6.505, or by purchase of military service credit pursuant to subsection (2) of this section, or by transfer of credit as provided in subsection (6) of this section.

(2) (a) ***1.*** Any active member of the Legislators' Retirement Plan who has at least five (5) years of service credit in the Legislators' Retirement Plan, or his beneficiary acting in his place if the member dies prior to retirement, shall receive service credit for a maximum of four (4) years for his period of service in the Armed Forces of the United States, if his discharge therefrom is honorable and he has not been credited with the service by any other retirement system administered by the Commonwealth of Kentucky, by paying the retirement system thirty-five percent (35%) of the actuarial cost of the service as determined by the board of trustees, based on assumptions used in the most recent biennial evaluation. The service credit shall be awarded and the cost shall be determined in conformity with the rate which applies to the legislator in question pursuant to KRS 6.520. Service credit awarded pursuant to this subsection shall be equivalent, for all purposes of the Legislators' Retirement Plan, to other service credit earned in the plan.

2. Any active member of the Legislators' Retirement Plan who has at least five (5) years of service credit

in the Legislators' Retirement Plan may purchase and receive service credit for one (1) month of service for each six (6) months of service in the reserves or the National Guard by paying the retirement system one hundred percent (100%) of the actuarial cost of the service as determined by the board of trustees, based on the assumptions used in the most recent biennial evaluation. The service credit shall be awarded and the cost shall be determined in conformity with the rate that applies to the legislator in question pursuant to KRS 6.520. Service credit awarded as provided in this subsection shall be equivalent, for all purposes of the Legislators' Retirement Plan, to other service credit earned in the plan. The service in the military reserves or the National Guard shall be treated as service earned prior to participation in the plan. The purchase can be made by the member in a lump-sum payment or by installment payments, as set forth in paragraph (b) of this subsection. The payment shall not be picked up by the employer as provided in KRS 6.505(2).

(b) The beneficiary may purchase military service credit only at one (1) time by lump-sum payment for the amount of service he wishes to purchase, and the payment shall be made within thirty (30) days of the death of the active member. The member may purchase all of his military service credit at one (1) time, or in increments of no less than one (1) year, unless there is a fraction remaining after all full years have been paid for. Payment of the total or the increment may be made by lump-sum or by monthly installments through payroll deduction. If the member chooses to pay by installment, the cost of the service credit shall be computed in the same manner as for a lump-sum payment, which shall be the principal. Interest, at the annual actuarial rate in effect at the time each payment is made, shall be added to each monthly payment at the rate of one-twelfth (1/12) of the annual interest rate applied to the declining principal amount. Installment purchases shall be for no less than twelve (12) nor more than sixty (60) months. If the member leaves office before completing his installment payments, he may satisfy his contract by a lump-sum payment of the remaining principal amount, but no further installment payments shall be accepted thereafter. In this case, the member shall be credited with the military service credit for which he has paid, in years or months but no fraction less than a full month, and any payment remaining after credit for full months has been awarded shall be returned to the member.

(c) The payments made under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 6.505(2).

(d) No veteran shall be eligible to purchase military service credit under this section if he is receiving a military pension or is eligible for a military pension in the future, unless the military pension is for service primarily on inactive duty in a reserve component of the Armed Forces, or is a disability pension which does not exceed five hundred dollars ($500) monthly.

(3) If spouses both serve in the General Assembly, but not simultaneously, they may combine their service credit in the Legislators' Retirement Plan for all purposes of that plan into a single account, and may jointly designate to whom the service retirement allowance shall be paid. The designation shall not be changed once it is made. Assuming equal service credit, the benefits paid, pursuant to this section, to a legislator and his or her spouse who also served as a legislator shall not exceed the benefits that the same legislator and his or her spouse would receive if the spouse had not served as a legislator.

(4) In the event of divorce, rights to benefits shall be considered marital property subject to the provisions of KRS 403.190.

(5) A former legislator whose spouse currently serves in the General Assembly and who received a refund of contributions pursuant to KRS 21.460 may repurchase service credit which he or she previously had by repaying the amount refunded with interest at six percent (6%) per annum, and the service credit shall become part of the single account authorized by subsection (2) of this section.

(6) A member who has qualified for benefits pursuant to KRS 6.525(1) may transfer to the Legislators' Retirement Plan up to ten (10) years of service credit which he has earned in a retirement system administered by Kentucky Retirement Systems. If the member elects to transfer his service credit, the system from which the transfer is made shall transfer to the legislators' retirement fund an amount equal to the employee's and employer's contributions attributable to that credit, together with interest on the contributions from the date made to date of transfer at the actuarially assumed interest rate of the system from which the transfer is made in effect at the time the contributions were made, compounded annually at that same interest rate. The member shall be entitled to the transferred service credit, at the rate at which he qualifies pursuant to KRS 6.520, when he pays the total difference between the amount of the funds transferred and the cost of the credit to the Legislators' Retirement Plan, as determined by the actuary for the Legislators' Retirement Plan. The member may pay by lump sum or by increments, as provided for in subsection (2)(b) of this section, but an installment contract shall not extend for more than sixty (60) months. The payments made under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 6.505(2).

Section 7. KRS 21.370 is amended to read as follows:

(1) Except as provided in subsection (2) of KRS 21.410 and in subsection (2) of KRS 21.420, no benefits shall be payable under KRS 21.350 to 21.480 to any member or to his surviving spouse, unless he has completed at least eight (8) years of service, including service before becoming a member. No surviving spouse of a retired member shall be entitled to any

benefits unless the person was the spouse of the member at the time he retired.

(2) A member who has qualified for benefits pursuant to this section may transfer to the Judicial Retirement Plan up to ten (10) years of service credit which he has earned in a retirement system administered by Kentucky Retirement Systems, and he may transfer to the Judicial Retirement Plan up to ten (10) years of service credit which he has earned in the Kentucky Legislators' Retirement Plan. If the member elects to transfer his service credit, the system or plan from which the transfer is made shall transfer to the judicial retirement fund an amount equal to the employee's and employer's contributions attributable to that credit, together with interest on the contributions from the date made to the date of transfer at the actuarially assumed interest rate of the system or plan from which the transfer is made in effect at the time the contributions were made, compounded annually at that same interest rate. The member shall be entitled to the transferred service credit, at the rate at which he qualifies pursuant to KRS 21.400, when he pays the total difference between the amount of the funds transferred and the cost of the credit to the Judicial Retirement Plan, as determined by the actuary for the Judicial Retirement Plan. The member may pay by lump sum or by increments as set forth in KRS 6.515(2)(b), but an installment contract shall not extend for more than sixty (60) months. The payments made under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 21.360(6).

(3) Any active member of the Judicial Retirement Plan who is vested in the Judicial Retirement Plan pursuant to subsection (1) of this section or KRS 21.375, shall receive service credit for a maximum of four (4) years for his period of service as a city police judge for a city within the Commonwealth of Kentucky, if the service was performed prior to the first Monday in January, 1978, and if the service has not been credited to the member's account with any other public defined benefit plan, by paying the retirement system one hundred percent (100%) of the actuarial cost of the service as determined by the board of trustees, based on assumptions used in the most recent biennial evaluation. The period of service to be purchased shall be certified to the board of trustees by the custodian of the records of the city for which the service was performed. The service credit shall be awarded and the cost shall be determined in conformity with the rate which applies to the member in question pursuant to KRS 21.400. Service credit awarded pursuant to this subsection shall be equivalent, for all purposes of the Judicial Retirement Plan, to other service credit earned in the plan. The payments made under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 21.360(6).

(4) (a) ***1.*** Any active member of the Judicial Retirement Plan who is vested in the Judicial Retirement Plan pursuant to subsection (1) of this section or KRS 21.375, or his beneficiary acting in his place if the member dies prior to retirement, shall receive service credit for a maximum of four (4) years for his period of service in the Armed Forces of the United States, if his discharge therefrom is honorable and he has not been credited with the service by any other retirement system administered by the Commonwealth of Kentucky, by paying the retirement system thirty-five percent (35%) of the actuarial cost of the service as determined by the board of trustees, based on assumptions used in the most recent biennial evaluation. The service credit shall be awarded and the cost shall be determined in conformity with the rate which applies to the member in question pursuant to KRS 21.400. Service credit awarded pursuant to this subsection shall be equivalent, for all purposes of the Judicial Retirement Plan, to other service credit earned in the plan.

2. Any active member of the Judicial Retirement Plan who is vested in the Judicial Retirement Plan may purchase and receive service credit for one (1) month of service for each six (6) months of service in the reserves or the National Guard by paying the retirement system one hundred percent (100%) of the actuarial cost of the service as determined by the board of trustees, based on assumptions used in the most recent biennial evaluation. The service credit shall be awarded and the cost shall be determined in conformity with the rate that applies to the member in question as provided in KRS 21.400. Service credit awarded pursuant to this subsection shall be equivalent, for all purposes of the Judicial Retirement Plan, to other service credit earned in the plan. The service in the military reserves or the National Guard shall be treated as service earned prior to participation in the plan. The purchase can be made by the member in a lump-sum payment or by installment payments, as set forth in paragraph (b) of this subsection. The payment shall not be picked up by the employer as provided in KRS 21.360(6).

(b) The beneficiary may purchase military service credit only at one (1) time by lump-sum payment for the amount of service he wishes to purchase, and the payment shall be made within thirty (30) days of the death of the active member. The member may purchase all of his military service credit at one (1) time, or in increments of no less than one (1) year, unless there is a fraction remaining after all full years have been paid for. Payment of the total or the increment may be made by lump sum or by monthly installments through payroll deduction. If the member chooses to pay by installment, the cost of the service credit shall be computed in the same manner as for a lump-sum payment, which shall be the principal. Interest, at the annual actuarial rate in effect at the time each payment is made, shall be added to each monthly payment at the rate of one-twelfth (1/12) of the annual interest rate applied to the declining principal amount. Installment purchases shall be for no less than twelve (12) nor more than sixty (60) months. If the member leaves office before completing his installment payments, he may satisfy his contract by a lump-sum payment of the remaining principal amount, but no further installment payments shall be accepted thereafter. In this case, the member shall be credited with the military service credit for which he has paid, in years or months but no fraction less than a full month, and any payment remaining after credit for full months has been awarded shall be returned to the member.

(c) The payments made under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 21.360(6).

(d) No veteran shall be eligible to purchase military service credit under this section if he is receiving a military pension or is eligible for a military pension in the future, unless the military pension is for service primarily on inactive duty in a reserve component of the Armed Forces, or is a disability pension which does not exceed five hundred dollars ($500) monthly.

(c) Construction;

(d) Commissioning;

(e) On-going services as required;

(f) Measurement and verification of savings for guaranteed energy savings contracts; and

(g) Annual reconciliation statements as provided in subsection (8) of Section 3 of this Act.

Section 3. KRS 45A.352 is amended to read as follows:

(1) A local public agency may enter into a guaranteed energy savings contract for innovative solutions for energy ***conservation***[~~efficiency~~] measures. The local public agency shall submit a request for proposals. The request for proposals ***for competitive procurement of guaranteed energy savings contracts*** shall include the following:

(a) The name and address of the governmental unit;

(b) The name, address, title, and phone number of a contact person;

(c) Notice indicating that the local public agency is requesting qualified providers to propose energy ***conservation***[~~efficiency~~] measures through a guaranteed energy savings contract;

(d) The ***following*** evaluation criteria for assessing the proposals***:***

1. Construction management capabilities;

2. Technical approach to facilities included;

3. Financial attributes, as defined by total cost of contract and guaranteed savings and provider's financial strength demonstrating ability to fulfill the guarantee term; and

4. Provider's capability, personnel, track record, and demonstrated ability to accomplish the contract;

(e) The date, time, and place where proposals must be received;[~~ and~~]

(f) Any other stipulations and clarifications the local public agency may require***; and***

(g) An overview prepared by the local public agency stating goals or objectives specific to facility needs to be considered by the qualified providers who are responding to the request. Detailed scope of construction is not required.

(2) Respondents to the request for proposal shall provide the following:

(a) A detailed list of the proposed energy conservation measures and the guaranteed savings which shall be supported with calculations. Any guaranteed energy and operational savings shall be determined by using one of the measurement and verification methodologies listed in the United States Department of Energy's "Measurement and Verification Guideline for Federal Energy Projects" or in the "North American Energy Measurement and Verification Protocol." If due to existing data limitations or the nonconformance of

specific project characteristics, none of the methods listed in either the United States Department of Energy's "Measurement and Verification Guideline for Federal Energy Projects" or in the "North American Energy Measurement and Verification Protocol" is sufficient for measuring guaranteed savings, the qualified provider shall develop an alternate method that is compatible with one of the two;

(b) The estimated cost of the proposed energy conservation measures including engineering, construction, commissioning, measurement and verification, annual reconciliation statements, and required on-going services; and

(c) Proposed method and costs of financing.

(3) The value for total cost of the contract minus the calculated savings from the energy conservation measures listed in the qualified provider's proposal, shall be within fifteen percent (15%) of the value for the total cost of the contract minus the calculated savings after the final contract has been negotiated. If the difference between the proposed and the final contract is not within fifteen percent (15%) and the local public agency and the qualified provider are unable to renegotiate the final contract to reconcile the difference between the proposed and final contract values, then the local public agency may:

(a) Stop negotiations with the current qualified provider; and

(b) Select an alternate provider.

(4) The local public agency may, as a component of the request for proposal, solicit and negotiate additional maintenance services for the affected proposed energy conservation measures. Additional services shall be subject to budget appropriations on an annual basis and may be discontinued at any time over the guarantee period with no negative impact to the guaranteed savings contract.

(5) The local public agency shall utilize the request for proposal process to enter into a guaranteed energy savings contract. The local public agency may, at its discretion, utilize a request for qualifications, provided that the local public agency solicits qualification statements from multiple potentially qualified providers. The local public agency shall use the qualification statements to select no fewer than two (2) providers and each provider shall then be subject to the request-for-proposal requirement provided in subsections (1) to (4) of this section.

(6)[~~(2)~~] The local public agency shall select the provider best qualified to meet its needs. The local public agency shall provide public notice of the meeting at which it proposes to award a guaranteed energy savings contract, the name of the parties to the proposed contract, and the purpose of the contract. The public notice shall be made at least ten (10) days prior to the meeting. After reviewing the proposals, a local public agency may enter into a guaranteed energy savings contract with a qualified provider if it finds that the amount it would spend on the energy *conservation*[~~efficiency~~] measures recommended in the proposal would not exceed the amount to be saved in either energy or operational costs *plus capital cost avoidance*[~~, or both,~~] within *the term of the contract*[~~a ten (10) year period~~] from the date of installation, if the recommendations in the proposal are followed.

(7)[~~(3)~~] The guaranteed energy savings contract shall include a written guarantee of the qualified provider that either the energy or operational costs savings *plus capital cost avoidance*[~~, or both,~~] will meet or exceed the costs of the energy *conservation*[~~efficiency~~] measures within *the term of the contract*[~~ten (10) years~~]. The qualified provider shall*, on an annual basis,* reimburse the local public agency for any shortfall in guaranteed energy savings projected in the contract. A qualified provider shall provide a sufficient bond to the local public agency for the installation and the faithful performance of all the measures included in the contract. The guaranteed energy savings contract may provide for payments over a period of time, not to exceed *the term of the contract*[~~ten (10) years~~].

(8) The qualified provider shall provide the local public agency with an annual reconciliation statement. The statement shall disclose any shortfalls or surplus between guaranteed energy and operational savings specified in the guaranteed energy savings contract and actual energy and operational savings incurred during a given guarantee year. The guarantee year shall consist of a twelve (12) month term commencing from the time that the energy conservation measures became fully operational. The qualified provider shall pay the local public agency any short fall in the guaranteed energy and operation savings within thirty (30) days after the total year savings have been determined. If there is a surplus in the actual guaranteed energy and operational savings, then the surplus shall not be carried forward and applied against possible savings shortfalls in any future guarantee year. If the qualified provider pays the local public agency for a short fall in energy or operational savings incurred during a given guarantee year and there is a surplus in energy or operational savings in future guarantee years, the qualified provider shall bill the local public agency for an amount not to exceed the amount of the short fall in the given guarantee year.

(9) The use of capital cost avoidance shall be subject to the following restrictions:

(a) The amount expended shall not exceed fifty percent (50%) of the project cost; and

(b) Capital cost avoidance shall be restricted to payment for permanent equipment replacement as follows:

1. Storm windows or doors, multiglazed windows or doors, additional glazing, and reduction in glass area;

2. Replacement of heating, ventilating, or air conditioning major components or systems;

3. New lighting fixtures where required to achieve Illuminating Engineering Society of North America (IES) standards, provided the existing light fixtures shall have been determined to be obsolete and incapable of achieving IES standards; and

4. Life safety system replacements or upgrades which shall have been determined to be necessary to conform with existing state and local codes and standards.

(10) The chief state school officer shall review, and approve or disapprove projects from local school districts relating to energy conservation measures under a guaranteed energy savings contract, on the basis of the following guidelines:

(a) The project design's compliance with technical, health, and safety standards as required by administrative regulation;

(b) The availability of general funds, capital outlay allotments under Section 9 of this Act or local and state funds from the Facilities Support Program of Kentucky as provided by Section 10 of this Act, for projects that will use capital cost avoidance;

(c) The appropriate use of capital outlay allotments under Section 9 of this Act, local and state funds from the Facilities Support Program of Kentucky as provided by Section 10 of this Act, for projects using capital cost avoidance, based on the project's compliance with the district's approved facility plan;

(d) The funding capability of the school district; and

(e) The financing mechanism and proper financing documentation.

(11) The request for proposal as provided in subsections (1) to (4) of this section shall be deemed to satisfy the requirements set out in KRS 162.070, and shall not be subject to an award determination based on the lowest competitive bid or a separate bidding process for each energy conservation measure listed in the proposal.

Section 4. KRS 45A.353 is amended to read as follows:

(1) Guaranteed energy savings contracts may extend beyond the fiscal year in which they become effective. The local public agency shall include in its annual budget and appropriations act, for each subsequent fiscal year, any accounts payable under guaranteed energy savings contracts during the fiscal year.

(2) The local public agency shall document the operational and energy cost savings ***and capital cost avoidance*** specified in the guaranteed energy savings contract and designate and appropriate that amount for an annual payment of the contract. If the annual energy and operational savings are less than projected under the guaranteed savings contract, the qualified provider shall pay the difference as provided for in KRS 45A.352.

(3) Notwithstanding any other provisions of law to the contrary, a local public agency may ***finance the***[~~enter into a lease-purchase agreement with the qualified provider for the purchase and~~] installation of energy ***conservation***[~~efficiency~~] measures for its buildings ***through a lease-purchase agreement, bonds, or whichever brings the most economic value to the local public agency***, subject to the local public agency's compliance with all other laws regarding approval of plans for additions, alterations, or renovations of its buildings.

(4) The component which is guaranteed as energy savings and as operational savings shall be exempt from current or future debt limitations, except that capital cost avoidance, as defined in Section 2 of this Act, shall be limited to current or future debt limitations.

Section 5. KRS 56.774 is amended to read as follows:

(1) The Energy Efficiency Program for State Government Buildings shall provide for implementation of low cost/no cost energy ***conservation***[~~efficiency~~] measures, engineering analyses, energy ***conservation***[~~efficiency~~] measures, building improvements, and monitoring of results for state-owned buildings.

(2) Any engineering analysis conducted on a state-owned building shall assess the energy efficiency of the building and make recommendations for improving the efficient use of energy within the building. The analyses shall be performed by qualified engineers, architects, or other persons trained in energy efficiency who ***may***[~~shall~~] be employees of the Finance and Administration Cabinet or employed pursuant to KRS Chapter 45A***, except that any engineers, architects or other persons trained in energy efficiency and retained under a guaranteed energy savings contract, shall not be subject to the provisions of KRS 45A.800 to 45A.835***.

(3) Except as provided in subsection (5) of this section, measures to improve the energy efficiency of a state-owned building***,*** which have an aggregate simple payback period of five (5) years or less***,*** shall be implemented as general fund appropriations become available. No more than five percent (5%) of the cost of energy efficiency measures for a building may be utilized for monitoring the results.

(4) If general fund appropriations are available for energy efficiency improvements, the Finance and Administration Cabinet

shall prioritize projects among the various state-owned buildings to determine which projects shall be implemented to best utilize the available funding.

(5) If general fund appropriations are unavailable, energy ***conservation***[~~efficiency~~] measures for a state-owned building may be financed by other means. Section 9. KRS 157.420 is amended to read as follows:

Public school funds made available to the credit of each district during any year shall be received, held, and expended by the district board, subject to the provisions of law and administrative regulations of the Kentucky Board of Education. The following restrictions shall govern the expenditure of funds from the public school fund:

(1) The teachers' salaries allotment for each district from the public school fund and from local sources shall be used only for teachers holding properly authorized certificates. The salary paid any rank of teachers shall be at least equivalent to the amount set forth in the biennial budget schedule for each rank and experience for a term of one hundred eighty-five (185) days for full-time service during the regular school year or the allotment under KRS 157.390(3) shall be reduced by an amount equal to the amount by which the district failed to meet the salary requirements.

(2) The Kentucky Board of Education shall not approve any working budget or salary schedule summary for local boards of education for any school year in which the total amount for one hundred eighty-five (185) days on the salary schedule summary for salaries paid from the base funding is not equal to:

(a) The amount for one hundred eighty-five (185) days on the district's salary schedule summary for instructional salaries paid with state funds the preceding year; plus

(b) The additional amount for instructional salaries to be received by the district under the biennial budget schedule for a one hundred eighty-five (185) day school term by assuming the same rank and experience of teachers in the current year as in the preceding year.

(3) A district that compensates its teachers or employees for unused sick leave at the time of retirement, pursuant to KRS 161.155, may create an escrow account to maintain the amount of funds necessary to pay teachers or employees who qualify for receipt of the benefit. The fund is limited to not more than fifty percent (50%) of the maximum liability for the current year to be determined according to the number of staff employed by the district on September 15. Interest generated by the account shall be calculated as part of the total amount. The funds shall not be used for any purpose other than compensation for unused sick leave at the time of retirement and shall not be considered as part of the general fund balance in determining available local revenue for purposes of KRS 157.620.

(4) The per pupil capital outlay allotment for each district from the public school fund and from local sources shall be kept in a separate account and may be used by the district only for capital outlay projects approved by the chief state school officer in accordance with requirements of law, and based on a survey made in accordance with administrative regulations of the Kentucky Board of Education. These funds shall be used for the following capital outlay purposes:

(a) For direct payment of construction costs;

(b) For debt service on voted and funding bonds;

(c) For payment or lease-rental agreements under which the board eventually will acquire ownership of a school plant;

(d) For the retirement of any deficit resulting from over-expenditure for capital construction, if such deficit resulted from an emergency declared by the Kentucky Board of Education under KRS 160.550; and

(e) As a reserve fund for the above-named purposes, to be carried forward in ensuing budgets.

(5) ***The district may contribute capital outlay funds for energy conservation measures under guaranteed energy savings contracts pursuant to Sections 2, 3, and 4 of this Act. Use of these funds, provided in Sections 4, 5, and 6 of this Act, shall be based on the following:***

(a) The energy conservation measures shall include facility alteration;

(b) The energy conservation measures shall be identified in the district's approved facility plan;

(c) The current facility systems are consuming excess maintenance and operating costs;

(d) The savings generated by the energy conservation measures are guaranteed;

(e) The capital outlay funds contributed to the energy conservation measures shall be defined as capital cost avoidance as provided in subsection (2) of Section 2 of this Act and shall be subject to the restrictions on usage as specified in subsection (9) of Section 3 of this Act; and

(f) The equipment that is replaced shall have exceeded its useful life as determined by a life-cycle cost analysis.

(6) If any district has a special levy for capital outlay or debt service that is equal to the capital outlay allotment or a proportionate fraction thereof, and spends the proceeds of that levy for the above-named purposes, the chief state school officer under administrative regulations of the Kentucky Board of Education, may authorize the district to use all or a proportionate fraction of its capital outlay allotment for current expenses. However, a district which uses capital outlay funds for current expenses shall not be eligible to participate in the School Facilities Construction Commission funds.

(7)[~~(6)~~] If a survey shows that a school district has no capital outlay needs as shown in paragraphs (a), (b), (c), and (d) of subsection (4) of this section, upon approval of the chief state school officer, these funds may be used for school plant maintenance, repair, insurance on buildings, replacement of equipment, purchase of school buses, and the purchase of modern technological equipment, including telecommunications hardware, televisions, computers, and other technological hardware to be utilized for educational purposes only.

(8)[~~(7)~~] In surveying the schools, the Department of Education shall designate each school facility as a permanent, functional, or transitional center.

(a) "Permanent center" means a center which meets the program standards approved by the Kentucky Board of Education, is located so that students are not subjected to an excessive amount of time being transported to the site, and has established an attendance area which will maintain enrollment at capacity but will also avoid overcrowding.

(b) "Functional center" means a center which does not meet all the criteria established for a permanent facility, but is adequate to meet accreditation program standards to insure no substantial academic or building deficiency. The facility plan shall include additions and renovations necessary to meet current accreditation standards for which federal, state, and local funds may be used.

(c) "Transitional center" means a center which the local board of education has determined shall no longer be designated permanent or functional. The center shall be destined to be closed and shall not be eligible for new construction, additions, or major renovation. However, the board of education shall maintain any operating transitional center to provide a safe and healthy environment for students.

(9)[~~(8)~~] If a local school board authorized elementary, middle, or secondary education classes in a facility of a historical settlement school on January 1, 1994, the board shall continue to use the facilities provided by the settlement school if the facilities meet health and safety standards for education facilities as required by administrative regulations. The local school board and the governing body of the settlement school shall enter into a cooperative agreement that delineates the role, responsibilities, and financial obligations for each party.

Section 10. KRS 157.440 is amended to read as follows:

(1) (a) Notwithstanding any statutory provisions to the contrary, effective for school years beginning after July 1, 1990, the board of education of each school district may levy an equivalent tax rate as defined in subsection (12)(a) of KRS 160.470 which will produce up to fifteen percent (15%) of those revenues guaranteed by the program to support education excellence in Kentucky. The levy for the 1990-91 school year shall be made no later than October 1, 1989, and no later than October 1, 1990, for the 1991-92 school year, and by October 1 of each odd-numbered year thereafter. Effective with the 1990-91 school year, revenue generated by this levy shall be equalized at one hundred fifty percent (150%) of the statewide average per pupil assessment.

(b) To participate in the Facilities Support Program of Kentucky, the board of education of each school district shall commit at least an equivalent tax rate of five cents ($0.05) to debt service, new facilities, or major renovations of existing school facilities. The five cents ($0.05) shall be in addition to the thirty cents ($0.30) required by KRS 160.470(12) and any levy pursuant to paragraph (a) of this subsection. The levy shall be made no later than October 1 of each odd-numbered year. Eligibility for equalization funds for the biennium shall be based on the district funds committed to debt service on that date. The five cents ($0.05) shall be equalized at one hundred fifty percent (150%) of the statewide average per pupil assessment. The equalization funds shall be committed to debt service to the greatest extent possible, but any excess equalization funds not needed for debt service shall be deposited to a restricted building fund account. The funds may be escrowed for future debt service or used to address categorical priorities listed in the approved facilities plan pursuant to KRS 157.420.

(c) ***The board of education of each school district may contribute the levy equivalent tax rate of five cents ($0.05) and equalization funds for energy conservation measures under guaranteed energy savings contracts pursuant to Sections 2, 3, and 4 of this Act. Use of these funds, as provided under Sections 4, 5, and 6 of this Act shall be based on the following guidelines:***

1. Energy conservation measures shall include facility alteration;

2. Energy conservation measures shall be identified in the district's approved facility plan pursuant to Section 9 of this Act;

3. The current facility systems are consuming excess maintenance and operating costs;

4. The savings generated by the energy conservation measures are guaranteed;

5. The levy equivalent tax rate of five cents ($0.05) and equalization funds contributed to the energy conservation measures shall be defined as capital cost avoidance as provided in subsection (2) of Section 2 of this Act and shall be subject to the restrictions on usage as specified in subsection (9) of Section 3 of this Act; and

6. The equipment that is replaced has exceeded its useful life as determined by a life cycle cost analysis.

(d) The rate levied by a district board of education under the provisions of this subsection shall not be subject to the public hearing provisions of KRS 160.470(10) or to the recall provisions of KRS 160.470(11).

(e)[~~(d)~~]A school district which is at or above the equivalent tax rates permitted under the provisions of the Kentucky Education Reform Act of 1990, 1990 Ky. Acts ch. 476, shall not be required to levy an equivalent tax rate which is lower than the rate levied during the 1989-90 school year.

(2) (a) A district may exceed the maximum provided by subsection (2) of KRS 160.470 provided that, upon request of the board of education of the district, the county board of elections shall submit to the qualified voters of the district, in the manner of submitting and voting as prescribed in paragraph (b) of this subsection, the question whether a rate which would produce revenues in excess of the maximum provided by subsection (2) of KRS 160.470 shall be levied. The rate that may be levied under this section may produce revenue up to no more than thirty percent (30%) of the revenue guaranteed by the program to support education excellence in Kentucky plus the revenue produced by the tax authorized by this section. Revenue produced by this levy shall not be equalized with state funds. If a majority of those voting on the question favor the increased rate, the tax levying authority shall, when the next tax rate for the district is fixed, levy a rate not to exceed the rate authorized by the voters.

(b) The election shall be held not less than fifteen (15) or more than thirty (30) days from the time the request of the board is filed with the county clerk, and reasonable notice of the election shall be given. The election shall be conducted and carried out in the school district in all respects as required by the general election laws and shall be held by the same officers as required by the general election laws. The expense of the election shall be borne by the school district.

(3) For the 1966 tax year and for all subsequent years for levies which were approved prior to December 8, 1965, no district board of education shall levy a tax at a rate under the provisions of this section which exceeds the compensating tax rate as defined in KRS 132.010, except as provided in subsection (4) of this section and except that a rate which has been approved by the voters under this section but which was not levied by the district board of education in 1965 may be levied after it has been reduced to the compensating tax rate as defined in KRS 132.010, and except that in any school district where the rate levied in 1965 was less than the maximum rate which had been approved by the voters, the compensating tax rate shall be computed and may be levied as though the maximum approved rate had been levied in 1965 and the amount of revenue which would have been produced from such maximum levy had been derived therefrom.

(4) Notwithstanding the limitations contained in subsection (3) of this section, no tax rate shall be set lower than that necessary to provide such funds as are required to meet principal and interest payments on outstanding bonded indebtedness and payments of rentals in connection with any outstanding school revenue bonds issued under the provisions of KRS Chapter 162.

(5) The chief state school officer shall certify the compensating tax rate to the levying authorities.

Section 1. KRS 154A.130 is amended to read as follows:

(1) All money received by the corporation from the sale of lottery tickets and all other sources shall be deposited into a corporate operating account. The corporation shall allocate the amount to be paid by the corporation to prize winners. The amount in the corporate operating account which the corporation anticipates will be available for the payment of prizes on an annuity basis, may be invested in direct United States Treasury obligations. These instruments may be in varying maturities with respect to payment of annuities and may be in book-entry form. Monthly, no later than the last business day of the succeeding month, the corporation shall transfer to a lottery trust fund the amount of net revenues which the corporation determines are surplus to its needs. These funds shall be held in trust until 1990 at which time the General Assembly shall determine the manner in which the funds will be allocated and appropriated. The net revenues shall be determined by deducting from gross revenues the payment costs incurred in the operation and administration of the lottery, including the expenses of the corporation and the costs resulting from any contract or contracts entered into for promotional, advertising or operational services or for the purchase or lease of lottery equipment and materials, fixed capital outlays, and the payment of prizes to the holders of winning tickets. After the start-up costs are paid, it is the intent of the Legislature that it shall be the goal of the corporation to transfer each year thirty-five percent (35%) of gross revenues to the general fund for the purposes stated above.

(2) A Kentucky lottery trust account is established in the State Treasury. Net lottery revenues shall be credited to this restricted account as provided in subsection (1) of this section. Moneys credited to the Kentucky lottery trust account shall be invested by the state in accordance with state investment practices and all earnings from the investments shall accrue to this account. No moneys shall be allotted or expended from this account unless pursuant to an appropriation by the General Assembly, except that moneys as are needed shall be transferred to the general fund pursuant to the provisions of the Acts of the Extraordinary Session of the 1988 General Assembly. Moneys in the Kentucky lottery trust account shall not lapse at the close of the state fiscal year.

The Auditor of Public Accounts shall contract with an independent, certified public accountant who meets the qualifications existing to

do business within the Commonwealth of Kentucky to perform the corporation postaudit. The Auditor of Public Accounts shall remain responsible for the annual postaudit and the corporation shall pay all audit costs. Contracts shall be entered into for audit services for a period not to exceed five (5) years and the same firm shall not receive two (2) consecutive audit contracts. All audits shall be filed with the Governor, the President of the Senate, and the Speaker of the House of Representatives. The corporation shall reimburse the Auditor of Public Accounts for the reasonable costs of any audits performed by him. The corporation shall cooperate with the Auditor of Public Accounts by giving employees designated by any of them access to facilities of the corporation for the purpose of efficient compliance with their respective responsibilities. With respect to any reimbursement that the corporation is required to pay to any agency, the corporation shall enter into an agreement with that agency under which the corporation shall pay to the agency an amount reasonably anticipated to cover the reimbursable expenses in advance of the expenses being incurred.

(b) Gross moneys which were earned by the employee from other sources during the period of suspension shall be set-off against the gross sum due the employee, to the extent that the moneys were earned in a number of hours comparable to the length of time the employee would have worked in the job from which he was dismissed. The Finance and Administration Cabinet shall by regulation provide an administrative procedure for determining reasonable earnings to be so set off.

(c) All other deductions shall be deducted as required by law or by Finance and Administration Cabinet regulation.

300,000,000	----	$0.004 for each $100.

(10) The total sum to be paid by the fiscal court to any property valuation administrator's office under the provisions of subsection (9) of this section shall not exceed the limits set forth in the following table:

This allowance shall be based on the assessment as of the previous January 1 and shall be used for deputy and other personnel allowance, supplies, maps and equipment, travel allowance for the property valuation administrator and his deputies and other authorized personnel, and other authorized expenses of the office.

(11) Annually, after appropriation by the county of funds required of it by subsection (9) of this section, and no later than August 1, the property valuation administrator shall file a claim with the county for that amount of the appropriation specified in his approved budget for compensation of deputies and assistants, including employer's shares of FICA and state retirement, for the fiscal year. The amount so requested shall be paid by the county into the State Treasury by September 1, or paid to the property valuation administrator and be submitted to the State Treasury by September 1. These funds shall be expended by the Revenue Cabinet only for compensation of approved deputies and assistants and the employer's share of FICA and state retirement in the appropriating county. Any funds paid into the State Treasury in accordance with this provision but unexpended by the close of the fiscal year for which they were appropriated shall be returned to the county from which they were received.

(12) After submission to the State Treasury or to the property valuation administrator of the county funds budgeted for personnel compensation under subsection (11) of this section, the fiscal court shall pay the remainder of the county appropriation to the office of the property valuation administrator on a quarterly basis. Four (4) equal payments shall be made on or before September 1, December 1, March 1, and June 1 respectively. During county election years the property valuation administrator shall not expend in excess of forty percent (40%) of the allowances available to his office from county funds during the first five (5) months of the fiscal year in which the general election is held.

(13) The provisions of this section shall apply to urban-county governments. In an urban-county government, all the rights and obligations conferred on fiscal courts by the provisions of this section shall be exercised by the urban-county government.

(14) When an urban-county form of government is established through merger of existing city and county governments as provided in KRS Chapter 67A, the annual county assessment shall be presumed to have been adopted as if the city had exercised the option to adopt as provided in KRS 132.285, and the annual amount to be appropriated to the property valuation administrator's office shall be the combined amount that is required of the county under this section and that required of the city under KRS 132.285, except that the total shall not exceed one hundred thousand dollars ($100,000) for any urban-county government with an assessment subject to countywide tax of less than three billion dollars ($3,000,000,000), one hundred twenty-five thousand dollars ($125,000) for an urban-county government with an assessment subject to countywide tax between three billion dollars ($3,000,000,000) and five billion dollars ($5,000,000,000), and two hundred thousand dollars ($200,000) for an urban-county government with an assessment subject to countywide tax in excess of five billion dollars ($5,000,000,000). For purposes of this subsection, the amount to be considered as the assessment for purposes of KRS 132.285 shall be the amount subject to taxation for full urban services.

HB 371, AN ACT relating to recycling and making an appropriation therefor.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS SUBCHAPTER 43 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

The General Assembly declares that in order for the Commonwealth to carry out the policy of solid waste reduction established in KRS 224.43-010, it is imperative that new opportunities for recycling, particularly in rural areas of the Commonwealth, be developed. The General Assembly finds that containers, especially beverage containers, are the most valuable and recyclable commodity in the waste stream and that the discarding of these containers is an unnecessary addition to the state's litter problem and its already overburdened solid waste disposal system. The General Assembly further finds that it is in the public interest to establish a program for the recycling of containers which:

(1) Reduces the volume of waste and litter;

(2) Increases opportunities for recycling and provides financial incentives for consumers to do so;

(3) Builds upon existing recycling infrastructure;

(4) Provides incentives for industry to use more recyclable containers and assist in market development for recyclable containers; and

(5) Stimulates statewide creation of new jobs and wider employment in the recycling industry.

The authority shall make a determination that no market or cost-effective alternative exists prior to authorizing the disposal of redeemed containers in a landfill approved under KRS Chapter 224.

(7) The authority may revoke, suspend, or refuse to renew a contract or franchise to any processor who violates any provision of Sections 1 to 18 of this Act.

The fee shall be paid by distributors of the container type to the Revenue Cabinet at the same time and in the same manner as the minimum refund value is paid pursuant to Section 11 of this Act. The Committee Substitute to **HB 371** is as follows:

AN ACT relating to recycling and making an appropriation therefor.

WHEREAS, House Bill 371, introduced for consideration by the 1998 General Assembly and known as the "container deposit bill," presented an approach to the management of litter and the encouragement of recycling not considered by a legislative study group since the Task Force on Container Deposits created by Senate Bill 2 of the 1991 Extraordinary Session; and

WHEREAS, since the 1991 special session on solid waste, the state has made significant progress in the management of solid waste disposal and the encouragement of recycling; and

WHEREAS, House Bill 371 presents an approach to solid waste management that may, if carefully structured to fit into the state's present system of solid waste management, achieve even more progress in eliminating road and creekside litter while leading to greater reuse of discarded materials;

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. The House Bill 371 Task Force is created and shall be composed of the following: the primary sponsor of House Bill 371; four (4) members of the General Assembly selected by the Legislative Research Commission, two (2) of whom shall be members of the Interim Joint Committee on Agriculture and Natural Resources; a student representative of the Estill County High School; a representative of the Natural Resources and Environmental Protection Cabinet; a representative of the Department of Local Government; a representative of the Kentucky League of Cities; a representative of the Kentucky Association of Counties; a representative of the Kentucky Chapter of the Solid Waste Association of North America; a representative of the Kentuckians for the Commonwealth; a representative of the Kentucky Resources Council; a representative of the Beverage Industry Recycling Program; a representative of the Kentucky Retail Federation; a representative of the Food Service and Packaging Industry; a representative of the Kentucky Beer Wholesalers Association; two (2) members selected by the Legislative Research Commission to represent nonalcoholic beverage bottlers; a representative of the Kentucky Farm Bureau; a representative of the League of Kentucky Sportsmen; a representative of the Kentucky Grocers Association; and a representative of the Kentucky Scrap Processors and Recyclers Association. The goal of the review shall be to determine in what ways the approach to solid waste management presented by the bill may improve the present structure of solid waste management in Kentucky and achieve that improvement with the least disruption of the present structure. The task force shall conclude its review by issuing a report to the Legislative Research Commission no later than September 30, 1999. The report may contain recommendations for legislative proposals to strengthen the state's waste management programs based upon its review of House Bill 371.

Section 3. The members of the task force shall be reimbursed for expenses incurred to attend task force meetings.

Section 4. Staff services to be utilized in completing this study are estimated to cost $25,000. These staff services shall be provided from the regular commission budget and are subject to the limitations and other research responsibilities of the Commission.

161.155, may create an escrow account to maintain the amount of funds necessary to pay teachers or employees who qualify for receipt of the benefit. The fund is limited to not more than fifty percent (50%) of the maximum liability for the current year to be determined according to the number of staff employed by the district on September 15. Interest generated by the account shall be calculated as part of the total amount. The funds shall not be used for any purpose other than compensation for unused sick leave at the time of retirement and shall not be considered as part of the general fund balance in determining available local revenue for purposes of KRS 157.620.

(4) The per pupil capital outlay allotment for each district from the public school fund and from local sources shall be kept in a separate account and may be used by the district only for capital outlay projects approved by the chief state school officer in accordance with requirements of law, and based on a survey made in accordance with administrative regulations of the Kentucky Board of Education. HB 714, AN ACT relating to the Education Professional Standards Board.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 160.380 is amended to read as follows:

(1) As used in this section:

(a) "Relative" shall mean father, mother, brother, sister, husband, wife, son, daughter, aunt, uncle, son-in-law, and daughter-in-law.

(b) "Vacancy" shall mean any certified position opening created by the resignation, dismissal, nonrenewal of contract, transfer, or death of a certified staff member of a local school district, or a new position created in a local school district for which certification is required. However, if an employer-employee bargained contract contains procedures for filling certified position openings created by the resignation, dismissal, nonrenewal of contract, transfer, or death of a certified staff member, or creation of a new position for which certification is required, a vacancy shall not exist, unless certified positions remain open after compliance with those procedures.

(2) (a) All appointments, promotions, and transfers of principals, supervisors, teachers, and other public school employees shall be made only by the superintendent of schools, who shall notify the board of the action taken. All employees of the local district shall have the qualifications prescribed by law and by the administrative regulations of the Kentucky Board of Education and of the employing board. Supervisors, principals, teachers, and other employees may be appointed by the superintendent for any school year at any time after February 1 preceding the beginning of the school year. No superintendent of schools shall appoint or transfer himself to another position within the school district.

(b) When a vacancy occurs in a local school district, the superintendent shall notify the chief state school officer thirty (30) days before the position shall be filled. The chief state school officer shall keep a registry of local district vacancies which shall be made available to the public. The local school district shall post position openings in the local board office for public viewing.

(c) When a vacancy needs to be filled in less than thirty (30) days' time to prevent disruption of necessary instructional or support services of the school district, the superintendent may seek a waiver from the chief state school officer. If the waiver is approved, the appointment shall not be made until the person recommended for the position has been approved by the chief state school officer. The chief state school officer shall respond to a district's request for waiver or for approval of an appointment within two (2) working days.

(d) When a vacancy occurs in a local district, the superintendent shall conduct a search to locate minority teachers to be considered for the position. The superintendent shall, pursuant to administrative regulations of the Kentucky Board of Education, report annually the district's recruitment process and the activities used to increase the percentage of minority teachers in the district.

(b) Employment shall be contingent on the receipt of ***the criminal history background check***[~~records~~] documenting that the probationary employee has no record of a sex crime nor as a violent offender as defined in KRS 17.165.

(c) Notwithstanding KRS 161.720 to 161.800 or any other statute to the contrary, probationary employment under this section shall terminate on receipt by the ***school*** district of a ***criminal history background check***[~~record~~] documenting a ***record of a sex crime or as a violent offender***[~~criminal act~~] as defined ***in KRS 17.165***[~~above~~] and no further procedures shall be required.

Upon successful completion of the assessments, a certificate shall be issued for an additional four (4) years.

(7) Upon successful completion of the approved preparation program and the assessments, the ***Education Professional Standards Board***[~~chief state school officer~~] shall issue to the applicant a statement of eligibility for internship valid for five (5) years. Rules, administrative regulations, and procedures relating to these duties shall not lapse and shall continue in effect until repealed or amended by the Education Professional Standards Board.

Section 4. KRS 161.030 is amended to read as follows:

(1) Notwithstanding the age of the pupil, the certification of all teachers and other school personnel, in public schools only, is vested in the Education Professional Standards Board. When so certified, teachers and other school personnel shall not be required to have licensure, certification, or other forms of approval from any other state agency for the performance of their respective assignments within the common schools, except as provided for by law. All certificates authorized under KRS 161.010 to 161.126 shall be issued in accordance with the administrative regulations of the Education Professional Standards Board. After July 15, 1994, all certificate applications and other data collection instruments of the board shall include a request for voluntary information about the applicant's ethnic background. (3) ~~[Initial]~~ Certification of all new teachers and ***teachers seeking additional certification***~~[reissuance of expired certificates for persons not completing two (2) years of successful teaching experience within the last ten (10) years]~~ shall require the successful completion of appropriate assessments prior to certification. The assessments shall be selected by the Education Professional Standards Board and shall measure~~[communication skills, general knowledge, professional education concepts, and]~~ knowledge in the specific teaching field of the applicant***, including content of the field and teaching of that content***. The Education Professional Standards Board shall determine the minimum acceptable level of achievement on each assessment. The assessments shall measure those concepts, ideas, and facts which are being taught in teacher education programs in Kentucky. Upon successful completion of the assessments and the approved teacher preparation program, a certificate valid for one (1) year shall be issued. If an out-of-state teacher with less than two (2) years experience comes to Kentucky after the deadline for taking the assessments, a temporary certificate may be issued for a period up to six (6) months provided the local board cannot fill the vacant position with a certified teacher. The teacher shall take the assessments if they are administered during the period of the temporary certificate. The certificate shall be extended for the remainder of the year if the teacher successfully completes the assessments. If the teacher fails the assessments, the temporary certificate shall be valid only for the current semester.

(4) A reasonable fee to be paid by the teacher and directly related to the actual cost of the administration of the assessments shall be established by the Education Professional Standards Board. The Department of Education shall provide for confidentiality of the individual assessment scores. Scores shall be available only to the candidate and to the education officials who are responsible for determining whether established certification standards have been met. (5) All new teachers~~[,]~~ and out-of-state teachers with less than two (2) years of successful teaching experience who are seeking initial certification in Kentucky shall serve a one (1) year internship. The teacher shall be a full-time employee or shall have an annual contract and serve on at least a half-time basis and shall have supervision, assistance, and assessment during the one (1) year internship. The internship may be served in a public school or a nonpublic school which meets the state performance standards as established in KRS 156.160 or which has been accredited by a regional or national accrediting association. Successful completion shall be determined by a majority vote of the beginning teacher committee. The internship period shall be counted as experience for the purpose of continuing contract status, retirement eligibility, and benefits for single salary experience increments. Upon successful completion of the beginning teacher program, the one (1) year initial teaching certificate shall be extended for the remainder of the usual duration period established for that particular certificate by Education Professional Standards Board administrative regulations.

(6) The beginning teacher committee shall be composed of three (3) persons who have successfully completed special training in the supervision and assessment of the performance of beginning teachers as provided in subsection (8) of this section. The committee shall consist of a resource teacher, the school principal of the school where the internship is served, and a teacher educator ***appointed by***~~[from]~~ a state-approved teacher training institution~~[to be appointed by the president of that institution]~~.

(a) If more than two (2) teacher interns are employed in the same school, the principal's responsibility may be shared with an assistant principal who holds certification as a principal.

(b) In unusual situations, the Education Professional Standards Board may permit the assistant principal to serve in lieu of the principal on a beginning teacher committee.

(c) If the teacher training institution is unable to provide a member, the district superintendent shall appoint an instructional supervisor from the school district.

(d) If the intern is teaching in a regionally or nationally accredited nonpublic school without a principal, the person filling the principal member position may have other appropriate qualifications as required by administrative regulations promulgated by the Education Professional Standards Board.

(e) If the teacher training institution is unable to provide a member to serve on the beginning teacher committee in a nonpublic school, the chief officer of the school shall appoint an instructional supervisor or a teacher with like qualifications and responsibilities to serve on the beginning teacher committee in lieu of the teacher educator.

(f) The resource teacher shall be appointed by the Department of Education from a pool of qualified resource teachers, and, any statutes to the contrary notwithstanding and to the extent of available appropriations, shall be entitled to be paid a reasonable stipend by the Department of Education for work done outside normal working hours. In the case of a resource teacher in a nonpublic school, payment shall be made directly to the resource teacher by the Department of Education. Priority shall be given to resource teachers~~[with the same certification as the teacher intern]~~ in the following order:

1. ***Teachers with the same certification in the same school;***
2. ***Teachers with the same certification in the same district;***
3. Teachers in the same school;
4.~~[2.]~~ Teachers in the same district; and
5.~~[3.]~~ Teachers in an adjacent school district.

(g) The committee shall meet with the beginning teacher a minimum of three (3) times per year for evaluation and recommendation with all committee members present. In addition, each member of the committee shall observe the beginning teacher in the classroom a minimum of three (3) times per year. If the teacher's first year performance is judged by the committee to be less than satisfactory, the teacher shall be provided with an opportunity to repeat the internship one (1) time if the teacher is employed by a school district.

(7) The resource teacher shall spend a minimum of seventy (70) hours working with the beginning teacher; twenty (20) of these hours shall be~~[observing the beginning teacher]~~ in the classroom setting; fifty (50) of these hours shall be in consultation other than class time or attending assessment meetings. The resource teacher shall have completed at least four (4) years of successful teaching experience as attested to by his or her immediate supervisor or by having achieved tenure and be able to show evidence of continuing professional development by having achieved a master's degree or its equivalent or the accumulation of two thousand (2,000) hours of continuing professional activities.

(8) By contract with teacher education institutions in the Commonwealth, the chief state school officer shall provide special training for persons who will be serving on the beginning teacher committees. Completion of special training shall be evidenced by successfully passing the assessments as prescribed by the Education Professional Standards Board. A principal hired after July 15, 1996, shall be required to complete the beginning teacher committee training program within one (1) year after his appointment.

(9) If an applicant establishes eligibility for a one (1) year certificate under the provisions of subsection (3) of this section, but does not become employed on the basis needed to satisfy the one (1) year internship requirement, the applicant shall be eligible for the issuance of a certificate for substitute teaching as provided by the administrative regulations of the Education Professional Standards Board. The applicant shall remain eligible for the one (1) year certificate, as provided in subsection (3) of this section, and for the opportunity to serve the internship for a period of five (5) years after establishing eligibility. If the internship is not completed within the five (5) year period, the applicant must reestablish eligibility by repeating and passing the assessment program in effect for new teachers at that time or by completing a minimum of six (6) graduate hours toward completion of a graduate program required by administrative regulations promulgated by the Education Professional Standards Board. The option for renewal through completion of graduate hours shall be available only for the first reestablishment of eligibility.

(10) The Education Professional Standards Board shall approve the curricula of any standard college or university, or of any department thereof, for the training of teachers, and shall also approve the curricula of any local district alternative certification program, when the curricula comply with the administrative regulations of the Education Professional Standards Board for the issuance of certificates and when the institution has met the terms and conditions provided in KRS 161.010 to 161.120. Any student who has completed any of these curricula, as approved by the Education Professional Standards Board, and who has completed the prescribed requirements for the issuance of certificates shall be granted a certificate corresponding to the curricula completed.

Section 5. KRS 161.120 is amended to read as follows:

The Committee Substitute to **HB 714** is as follows:

AN ACT relating to the Education Professional Standards Board.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 160.380 is amended to read as follows:

(1) As used in this section:

(a) "Relative" shall mean father, mother, brother, sister, husband, wife, son, daughter, aunt, uncle, son-in-law, and daughter-in-law.

(b) "Vacancy" shall mean any certified position opening created by the resignation, dismissal, nonrenewal of contract, transfer, or death of a certified staff member of a local school district, or a new position created in a local school district for which certification is required. However, if an employer-employee bargained contract contains procedures for filling certified position openings created by the resignation, dismissal, nonrenewal of contract, transfer, or death of a certified staff member, or creation of a new position for which certification is required, a vacancy shall not exist, unless certified positions remain open after compliance with those procedures.

(2) (a) All appointments, promotions, and transfers of principals, supervisors, teachers, and other public school employees shall be made only by the superintendent of schools, who shall notify the board of the action taken. All employees of the local district shall have the qualifications prescribed by law and by the administrative regulations of the Kentucky Board of Education and of the employing board. Supervisors, principals, teachers, and other employees may be appointed by the superintendent for any school year at any time after February 1 preceding the beginning of the school year. No superintendent of schools shall appoint or transfer himself to another position within the school district.

(b) When a vacancy occurs in a local school district, the superintendent shall notify the chief state school officer thirty (30) days before the position shall be filled. The chief state school officer shall keep a registry of local district vacancies which shall be made available to the public. The local school district shall post position openings in the local board office for public viewing.

(c) When a vacancy needs to be filled in less than thirty (30) days' time to prevent disruption of necessary instructional or support services of the school district, the superintendent may seek a waiver from the chief state school officer. If the waiver is approved, the appointment shall not be made until the person recommended for the position has been approved by the chief state school officer. The chief state school officer shall respond to a district's request for waiver or for approval of an appointment within two (2) working days.

(d) When a vacancy occurs in a local district, the superintendent shall conduct a search to locate minority teachers to be considered for the position. The superintendent shall, pursuant to administrative regulations of the Kentucky Board of Education, report annually the district's recruitment process and the activities used to increase the percentage of minority teachers in the district.

(e) No relative of a superintendent of schools shall be an employee of the school district. However, this shall not apply to a relative who is an employee of the school district for at least thirty-six (36) months prior to the superintendent assuming office and who is certified for the position he holds, and it shall not apply to a superintendent's spouse who has at least twenty (20) years of service in school systems. A superintendent's spouse who is employed under this provision shall not hold a position in which the spouse supervises certified or classified employees. A superintendent's spouse may supervise teacher aides and student teachers. However, the superintendent shall not promote his relative who continues employment under an exception of this subsection.

(f) No superintendent shall employ a relative of a school board member of the district, unless on July 13, 1990, the board member's relative is an employee of the district, the board member is holding office, and the relative was not initially hired by the district during the tenure of the board member. A relative employed in 1989-90 and initially hired during the tenure of a board member serving on July 13, 1990, may continue to be employed during the remainder of the board member's term. However, the superintendent shall not promote any relative of a school board member who continues employment under the exception of this subsection.

(g) No principal's relative shall be employed in the principal's school, except a relative who is not the principal's spouse and who was employed in the principal's school during the 1989-90 school year. No spouse of a principal shall be employed in the principal's school, except a principal's spouse who was employed in the principal's school during the 1989-90 school year for whom there is no position for which the spouse is certified to fill in another school operated in the district. The provisions of KRS 161.760 shall not apply to any transfer made in order to comply with the provisions of this paragraph.

(3) No superintendent shall employ in ***any***~~[a]~~ position ***in the district***~~[which involves supervisory or disciplinary power over a minor,]~~ any person who is a violent offender or has been convicted of a sex crime as defined by KRS 17.165 which is classified as a felony. The superintendent may employ, at his discretion, persons convicted of sex crimes classified as a misdemeanor.~~[Each superintendent shall request all conviction information for any applicant for initial employment from the Justice Cabinet prior to employing the applicant.]~~

(4) (a) ***Beginning January 1, 1999, a superintendent shall require a national and state criminal background check on all new certified hires in the school district. Excluded are certified individuals who were employed in another certified position in a Kentucky school district within six (6) months of the date of hire and who had previously submitted to a national and state criminal background check for the previous employment.***

(b) The superintendent shall require that each new certified hire, as set forth in paragraph (a) of this subsection, submit to a national and state criminal history background check by the Kentucky State Police and the Federal Bureau of Investigation.

Application for the criminal record of a probationary employee shall be made no later than the date probationary employment begins.

(b) Employment shall be contingent on the receipt of ***the criminal history background check***[~~records~~] documenting that the probationary employee has no record of a sex crime nor as a violent offender as defined in KRS 17.165.

(c) Notwithstanding KRS 161.720 to 161.800 or any other statute to the contrary, probationary employment under this section shall terminate on receipt by the ***school*** district of a ***criminal history background check***[~~record~~] documenting a ***record of a sex crime or as a violent offender***[~~criminal act~~] as defined ***in KRS 17.165***[~~above~~] and no further procedures shall be required.

(d) The provisions of KRS 161.790 shall apply to terminate employment of a certified employee on the basis of a criminal record other than a record of a sex crime or as a violent offender as defined in KRS 17.165.

(7)[~~(5)~~] ***(a)*** Each application or renewal form, provided by the employer to ***an***[~~the~~] applicant ***for a classified position***, shall conspicuously state the following: "FOR THIS TYPE OF EMPLOYMENT, STATE LAW REQUIRES A ***STATE*** CRIMINAL ***HISTORY BACKGROUND***[~~RECORD~~] CHECK AS A CONDITION OF EMPLOYMENT."

(7) Upon successful completion of the approved preparation program and the assessments, the ***Education Professional Standards Board***[~~chief state school officer~~] shall issue to the applicant a statement of eligibility for internship valid for five (5) years. Rules, administrative regulations, and procedures relating to these duties shall not lapse and shall continue in effect until repealed or amended by the Education Professional Standards Board.

Section 4. KRS 161.030 is amended to read as follows:

(1) Notwithstanding the age of the pupil, the certification of all teachers and other school personnel, in public schools only, is vested in the Education Professional Standards Board. When so certified, teachers and other school personnel shall not be required to have licensure, certification, or other forms of approval from any other state agency for the performance of their respective assignments within the common schools, except as provided for by law. All certificates authorized under KRS 161.010 to 161.126 shall be issued in accordance with the administrative regulations of the Education Professional Standards Board. After July 15, 1994, all certificate applications and other data collection instruments of the board shall include a request for voluntary information about the applicant's ethnic background. The Education Professional Standards Board shall determine the minimum acceptable level of achievement on each assessment. The assessments shall measure those concepts, ideas, and facts which are being taught in teacher education programs in Kentucky. Upon successful completion of the assessments and the approved teacher preparation program, a certificate valid for one (1) year shall be issued. If an out-of-state teacher with less than two (2) years experience comes to Kentucky after the deadline for taking the assessments, a temporary certificate may be issued for a period up to six (6) months provided the local board cannot fill the vacant position with a certified teacher. The teacher shall take the assessments if they are administered during the period of the temporary certificate. The certificate shall be extended for the remainder of the year if the teacher successfully completes the assessments. If the teacher fails the assessments, the temporary certificate shall be valid only for the current semester.

(4) A reasonable fee to be paid by the teacher and directly related to the actual cost of the administration of the assessments shall be established by the Education Professional Standards Board. (5) All new teachers[~~,~~] and out-of-state teachers with less than two (2) years of successful teaching experience who are seeking initial certification in Kentucky shall serve a one (1) year internship. The teacher shall be a full-time employee or shall have an annual contract and serve on at least a half-time basis and shall have supervision, assistance, and assessment during the one (1) year internship. The internship may be served in a public school or a nonpublic school which meets the state performance standards as established in KRS 156.160 or which has been accredited by a regional or national accrediting association. Successful completion shall be determined by a majority vote of the beginning teacher committee. The internship period shall be counted as experience for the purpose of continuing contract status, retirement eligibility, and benefits for single salary experience increments. Upon successful completion of the beginning teacher program, the one (1) year initial teaching certificate shall be extended for the remainder of the usual duration period established for that particular certificate by Education Professional Standards Board administrative regulations.

(6) The beginning teacher committee shall be composed of three (3) persons who have successfully completed special training in the supervision and assessment of the performance of beginning teachers as provided in subsection (8) of this section. The committee shall consist of a resource teacher, the school principal of the school where the internship is served, and a teacher educator ***appointed by***[~~from~~] a state-approved teacher training institution[~~ to be appointed by the president of that institution~~].

(a) If more than two (2) teacher interns are employed in the same school, the principal's responsibility may be shared with an assistant principal who holds certification as a principal.

(b) In unusual situations, the Education Professional Standards Board may permit the assistant principal to serve in lieu of the principal on a beginning teacher committee.

(c) If the teacher training institution is unable to provide a member, the district superintendent shall appoint an instructional supervisor from the school district.

(d) If the intern is teaching in a regionally or nationally accredited nonpublic school without a principal, the person filling the principal member position may have other appropriate qualifications as required by administrative regulations promulgated by the Education Professional Standards Board.

(e) If the teacher training institution is unable to provide a member to serve on the beginning teacher committee in a nonpublic school, the chief officer of the school shall appoint an instructional supervisor or a teacher with like qualifications and responsibilities to serve on the beginning teacher committee in lieu of the teacher educator.

(f) The resource teacher shall be appointed by the Department of Education from a pool of qualified resource teachers, and, any statutes to the contrary notwithstanding and to the extent of available appropriations, shall be entitled to be paid a reasonable stipend by the Department of Education for work done outside normal working hours. In the case of a resource teacher in a nonpublic school, payment shall be made directly to the resource teacher by the Department of Education. Priority shall be given to resource teachers[~~ with the same certification as the teacher intern~~] in the following order:

1. ***Teachers with the same certification in the same school;***

2. ***Teachers with the same certification in the same district;***

3. Teachers in the same school;

4.[~~2.~~] Teachers in the same district; and

Therefore, a vital and valid public purpose of the Commonwealth is served by the creation and implementation of programs which encourage and make possible the attainment of higher education by the greatest number of citizens of the Commonwealth.

(2) The General Assembly finds, declares, and recognizes that the Commonwealth has limited resources to provide additional programs for higher education funding and that the continued operation and maintenance of the institutions of higher education in Kentucky and the general welfare of the citizens and the Commonwealth will be enhanced by creation of a program pursuant to which citizens and others may invest money in a public trust for future application to the payment of higher education costs in the Commonwealth and elsewhere and that the creation of a means of encouragement of citizens in the investment of funds for such future higher education application represents the carrying out of a valid and vital public purpose of the Commonwealth. In order to make available to the citizens of the Commonwealth an opportunity to fund future higher education needs for beneficiaries with certain public assistance, it is necessary that a public trust be established in which the citizens of the Commonwealth and others may invest moneys for future educational use. (4) It is in the best interest of the people of the Commonwealth to establish and provide for the operation of the Kentucky Educational Savings Plan Trust in a manner conforming to federal law that allows participants and beneficiaries federal income taxation benefits on contributions and earnings on contributions expended by the trust for the higher education costs of a beneficiary.

(9) Notwithstanding KRS 164.753(3), the authority shall establish by administrative regulation procedures for the administration of this program, including the execution of appropriate contracts and promissory notes, cancellation of the obligation, repayment of outstanding debt, and the priority of awarding scholarships if funds are insufficient to honor all requests.

Any fund balance at the close of the fiscal year shall not lapse but shall be carried forward to the next fiscal year and continuously appropriated only for the purposes specified in this section. A general statement that all continuing appropriations are repealed, discontinued, or suspended shall not operate to repeal, discontinue, or suspend this fund or to repeal this section.

(12) On or before August 1 of each year, sixty-five percent (65%) of the amount of funding provided in subsection (11)(b) of this section shall be transferred to the special trust fund and the remaining thirty-five percent (35%) shall be transferred on or before December 1 of each year. The revenue transfers shall be based upon the revenue estimates prevailing at the time each transfer is due.

(13) The calculation and transfer of funds under subsection (11) of this section shall be made only after the quarterly installment of the annual nineteen million dollars ($19,000,000) allocation of coal severance tax revenues has been credited to the benefit reserve fund within the Workers' Compensation Funding Commission as required by KRS 342.122.

(16) When an order by the system substantially impairs the benefits or rights of a member, retired member, or recipient, except action which relates to entitlement to disability benefits, the affected member, retired member, or recipient may request a hearing to be held in accordance with KRS Chapter 13B. HB 582, AN ACT relating to the unauthorized switching of a customer's telecommunications provider.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

(1) As used in this section, "telecommunications provider" or "provider" means a person that provides one (1) or more telecommunications services for compensation, and includes a provider of regulated and unregulated intrastate services offered to customers for the transmission of two-way, interactive communications.

(2) A customer of a telecommunications provider shall not be switched to another provider without the written authorization of the customer, indicating that the customer knowingly approved the specific details of the switch. When a customer's service is changed, the new provider shall maintain a record of nonpublic customer-specific information that establishes that the customer authorized the change. To the extent that verification rules are established by the Federal Communications Commission, telecommunications providers shall meet the Federal Communications Commission verification requirements. In any dispute, the burden of proof to show that the customer knowingly authorized the change shall be on the provider that brought about the switch.

(3) If a telecommunications provider initiates a switch of provider that the customer does not want, that provider, upon request by the customer within ninety (90) days after the switch becomes effective, shall reverse the change within five (5) business days.

(4) The customer subjected to a change that is not in writing or is not made or verified consistent with this section or administrative regulations adopted under this section is not responsible for any charges associated with the unauthorized change, including charges for usage subsequent to the change, if the customer contacts, in writing, the customer's local exchange carrier, the customer's previous provider of intrastate service, or the telecommunications provider that initiated an unauthorized change in service within thirty (30) days after receipt of the customer's first bill containing charges by the telecommunications provider that initiated the unauthorized change. A telecommunications provider that has initiated an unauthorized customer change shall:

- *(a) Pay all charges associated with returning the customer to the customer's original telecommunications provider;*
- *(b Return to the customer any amount paid to the provider by the customer or on the customer's behalf; and*
- *(c) Upon request, provide all billing records to the original provider from which the customer was changed to enable the original provider to comply with this section.*

The telecommunications provider that initiated the unauthorized change is responsible for any payment to access providers or to an underlying carrier where applicable. Failure of the customer to provide timely notice will relieve the telecommunications provider that initiated the unauthorized change of any obligations under this subsection.

(5) If the commission finds that a provider has willfully or repeatedly violated this section or an administrative regulation promulgated under it, the commission shall order the provider to take corrective action as necessary. The commission may impose a penalty on the violator as specified in KRS 278.990 (1) and may, if consistent with the public interest, suspend, restrict, or revoke any certificate or registration of the telecommunications provider, thereby denying the provider the authorization to provide telecommunications service in the Commonwealth. The commission also may order the violator pay a penalty, not to exceed five thousand dollars ($5,000), to the customers' original provider.

(6) The commission shall promulgate administrative regulations in accordance with KRS Chapter 13A to implement the

policies of this section.

The Committee Substitute to **HB 582** is as follows:

AN ACT relating to the unauthorized switching of a customer's telecommunications provider.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

(1) As used in this section, "telecommunications provider" or "provider" means a person that provides one (1) or more telecommunications services for compensation, and includes a provider of regulated and unregulated intrastate services offered to customers for the transmission of two-way, interactive communications. "Telecommunications provider" or "provider" does not include a provider of commercial mobile radio services as defined in 47 U.S.C. sec. 332(d)(1).

(2) A customer of a telecommunications provider shall not be switched to another provider without the written or electronically recorded authorization of the customer, indicating that the customer knowingly approved the specific details of the switch. When a customer's service is changed, the new provider shall maintain for one (1) year a record of nonpublic customer-specific information that establishes that the customer authorized the change. In any dispute, the burden of proof to show that the customer knowingly authorized the change shall be on the provider that claims to have obtained customer authorization for the switch.

(3) If a telecommunications provider initiates a switch of provider that the customer has not authorized under this section, that provider, upon request by the customer, shall reverse the change within five (5) business days.

(4) The customer subjected to a change that is not verified consistent with this section or administrative regulations promulgated under this section is not responsible for any charges associated with the unauthorized change, including charges for usage subsequent to the change, if the customer contacts the customer's local exchange carrier, the customer's previous provider of intrastate service, or the telecommunications provider that initiated an unauthorized change in service within one hundred eighty (180) days after receipt of the customer's first bill containing charges by the telecommunications provider that initiated the unauthorized change. A telecommunications provider that has initiated an unauthorized customer change shall:

- *(a) Pay all charges associated with returning the customer to the customer's original telecommunications provider;*
- *(b) Return to the customer any amount paid to the provider by the customer or on the customer's behalf; and*
- *(c) Upon request, provide all billing records to the original provider from which the customer was changed to enable the original provider to comply with this section.*

The telecommunications provider that initiated the unauthorized change is responsible for any payment to access providers or to an underlying carrier where applicable. Failure of the customer to provide timely notice will relieve the telecommunications provider that initiated the unauthorized change of any obligations under this subsection.

(5) If the commission finds that a provider has willfully or repeatedly violated this section or an administrative regulation promulgated under it, the commission shall order the provider to take corrective action as necessary. The commission may impose a penalty on the violator as specified in KRS 278.990 (1), except that the maximum civil penalty to be assessed for each violation of this section shall be ten thousand dollars ($10,000). The commission also may, if consistent with the public interest, suspend, restrict, or revoke any certificate or registration of the telecommunications provider, thereby denying the provider the authorization to provide telecommunications service in the Commonwealth.

(6) The commission shall promulgate administrative regulations in accordance with KRS Chapter 13A to implement the policies of this section.

The Committee Amendment No. 1 to the Committee Substitute to **HB 582** is as follows:

Section 1. KRS 61.592 is amended to read as follows:

(1) ***(a)*** "Hazardous position" means any position whose principal duties involve active law enforcement, including the positions of probation and parole officer and Commonwealth detective, active fire suppression or prevention, or other positions, including, but not limited to, pilots of the Transportation Cabinet and paramedics and emergency medical technicians, with duties that require frequent exposure to a high degree of danger or peril and also require a high degree of physical conditioning.

(b) Hazardous positions shall include positions in the Department of Corrections in state correctional institutions and the Kentucky Correctional Psychiatric Center with duties that regularly and routinely require face-to-face contact with inmates.

(c) Hazardous positions shall include the positions of jailer and deputy jailer for those jailers and deputy jailers who otherwise qualify for retirement benefits with the County Employees Retirement System.

(d) Hazardous positions shall include the positions of sheriff and deputy sheriff for those sheriffs and deputy sheriffs who otherwise qualify for retirement benefits with the County Employees Retirement System.

(2) Each employer may request of the board hazardous duty coverage for those positions as defined in subsection (1) of this section, but a county, narrowly defined as one (1) of Kentucky's one hundred and twenty (120) counties, the provisions of KRS 78.510(3) notwithstanding, shall request hazardous duty coverage for its full-time paid firefighters. Upon request, each employer shall certify to the system, in the manner prescribed by the board, the names of all employees working in a hazardous position as defined in subsection (1) of this section for which coverage is requested. The certification of the employer shall bear the approval of the agent or agency responsible for the budget of the department or county indicating that the required employer contributions have been provided for in the budget of the employing department or county. The system shall determine whether the employees whose names have been certified by the employer are working in positions meeting the definition of a hazardous position as provided by subsection (1) of this section.

The employer may extend the payment schedule to a maximum of thirty (30) years. Payments made by the employer under this subsection shall be deposited to the retirement allowance account of the proper retirement system and these funds shall not be considered accumulated contributions of the individual members. If the employer elects not to make the additional payment, the employee may make the lump-sum payment in his own behalf or may pay by increments. Payments made by the employee under this subsection shall not be picked up, as described in KRS 61.560(4), by the employer. If neither the employer nor employee makes the payment, the service prior to hazardous coverage shall remain nonhazardous.

(4) The normal retirement age, retirement allowance, other benefits, eligibility requirements, rights, and responsibilities of a member in a hazardous position, as prescribed by subsections (1), (2), and (3) of this section, and the responsibilities, rights, and requirements of his employer shall be as prescribed for a member and employer participating in the State Police Retirement System as provided for by KRS 16.510 to 16.652.

HB 757, AN ACT relating to alcoholic beverages.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 242.1292 is amended to read as follows:

(1) The provisions of this section shall be applicable in any city of the second class notwithstanding any other provisions of this chapter relating to the discontinuance of prohibition in any county, city, or territory which may be to the contrary.

(2) In any city of the second class in which prohibition is in effect in all or part of the city, and upon a determination that an economic hardship exists in one (1) or more of the voting precincts of the city in the manner prescribed in subsection ***(11)***[~~(10)~~] of this section, the governing body of the city shall by ordinance designate ***the***[~~such~~] precinct or precincts as a limited sale precinct or precincts and shall provide for an election to be held in ***the***[~~such~~] precinct or precincts to take the sense of the people of each[~~ such~~] precinct as to the discontinuance of prohibition in ***that***[~~such~~] precinct.

(3) The election shall be held in ***the***[~~such~~] precinct or precincts in the manner prescribed in KRS 242.010 to 242.040 and KRS 242.060 to 242.120. ***The***[~~Such~~] election shall not be deemed to be an election in the "same territory" within the meaning of subsection (5) of KRS 242.030;[~~ provided,~~] however,[~~ that~~] no election on the same question shall be held in the same precinct or precincts more often than once every five (5) years.

(4) The question shall be presented to the voters in conformance with the requirements of KRS 242.050 except that the form of the proposition shall be, "Are you in favor of the sale of alcoholic beverages in (official name and designation of precinct)?"

(5) If a majority of the votes cast in any limited sale precinct in which an election is held ***under***[~~pursuant to~~] this section are in favor of the sale of alcoholic beverages in that precinct, the governing body of the city shall by ordinance create or provide for the office of city alcoholic beverage control administrator***.***[~~ and ~~]

(6) The governing body of the city shall adopt ***the***[~~ a~~] comprehensive regulatory ordinance covering the licensing and operation of establishments for the sale ***and distribution*** of alcoholic beverages***, including, but not limited to, distilled spirits and malt beverages,*** within a limited sale precinct ***as set forth in this section. In relation to the ordinances established by a city of the second class under this subsection and subsection (7) of this section, review by the board, if any, shall be limited to a determination that the ordinances do not exceed the sale and distribution limits established by statute, or administrative regulations promulgated by the board under those statutes***. In its discretion the governing body ***shall***[~~may~~] provide ***without review by the board*** that:

(a) Only three (3) licenses permitting the package sale at retail of alcoholic beverages shall be granted within the territorial limits of any limited sale precinct.

(b) Only four (4) licenses to sell alcoholic beverages by the drink for consumption on the premises by the general public shall be granted in any one (1) limited sale precinct. One (1)[~~ such~~] license in each limited sale precinct may be reserved for[~~ grant to~~] any newly established hotel, motel***,*** or inn containing not less than fifty (50) sleeping units and having dining facilities for not less than one hundred (100) persons. The remaining three (3) licenses may be granted to a hotel, motel***,*** or inn meeting the aforestated requirements or to bona fide restaurants open to the general public having dining facilities for not less than one hundred (100) persons***.***[~~; and further provided that~~] Additional licenses to sell alcoholic beverages by the drink for consumption on the premises may be granted to social membership clubs established and maintained for the benefit of members ***of***[~~only by~~] bona fide fraternal or veterans organizations.

(7)[~~(6)~~] The governing body ***of the city*** may also incorporate in the regulatory ordinance ***any***[~~ such~~] other reasonable rules and regulations as ***it deems,***[~~ may be~~] necessary or desirable for the proper administration and enforcement of this section***,***[~~ and~~] for the maintenance of public order in a limited sale precinct, and for the issuance of any licenses permitted by KRS 243.070[~~; provided that any rule or regulation adopted in the regulatory ordinance shall conform to the requirements of KRS 241.190~~].

(8)[~~(7)~~] Notwithstanding any limitations imposed on the city's taxing or licensing power by KRS 243.070***,*** upon the discontinuance of prohibition in any limited sale precinct, the governing body of the city is hereby authorized to impose a regulatory license fee upon the gross receipts of each establishment located therein and licensed to sell alcoholic beverages. The regulatory license fee may be levied at the beginning of each city budget period at ***the***[~~such~~] percentage rate as shall be reasonably estimated to fully reimburse the city for the estimated costs of any additional policing, regulatory or administrative expenses related to the sale of alcoholic beverages in the city. ***The***[~~Such~~] regulatory license fee shall be in addition to any other taxes, fees or licenses permitted by law, but a credit against ***the***[~~such~~] fee shall be allowed in an amount equal to any licenses or fees imposed by the city pursuant to KRS 243.070.

(9)[~~(8)~~] Subject to the limitation imposed by subsection (3) of this section, no provision contained in this section providing for the establishment of a limited sale precinct shall preclude or abridge the right of the constitutionally qualified voters of ***the***[~~such~~] precinct to petition for a subsequent election on the same question.

(10)[~~(9)~~] If an election is held pursuant to other provisions of KRS Chapter 242 in the city or the county in which a limited sale precinct is located for the purpose of taking the sense of the voters upon the question of adopting or repealing prohibition for the entire city or the entire county, the status of ***that***[~~such~~] question in a limited sale precinct shall be determined in the following manner:

(a) The status of a limited sale precinct shall not be affected by any election for the entire city or the entire county if ***the***[~~such~~] limited sale precinct was established less than five (5) years prior to the date of the proposed election for the entire city or the entire county and in such case the voters of any limited sale precinct shall not vote in

the[~~such~~] election.

(b) If ***the***[~~such~~] limited sale precinct was established more than five (5) years prior to the date of the proposed election for the entire city or the entire county, the voters within each limited sale precinct shall be presented with the question, "Are you in favor of continuing the sale of alcoholic beverages in (official name and designation of precinct) as a limited sale precinct?" No other question shall be presented to the voters of any limited sale precinct.

(c) The votes of each limited sale precinct shall be counted separately, and, if a majority of the votes cast in the limited sale precinct are in favor of continuing the sale of alcoholic beverages therein as a limited sale precinct, then ***the***[~~such~~] status shall continue within ***the***[~~such~~] precinct, except that if the city or the county in which the limited sale precinct is located votes against prohibition in the remainder of the city or the county, the limited sale precinct status of any precinct may be terminated by the governing body of the city or the county and thereafter the status of such precinct shall be the same as that in effect for the remainder of the city or the county.

(11)[~~(10)~~] Any precinct located entirely within any city of the second class in which prohibition is in effect in all or part of the city shall be designated as a limited sale precinct by the governing body of the city; provided that:

(a) The governing body determines to its satisfaction that the general trade, business***,*** and economy of one (1) or more of the precincts within the city is substantially***,*** adversely affected by[~~ reason of~~] the legal sale of alcoholic beverages in any neighboring or adjoining state, county, city, town, district***,*** or precinct. For the purpose of making ***this***[~~such~~] determination, the governing body may hold[~~ such~~] hearings, examine[~~ such~~] witnesses***,*** or receive[~~ such~~] evidence as it believes necessary or desirable for ***the***[~~such~~] purpose; or

(b) The governing body receives a petition signed by a number of constitutionally qualified voters of a precinct equal to thirty-three percent (33%) of the votes cast in the precinct at the last preceding general election requesting the governing body of the city to designate such precinct as a limited sale precinct. The petition may consist of one (1) or more separate units and shall be filed with the mayor of the city. In addition to the name of the voter, the petition shall also state his post office address and the correct date upon which his name is signed. Upon receipt of the petition, the mayor shall cause the same to be presented to the governing body of the city at its next regularly scheduled meeting and, after verifying that such petition is in compliance with the requirements of this section, the governing body shall forthwith by ordinance designate the precinct to be a limited sale precinct.

Thank you Speaker Richards and members of the General Assembly for taking the time out of your busy schedules to recognize the Kentucky State Police in its 50th year of service to the citizens of this Commonwealth and to bestow this honor upon our agency.

On July 1, 1948, Governor Earle Clements and the Kentucky General Assembly created the Kentucky State Police. This agency was charged with the mission of protecting life and property, investigating crime and arresting criminals, along with enforcing Kentucky's traffic laws in order to reduce accidents on our roadways.

To this end, I am very proud to proclaim to you that the dedicated men and women of the Kentucky State Police have been very successful in completing their mission. I also want to report to you that mechanisms are in place that will ensure a successful continuation of our mission.

Again, on behalf of all our employees, I want to thank you for this Resolution and assure you that we will continue to uphold the same professional standards, integrity, and proud tradition that have made the Kentucky State Police one of the premier law enforcement agencies in this country. Thank you.

(The foregoing policy provision shall not be so construed as to affect any legal requirement for avoidance of a policy or denial of a claim during ***the***[~~such~~] initial three (3) year period, nor to limit the application of KRS 304.17-190 to 304.17-230, inclusive, in the event of misstatement with respect to age or occupation or other insurance.)

A policy which the insured has the right to continue in force subject to its terms by the timely payment of premium (a) until at least age fifty (50) or (b) in the case of a policy issued after age forty-four (44) for at least five (5) years from its date of issue, may contain in lieu of the foregoing the following provision, from which the clause in parentheses may be omitted at the insurer's option, under the caption "Incontestable":

(b) No claim for loss incurred or disability as defined in the policy commencing after two (2) years from the date of issue of this policy, shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the effective date of coverage of this policy.

(b) "Subject to any written direction of the insured in the application or otherwise all or a portion of any indemnities provided by this policy on account of hospital, nursing, medical, or surgical services may, at the insurer's option and unless the insured requests otherwise in writing not later than the time of filing proofs of ***the***[~~such~~] loss, be paid directly to the hospital or person rendering [~~such~~] services; but it is not required that the service be rendered by a particular hospital or person."

(1) Family expense health insurance is that provided under a policy issued to one (1) of the family members insured, who shall be deemed the policyholder, covering any two (2) or more eligible members of a family, including husband, wife, ***unmarried*** dependent children, ***to age***[~~ or any children under a specified age which shall not exceed~~] nineteen (19)***,*** ***unmarried children from nineteen (19) to twenty-five (25)*** years ***of age who are full time students enrolled in and attending an accredited educational institution and who are primarily dependent on the policyholder for maintenance and support***, and any other person dependent upon the policyholder. Any authorized health insurer may issue ***the***[~~such~~] insurance.

(2) An individual hospital or medical expense insurance policy or hospital or medical service plan contract delivered or issued for delivery in this state more than 120 days after June 13, 1968, which provides that coverage of a dependent child shall terminate upon attainment of the limiting age for dependent children specified in the policy or contract shall also provide in substance that attainment of ***the***[~~such~~] limiting age shall not operate to terminate the coverage of ***the***[~~such~~] child while the child is and continues to be both (a) incapable of self-sustaining employment by reason of mental retardation or physical disability and (b) chiefly dependent upon the policyholder or subscriber for support and maintenance, provided proof of ***the***[~~such~~] incapacity and dependency is furnished to the insurer or corporation by the policyholder or subscriber within thirty-one (31) days of the child's attainment of the limiting age and subsequently as may be required by the insurer or corporation but not more frequently than annually after the two (2) year period following the child's attainment of the limiting age.

Section 22. KRS 304.18-127 is amended to read as follows:

(1) This section shall indicate the insurer responsible for liability in those instances in which one (1) insurer's group policy

replaces the group policy of another insurer.

(2) The prior insurer shall remain liable only to the extent of its accrued liabilities, extensions of benefits, and for persons who are under continued group health insurance coverage pursuant to KRS 304.18-110 at the time the group policy terminates. The position of the prior insurer shall be the same whether the group policyholder secures replacement coverage from a new insurer, self insures, or forgoes the provision of a group policy, except that termination of continued group health insurance coverage shall occur in accordance with KRS 304.18-110.

(3) The liability of a succeeding insurer shall be as follows:

(a) Each person who is eligible for coverage in accordance with the succeeding insurer's plan of benefits, in respect to classes eligible, ***actively***[~~activity~~] at work, and nonconfinement rules, shall be covered by that insurer's plan of benefits.

(b) Each person not covered under the succeeding insurer's plan of benefits in accordance with paragraph (a) of this subsection shall nevertheless be covered by the succeeding insurer in accordance with the following provisions if the person was validly covered, including benefit extensions, under the prior insurer on the date of termination of the prior insurer's group policy and if the person is a member of the class or classes of persons eligible for coverage under the succeeding insurer's plan. Any reference in the following provisions to a person who was or was not totally disabled shall be a reference to that person's status immediately prior to the date the succeeding insurer's coverage becomes effective.

1. The minimum level of benefits to be provided by the succeeding insurer shall be the applicable level of benefits of the prior insurer's group policy reduced by any benefits payable by the prior insurer under its group policy.

2. Coverage shall be provided by the succeeding insurer until at least the earliest of the following dates:

a. The date the person becomes insured according to paragraph (a) of this subsection;

b. For each type of coverage, the date the person's coverage would terminate in accordance with the succeeding insurer's group policy provisions applicable to individual termination of coverage; or

c. In the case of a person who was totally disabled and the type of coverage is one for which KRS 304.18-126 requires an extension of accrued liability, the end of extension of accrued liability which is required of the prior insurer by KRS 304.18-126, or, if the prior insurer's group policy is not subject to KRS 304.18-126, would have been required of that insurer had its group policy been subject to KRS 304.18-126 at the time the prior insurer's group policy was discontinued and replaced by the succeeding insurer's plan.

(c) In the case of a pre-existing conditions limitation in the succeeding insurer's group policy, the level of benefits applicable to pre-existing conditions of persons becoming covered by the succeeding insurer's plan in accordance with this subsection during the period of time this limitation applies under the succeeding insurer's group policy shall be the lesser of:

1. The benefits of the succeeding insurer's group policy determined without application of the pre-existing conditions limitation; or

2. The benefits of the prior insurer's group policy.

(d) The succeeding insurer, in applying any deductibles or waiting periods in its plan, shall give credit for the satisfaction or partial satisfaction of the same or similar provisions under a prior group policy. In the case of deductible provisions, the credit shall apply for the same or overlapping benefit periods and shall be given for expenses actually incurred and applied against the deductible provisions of the prior insurer's group policy during the ninety (90) days preceding the effective date of the succeeding insurer's group policy, but only to the extent these expenses are recognized under the terms of the succeeding insurer's group policy and are subject to similar deductible provisions.

(e) If a determination of the prior insurer's benefit is required by the succeeding insurer, at the succeeding insurer's request the prior insurer shall furnish a statement of the benefits available or pertinent information sufficient to permit verification of the benefit determination or the determination itself by the succeeding insurer. For purposes of this section, benefits of the prior insurer's group policy shall be determined in accordance with all of the definitions, conditions, and covered expense provisions of the prior insurer's group policy rather than those of the succeeding insurer's group policy. The benefit determination shall be made as if coverage had not been replaced by the succeeding insurer.

Section 23. KRS 304.20-040 is amended to read as follows:

(1) As used in this section:

1. A motor vehicle of the private passenger or station wagon type that is not used as a public or livery conveyance for passengers, nor rented to others;

2. Any other four-wheel motor vehicle with a load capacity of fifteen hundred (1,500) pounds or less which is not used in the occupation, profession, or business of the insured; provided, however, that this section shall not apply:

   a. To any policy issued under an automobile assigned risk plan;

   b. To any policy insuring more than four (4) automobiles; or

   c. To any policy covering garage, automobile sales agency, repair shop, service station, or public parking place operation hazards;

(b) "Automobile liability insurance policy" includes only coverage for bodily injury and property damage liability, basic reparations benefits, and the provisions therein, if any, relating to medical payments, uninsured motorists coverage, and automobile physical damage coverage;

(c) "Renewal" or "to renew" means the issuance and delivery by an insurer of a policy replacing at the end of the policy period a policy previously issued and delivered by the same insurer, or the issuance and delivery of a certificate or notice extending the term of a policy beyond its policy period or term; provided, however, that any policy with a policy period or term of less than three (3) months shall for the purpose of this section be considered as if written for a policy period or term of three (3) months. Provided, further, that any policy written for a term longer than one (1) year or any policy with no fixed expiration date, shall for the purpose of this section, be considered as if written for successive policy periods or terms of one (1) year, and ***the***~~[such]~~ policy may be terminated at the expiration of any annual period upon giving seventy-five (75) days' notice of cancellation prior to ***the***~~[such]~~ anniversary date, and ***the***~~[such]~~ cancellation shall not be subject to any other provisions of this section; and

(d) "Nonpayment of premium" means failure of the named insured to discharge when due any of his obligations in connection with the payment of premiums on a policy, or any installment of ***the***~~[such]~~ premium, whether the premium is payable directly to the insurer or its agent or indirectly under any premium finance plan or extension of credit.

(2) (a) A notice of cancellation of a policy shall be effective only if it is based on one (1) or more of the following reasons:

1. Nonpayment of premium; or

2. The driver's license or motor vehicle registration of the named insured or of any other operator who either resides in the same household or customarily operates an automobile insured under the policy has been under suspension or revocation during the policy period or, if the policy is a renewal, during its policy period or the one hundred eighty (180) days immediately preceding its effective date;

(b) This subsection shall not apply to any policy or coverage which has been in effect less than sixty (60) days at the time notice of cancellation is mailed or delivered by the insurer unless it is a renewal policy;

(c) Modification of automobile physical damage coverage by the inclusion of a deductible not exceeding one hundred dollars ($100) shall not be deemed a cancellation of the coverage or of the policy; and

(d) This subsection shall not apply to nonrenewal.

(3) No notice of cancellation of a policy to which subsection (2) of this section applies shall be effective unless mailed or delivered by the insurer to the named insured at least twenty (20) days prior to the effective date of cancellation; provided, however, that where cancellation is for nonpayment of premium at least fourteen (14) days' notice of cancellation accompanied by the reason therefor shall be given. This subsection shall not apply to renewals.

(4) No insurer shall refuse to renew a policy of automobile insurance solely because of the age of the insured.

(5) No insurer shall fail to renew a policy unless it shall mail or deliver to the named insured, at the address shown in the policy, at least seventy-five (75) days' advance notice of its intention not to renew.

(6) Renewal of a policy shall not constitute a waiver or estoppel with respect to grounds for cancellation which existed before the effective date of ***the***~~[such]~~ renewal.

(7) If the insurer has manifested its willingness to renew by mailing or delivering a renewal notice, bill, certificate, or policy to the first-named insured at his last known address at least thirty (30) days before the end of the current policy period with the amount of the renewal premium charge and its due date clearly set forth therein, then the policy shall expire and terminate without further notice to the insured on the due date, unless the renewal premium is received by the insurer or its authorized agent on or before that date. When any policy terminates pursuant to this subsection because the renewal premium was not received on or before the due date, the insurer shall, within fifteen (15) days, deliver or mail to the first-named insured at his last known address a notice that the policy was not renewed and the date on which the coverage under it ceased to exist.

(8) (a) Proof of mailing of renewal premium to the insurer or its agent, when authorized, on or before the due date, shall constitute a presumption of receipt pursuant to subsection (7) of this section.

(b) Proof of mailing of notice of cancellation or of intention not to renew or of reasons for cancellation or nonrenewal to the named insured at the address shown in the policy, shall be sufficient proof of notice.

(9) No insurer shall impose or request an additional premium higher than its standard premium for automobile insurance, cancel or refuse to issue a policy, or refuse to renew a policy solely because the insured or the applicant is an individual with a disability, so long as the disability does not substantially impair the person's mechanically assisted driving ability.

(10) When an automobile liability insurance policy is canceled other than for nonpayment of premium, or in the event of failure to renew a policy of automobile liability insurance to which subsection (5) of this section applies, the insurer shall notify the named insured of his possible eligibility for automobile liability insurance coverage through the Kentucky automobile assigned risk plan. ***The***[~~Such~~] notice shall accompany or be included in the notice of cancellation or the notice of intent not to renew. ***The***[~~Such~~] notice shall also inform the insured that he may, within four (4) days, request the commissioner in writing to determine whether there is sufficient reason to cancel or not to renew the policy. Within fourteen (14) days of receiving such a written request, the commissioner shall send his findings to the insurer and to the insured. When he sends his findings, the commissioner shall notify both parties of their right to request a hearing under KRS 304.2-310(2)(b). The party requesting the hearing shall give the commissioner written confirmation of attendance at the hearing not more than ***five (5)***[~~four (4)~~] days before, nor less than ***forty-eight (48)***[~~twenty-four (24)~~] hours before, the scheduled hearing. If the requesting party fails to give the required written confirmation, the commissioner shall cancel the hearing.

(11) The reason for nonrenewal or cancellation shall accompany or be included in the notice of nonrenewal or cancellation.

(12) Except where the maximum limits of coverage have been purchased, every notice of first renewal shall include a provision or be accompanied by a notice stating in substance that added uninsured motorists, underinsured motorists, and personal injury protection coverages may be purchased by the insured.

(13) There shall be no liability on the part of and no cause of action of any nature shall arise against the commissioner or against any insurer, its authorized representative, its agents, its employees, or any firm, person, or corporation furnishing to the insurer information as to reasons for cancellation or nonrenewal, for any statement made by any of them in any written notice of cancellation or nonrenewal, or in any other communication, oral or written, specifying the reasons for cancellation or nonrenewal, or the providing of information pertaining thereto, or for statements made or evidence submitted at any hearings conducted in connection therewith.

Such liability shall be as stated in the articles of incorporation, but shall not be less than one (1) or more than six (6) times the premium for member's policy at the annual premium rate for a term of one (1) year.

(e) The names and residence addresses of the incorporators.

(4) Unless otherwise provided in the articles of incorporation or an amendment thereto, each stockholder of a combined stock and mutual life insurance company shall, at all meetings, be entitled to one (1) vote for each share of common stock held by him, and each holder of a policy entitled to participate in profits or savings shall be a member and, as such, shall be entitled to vote on the same basis to which he would be entitled in a mutual company under KRS 304.24-210.

A policy which the insured has the right to continue in force subject to its terms by the timely payment of premium (a) until at least age fifty (50) or (b) in the case of a policy issued after age forty-four (44) for at least five (5) years from its date of issue, may contain in lieu of the foregoing the following provision, from which the clause in parentheses may be omitted at the insurer's option, under the caption "Incontestable":

Any authorized health insurer may issue ***the***~~[such]~~ insurance.

(2) An individual hospital or medical expense insurance policy or hospital or medical service plan contract delivered or issued for delivery in this state more than 120 days after June 13, 1968, which provides that coverage of a dependent child shall terminate upon attainment of the limiting age for dependent children specified in the policy or contract shall also provide in substance that attainment of ***the***~~[such]~~ limiting age shall not operate to terminate the coverage of ***the***~~[such]~~ child while the child is and continues to be both (a) incapable of self-sustaining employment by reason of mental retardation or physical disability and (b) chiefly dependent upon the policyholder or subscriber for support and maintenance, provided proof of ***the***~~[such]~~ incapacity and dependency is furnished to the insurer or corporation by the policyholder or subscriber within thirty-one (31) days of the child's attainment of the limiting age and subsequently as may be required by the insurer or corporation but not more frequently than annually after the two (2) year period following the child's attainment of the limiting age.

Section 22. KRS 304.18-127 is amended to read as follows:

(1) This section shall indicate the insurer responsible for liability in those instances in which one (1) insurer's group policy replaces the group policy of another insurer.

(2) The prior insurer shall remain liable only to the extent of its accrued liabilities, extensions of benefits, and for persons who are under continued group health insurance coverage pursuant to KRS 304.18-110 at the time the group policy terminates. The position of the prior insurer shall be the same whether the group policyholder secures replacement coverage from a new insurer, self insures, or forgoes the provision of a group policy, except that termination of continued group health insurance coverage shall occur in accordance with KRS 304.18-110.

(3) The liability of a succeeding insurer shall be as follows:

(a) Each person who is eligible for coverage in accordance with the succeeding insurer's plan of benefits, in respect to classes eligible, ***actively***[~~activity~~] at work, and nonconfinement rules, shall be covered by that insurer's plan of benefits.

(b) Each person not covered under the succeeding insurer's plan of benefits in accordance with paragraph (a) of this subsection shall nevertheless be covered by the succeeding insurer in accordance with the following provisions if the person was validly covered, including benefit extensions, under the prior insurer on the date of termination of the prior insurer's group policy and if the person is a member of the class or classes of persons eligible for coverage under the succeeding insurer's plan. Any reference in the following provisions to a person who was or was not totally disabled shall be a reference to that person's status immediately prior to the date the succeeding insurer's coverage becomes effective.

1. The minimum level of benefits to be provided by the succeeding insurer shall be the applicable level of benefits of the prior insurer's group policy reduced by any benefits payable by the prior insurer under its group policy.

2. Coverage shall be provided by the succeeding insurer until at least the earliest of the following dates:

a. The date the person becomes insured according to paragraph (a) of this subsection;

b. For each type of coverage, the date the person's coverage would terminate in accordance with the succeeding insurer's group policy provisions applicable to individual termination of coverage; or

c. In the case of a person who was totally disabled and the type of coverage is one for which KRS 304.18-126 requires an extension of accrued liability, the end of extension of accrued liability which is required of the prior insurer by KRS 304.18-126, or, if the prior insurer's group policy is not subject to KRS 304.18-126, would have been required of that insurer had its group policy been subject to KRS 304.18-126 at the time the prior insurer's group policy was discontinued and replaced by the succeeding insurer's plan.

(c) In the case of a pre-existing conditions limitation in the succeeding insurer's group policy, the level of benefits applicable to pre-existing conditions of persons becoming covered by the succeeding insurer's plan in accordance with this subsection during the period of time this limitation applies under the succeeding insurer's group policy shall be the lesser of:

1. The benefits of the succeeding insurer's group policy determined without application of the pre-existing conditions limitation; or

2. The benefits of the prior insurer's group policy.

(d) The succeeding insurer, in applying any deductibles or waiting periods in its plan, shall give credit for the satisfaction or partial satisfaction of the same or similar provisions under a prior group policy. In the case of deductible provisions, the credit shall apply for the same or overlapping benefit periods and shall be given for expenses actually incurred and applied against the deductible provisions of the prior insurer's group policy during the ninety (90) days preceding the effective date of the succeeding insurer's group policy, but only to the extent these expenses are recognized under the terms of the succeeding insurer's group policy and are subject to similar deductible provisions.

(e) If a determination of the prior insurer's benefit is required by the succeeding insurer, at the succeeding insurer's request the prior insurer shall furnish a statement of the benefits available or pertinent information sufficient to permit verification of the benefit determination or the determination itself by the succeeding insurer. For purposes of this section, benefits of the prior insurer's group policy shall be determined in accordance with all of the definitions, conditions, and covered expense provisions of the prior insurer's group policy rather than those of the succeeding insurer's group policy. The benefit determination shall be made as if coverage had not been replaced by the succeeding insurer.

(1) As used in this section:

1. A motor vehicle of the private passenger or station wagon type that is not used as a public or livery conveyance for passengers, nor rented to others;

2. Any other four-wheel motor vehicle with a load capacity of fifteen hundred (1,500) pounds or less which is not used in the occupation, profession, or business of the insured; provided, however, that this section shall not apply:

a. To any policy issued under an automobile assigned risk plan;

b. To any policy insuring more than four (4) automobiles; or

c. To any policy covering garage, automobile sales agency, repair shop, service station, or public parking place operation hazards;

(b) "Automobile liability insurance policy" includes only coverage for bodily injury and property damage liability, basic reparations benefits, and the provisions therein, if any, relating to medical payments, uninsured motorists coverage, and automobile physical damage coverage;

(c) "Renewal" or "to renew" means the issuance and delivery by an insurer of a policy replacing at the end of the policy period a policy previously issued and delivered by the same insurer, or the issuance and delivery of a certificate or notice extending the term of a policy beyond its policy period or term; provided, however, that any policy with a policy period or term of less than three (3) months shall for the purpose of this section be considered as if written for a policy period or term of three (3) months. Provided, further, that any policy written for a term longer than one (1) year or any policy with no fixed expiration date, shall for the purpose of this section, be considered as if written for successive policy periods or terms of one (1) year, and ***the***~~[such]~~ policy may be terminated at the expiration of any annual period upon giving seventy-five (75) days' notice of cancellation prior to ***the***~~[such]~~ anniversary date, and ***the***~~[such]~~ cancellation shall not be subject to any other provisions of this section; and

(d) "Nonpayment of premium" means failure of the named insured to discharge when due any of his obligations in connection with the payment of premiums on a policy, or any installment of ***the***~~[such]~~ premium, whether the premium is payable directly to the insurer or its agent or indirectly under any premium finance plan or extension of credit.

(2) (a) A notice of cancellation of a policy shall be effective only if it is based on one (1) or more of the following reasons:

1. Nonpayment of premium; or

2. The driver's license or motor vehicle registration of the named insured or of any other operator who either resides in the same household or customarily operates an automobile insured under the policy has been under suspension or revocation during the policy period or, if the policy is a renewal, during its policy period or the one hundred eighty (180) days immediately preceding its effective date;

(b) This subsection shall not apply to any policy or coverage which has been in effect less than sixty (60) days at the time notice of cancellation is mailed or delivered by the insurer unless it is a renewal policy;

(c) Modification of automobile physical damage coverage by the inclusion of a deductible not exceeding one hundred dollars ($100) shall not be deemed a cancellation of the coverage or of the policy; and

(d) This subsection shall not apply to nonrenewal.

(3) No notice of cancellation of a policy to which subsection (2) of this section applies shall be effective unless mailed or delivered by the insurer to the named insured at least twenty (20) days prior to the effective date of cancellation; provided, however, that where cancellation is for nonpayment of premium at least fourteen (14) days' notice of cancellation accompanied by the reason therefor shall be given. This subsection shall not apply to renewals.

(4) No insurer shall refuse to renew a policy of automobile insurance solely because of the age of the insured.

(5) No insurer shall fail to renew a policy unless it shall mail or deliver to the named insured, at the address shown in the policy, at least seventy-five (75) days' advance notice of its intention not to renew.

(6) Renewal of a policy shall not constitute a waiver or estoppel with respect to grounds for cancellation which existed before the effective date of ***the***~~[such]~~ renewal.

(7) If the insurer has manifested its willingness to renew by mailing or delivering a renewal notice, bill, certificate, or policy to the first-named insured at his last known address at least thirty (30) days before the end of the current policy period with the amount of the renewal premium charge and its due date clearly set forth therein, then the policy shall expire and terminate without further notice to the insured on the due date, unless the renewal premium is received by the insurer or its authorized agent on or before that date. When any policy terminates pursuant to this subsection because the renewal premium was not received on or before the due date, the insurer shall, within fifteen (15) days, deliver or mail to the first-named insured at his last known address a notice that the policy was not renewed and the date on which the coverage under it ceased to exist.

(8) (a) Proof of mailing of renewal premium to the insurer or its agent, when authorized, on or before the due date, shall constitute a presumption of receipt pursuant to subsection (7) of this section.

(b) Proof of mailing of notice of cancellation or of intention not to renew or of reasons for cancellation or nonrenewal to the named insured at the address shown in the policy, shall be sufficient proof of notice.

(9) No insurer shall impose or request an additional premium higher than its standard premium for automobile insurance, cancel or refuse to issue a policy, or refuse to renew a policy solely because the insured or the applicant is an individual

with a disability, so long as the disability does not substantially impair the person's mechanically assisted driving ability.

(10) When an automobile liability insurance policy is canceled other than for nonpayment of premium, or in the event of failure to renew a policy of automobile liability insurance to which subsection (5) of this section applies, the insurer shall notify the named insured of his possible eligibility for automobile liability insurance coverage through the Kentucky automobile assigned risk plan. ***The***[~~Such~~] notice shall accompany or be included in the notice of cancellation or the notice of intent not to renew. ***The***[~~Such~~] notice shall also inform the insured that he may, within four (4) days, request the commissioner in writing to determine whether there is sufficient reason to cancel or not to renew the policy. Within fourteen (14) days of receiving such a written request, the commissioner shall send his findings to the insurer and to the insured. When he sends his findings, the commissioner shall notify both parties of their right to request a hearing under KRS 304.2-310(2)(b). The party requesting the hearing shall give the commissioner written confirmation of attendance at the hearing not more than ***five (5)***[~~four (4)~~] days before, nor less than ***forty-eight (48)***[~~twenty-four (24)~~] hours before, the scheduled hearing. If the requesting party fails to give the required written confirmation, the commissioner shall cancel the hearing.

(11) The reason for nonrenewal or cancellation shall accompany or be included in the notice of nonrenewal or cancellation.

(12) Except where the maximum limits of coverage have been purchased, every notice of first renewal shall include a provision or be accompanied by a notice stating in substance that added uninsured motorists, underinsured motorists, and personal injury protection coverages may be purchased by the insured.

(13) There shall be no liability on the part of and no cause of action of any nature shall arise against the commissioner or against any insurer, its authorized representative, its agents, its employees, or any firm, person, or corporation furnishing to the insurer information as to reasons for cancellation or nonrenewal, for any statement made by any of them in any written notice of cancellation or nonrenewal, or in any other communication, oral or written, specifying the reasons for cancellation or nonrenewal, or the providing of information pertaining thereto, or for statements made or evidence submitted at any hearings conducted in connection therewith.

Section 6. KRS 186.570 is amended to read as follows:

(1) The cabinet or its agent designated in writing for that purpose may deny any person an operator's license or may suspend the operator's license of any person, or, in the case of a nonresident, withdraw the privilege of operating a motor vehicle in this state, subject to a hearing and with or without receiving a record of conviction of that person of a crime, if the cabinet has reason to believe that:

(a) That person has committed any offenses for the conviction of which mandatory revocation of a license is provided by KRS 186.560.

(b) That person has, by reckless or unlawful operation of a motor vehicle, caused, or contributed to an accident resulting in death or injury or serious property damage.

(c) That person has a mental or physical disability that makes it unsafe for him to drive upon the highways. The Transportation Cabinet shall, by administrative regulations promulgated pursuant to KRS Chapter 13A, establish a medical review board to provide technical assistance in the review of the driving ability of these persons. The board shall consist of licensed medical and rehabilitation specialists. The non-state government members of the Medical Review Board shall be paid a fee of one hundred dollars ($100) per day plus reasonable expenses for performing this service.

(d) That person is an habitually reckless or negligent driver of a motor vehicle or has committed a serious violation of the motor vehicle laws.

(e) That person has been issued a license without making proper application for it, as provided in KRS 186.412 and administrative regulations promulgated pursuant to KRS Chapter 13A.

(f) A person required by KRS 186.480 to take an examination has been issued a license without first having passed the examination.

(g) That person has been convicted of assault and battery resulting from the operation of a motor vehicle.

(h) That person has failed to appear pursuant to a citation or summons issued by a law enforcement officer of this Commonwealth or any other jurisdiction.

(i) That person has failed to appear pursuant to an order by the court to produce proof of security required by KRS 304.39-010 and a receipt showing that a premium for a minimum policy period of six (6) months has been paid.

~~[(j) That person has failed to provide proof of motor vehicle security pursuant to KRS 186A.040.]~~

(2) The cabinet shall deny any person a license or shall suspend the license of an operator of a motor vehicle upon receiving written notification from the Cabinet for Human Resources that the person has a child support arrearage which equals or exceeds the cumulative amount which would be owed after one (1) year of nonpayment; except that any child support arrearage which exists prior to January 1, 1994, shall not be included in the calculation to determine whether the license of an operator of a motor vehicle shall be denied or suspended. The denial or suspension shall continue until the arrearage has been eliminated, or payments on the child support arrearage are being made in accordance with a court or administrative order. Before the license may be reinstated, proof of elimination of the child support arrearage from the Cabinet for Human Resources shall be received by the Transportation Cabinet as prescribed by administrative regulations promulgated by the Cabinet for Human Resources and the Transportation Cabinet.

(3) The cabinet or its agent designated in writing for that purpose shall provide any person subject to the suspension, revocation, or withdrawal of their driving privileges, under provisions of this section, an informal hearing. Upon determining that the action is warranted, the cabinet shall notify the person in writing by mailing the notice to the person by first class mail to the last known address of the person. The hearing shall be automatically waived if not requested within twenty (20) days after the cabinet mails the notice. The hearing shall be scheduled as early as practical within twenty (20) days after receipt of the request at a time and place designated by the cabinet. An aggrieved party may appeal a decision rendered as a result of an informal hearing, and upon appeal an administrative hearing shall be conducted in accordance with KRS Chapter 13B.

(4) The cabinet may suspend the operator's license of any resident upon receiving notice of the conviction of that person in

another state of an offense there which if committed in this state would be grounds for the suspension or revocation of an operator's license. If a person so convicted is not the holder of a Kentucky operator's license, the cabinet shall deny him a license for the same period as if he had possessed a license and license had been suspended. The cabinet may, upon receiving a record of the conviction in this state of a nonresident driver of a motor vehicle of any offense under the motor vehicle laws, forward a notice of that person's conviction to the proper officer in the state of which the convicted person is a resident.

(5) The Transportation Cabinet is forbidden from suspending or revoking an operator's license or assessing points or any other form of penalty against the license holder for speeding violations or speeding convictions from other states. This subsection shall apply only to speeding violations. This section shall not apply to a commercial driver's license.

(6) Each operator's license which has been canceled, suspended, or revoked shall be surrendered to and retained by the cabinet. At the end of the period of cancellation, suspension, or revocation the license may be returned to the licensee after he has complied with all requirements for the issuance or reinstatement of his driving privilege.

(7) Insurance companies issuing motor vehicle policies in the Commonwealth shall be prohibited from raising a policyholder's rates solely because the policyholder's driving privilege has been suspended or denied pursuant to subsection (2) of this section.

Section 7. KRS 186A.035 is amended to read as follows:

(1) All motor vehicles, including motorcycles, with a gross vehicular weight of six thousand (6,000) pounds or less, first registered, or for which the registration is renewed in this state on or after January 1, 1983, shall be placed in a system of year-round registration based upon the birth month of the owner, in order to distribute the work of registering motor vehicles as uniformly as practicable throughout the twelve (12) months of the year.

(2) If the owner of a motor vehicle is other than an individual, the month in which the owning entity came into being shall be used for purposes of this section. If a motor vehicle is jointly owned, the owners shall indicate to the county clerk the birth month of one (1) of them to be used for purposes of this section. In addition, if a motor vehicle is jointly owned by a husband and wife, the ownership shall exist as a joint tenancy with right of survivorship, unless the registration expressly states to the contrary and gives an alternative specific status. Upon the death of one (1) of the spouses, the jointly-owned vehicle shall transfer to the surviving spouse free from payment of any state-required transferral fees.

(3) The certificate of registration and license plate issued for a motor vehicle first registered, renewed, or titled in this state on or after January 1, 1983, shall be valid, unless ***revoked in accordance with Section 1 of this Act or*** canceled by the cabinet in accordance with KRS Chapter 186 or this chapter, upon payment of the required fee, for a period beginning on the first day of the month of the year in which registration is applied for, and expiring on the last day of the next birth month of the owner following the month during which registration is applied for. Upon the owner's request, and after payment of the proper prorated fee, an owner may obtain a certificate of registration and license plate valid through the last day of his second birth month following the month and year in which he applied for a certificate of registration. Any transaction relating to registration or registration renewal which would cause an unexpired Kentucky motor vehicle license plate to be surrendered shall have that unexpired fee prorated or credited against any additional fee required by a subsequent registration.

(4) After a motor vehicle has been initially placed in the system of year-round registration, the owner shall renew the registration annually during the owner's birth month, by making application to the county clerk and paying the fee required for twelve (12) consecutive months of registration, which shall take effect on the first day of the month succeeding the owner's birth month and shall expire on the last day of the owner's next birth month. The county clerk shall be entitled to a registration fee of two dollars ($2) for each registration, or if the registration exceeds a twelve (12) month period the clerk shall receive a fee of three dollars ($3).

(5) At least forty-five (45) days prior to the expiration of the registration of any motor vehicle previously registered in the Commonwealth as provided by subsection (1) of this section, the owner of the vehicle shall be notified by mail on the same notice required by KRS 134.805(5) of the date of expiration. Any registration renewal or vehicle transfer notice by mail shall require payment of an additional one dollar ($1) fee which shall be received by the county clerk. Nonreceipt of the notice required by this subsection shall not constitute a defense to any registration related offense.

(6) Any owner who fails to renew the registration of a motor vehicle during the month in which the previous registration expired, shall, if he applies for renewal of the registration in some later month, pay the same fees that would have been required if the registration had been renewed in the month which the previous registration expired.

(7) Fees which must be prorated in carrying out the intent of this section shall be prorated on the basis of twelfths of the annual registration fee. Any vehicle which is registered at any time during a month shall pay the fee required for that whole month plus any additional months of registration purchased consistent with the intent of the section.

(8) The county clerk shall ensure that the certificate of registration issued to an owner displays the month and year in which the registration period begins and the month and year of its expiration, and shall issue to the owner a decal or decals corresponding to the month and year of expiration shown in the certificate of registration which shall be placed upon the corresponding license plate by the owner in the manner required by administrative regulations of the Department of

Vehicle Regulation.

Section 8. KRS 304.99-060 is amended to read as follows:

(1) The owner or operator of any vehicle who fails to have in full force and effect the security required by Subtitle 39 of this chapter shall:

  (a) Be fined not less than five hundred dollars ($500) nor more than one thousand dollars ($1,000), or sentenced to not more than ninety (90) days in jail, or both;

  (b) Have the ***registration of the motor vehicle revoked and the*** license plates of the vehicle suspended for a period of one (1) year or until such time as proof, in a form satisfactory to the commissioner, is furnished that the security is then and will remain in effect; and

  (c) For the second and each subsequent offense within any five (5) year period, have his operator's license revoked in accordance with KRS 186.560, and may be sentenced to one hundred and eighty (180) days in jail, or fined not less than one thousand dollars ($1,000) nor more than two thousand five hundred dollars ($2,500), or both.

(2) Penalties under subsection (1) of this section for the first offense are subject to conditional discharge, suspension, or other forms of reduction of penalty by judicial discretion upon production of proof of security.

(3) For the second and each subsequent offense, minimum fines, suspensions, and penalties under subsection (1) of this section are subject to conditional discharge, suspension, or other forms of reduction of penalty, by judicial discretion only upon production of proof of security and a receipt showing that a premium for a minimum policy period of six (6) months has been paid.

(4) Upon expiration of the minimum six (6) month policy period, the court shall order the vehicle owner to appear before it to verify renewal of the security required by Subtitle 39 of this chapter by production of proof of security and a receipt showing that a premium for a minimum six (6) month policy period has been paid.

(5) Failure to appear shall result in the suspension of the vehicle owner's operator's license pursuant to KRS 186.570.

(6) Unless uninterrupted coverage is maintained, cancellation or expiration of the procured security before the end of the minimum six (6) month policy period shall be a Class B misdemeanor.

(7) Unless the requirement of subsection (4) of this section is satisfied, the court shall revoke any conditional discharge, suspension, or other form of reduction of penalty granted under subsection (3) of this section.

The titled pledge lender shall maintain a completed and signed copy of the disclosure statement on file for two (2) years subsequent to the maturity date of the title pledge lending transaction. Failure to maintain a copy shall be conclusive proof that the title pledge lender did not furnish a statement to the pledgor.

SECTION 13. A NEW SECTION OF KRS CHAPTER 368 IS CREATED TO READ AS FOLLOWS:

(1) There shall be a grace period on all title pledge lending transactions. On transactions involving titled personal property, including motor vehicle certificates of title, the grace period shall be thirty (30) days. In the event that the last day of the grace period falls on a day on which the title pledge lender is not open for business, the grace period shall be extended through the first day the title pledge lender is open for business. The title pledge lender shall not sell the pledged titled personal property during the grace period.

(2) By agreement of the parties, the maturity date of the title pledge lending transaction may be extended or continued for thirty (30) day periods, provided that the interest rates and charges as specified in subsections (3) and (4) of Section 8 and Section 12 of this Act and this section are not exceeded. The grace period shall begin running on the first day following the maturity date of the title pledge lending transaction or on the first day following the expiration of any extension or continuation of the title pledge lending transaction, whichever occurs later. All extensions or continuations of the title pledge lending transaction shall be evidenced in writing and a copy given to the pledgor.

(3) Pledged titled personal property may be redeemed by the pledgor within the grace period by the payment of any unpaid accrued fees and charges, the repayment of the principal, and the payment of any additional interest charge not to exceed ten percent (10%) of the principal. Pledged titled personal property not redeemed within the grace period shall be automatically forfeited to the title pledge lender by operation of this section, and any ownership interest of the pledgor shall automatically be extinguished as regards the pledged titled personal property.

(4) Following the expiration of the grace period, the title pledge lender shall have a period of sixty (60) days to sell, in a commercially reasonable manner, the pledged titled personal property. The proceeds of the commercially reasonable sale shall be applied to the principal, interest, and all fees owed by the pledgor to the title pledge lender. Any surplus amounts shall be remitted to the pledgor. There shall be no further interest charged to the pledgor from the commencement of the sixty (60) day period.

(5) Any attempt to circumvent the interest rates and charges as specified in subsections (3) and (4) of Section 8 and Section 12 of this Act and this section shall be null and void. A title pledge lending transaction shall be considered to have been extended or continued unless:

(a) All charges, fees, and the principal have actually been paid or repaid on the previous title pledge lending transaction;

(b) The pledged titled personal property in the previous transaction, including a motor vehicle certificate of title, has actually been restored to the possession of the pledgor; and

The notice shall be actual notice but may be by personal service or by service by certified mail.

(3) The personal property found in the motor vehicle shall be redeemed by the owner without paying any fee, interest, charge, or other amount, other than any reasonable expense as set forth in subsection (1) of this section.

(4) If the personal property found in the motor vehicle is not redeemed within thirty (30) days from the date of the first notice, a second notice shall be sent in the same manner as provided in (2) of this section.

(5) If the personal property found in the motor vehicle is not redeemed within thirty (30) days from the date of the second notice the personal property found in the motor vehicle may be disposed of in the manner most expeditious to the depository without further liability, and the proceeds shall be applied to the principal, interest, and all fees owed by the pledgor to the title pledge lender. Any surplus amount shall be remitted to the pledgor.

The department shall give the licensee at least twenty (20) days' written notice of the time and place of a hearing by certified mail addressed to the principal place of business of the licensee. Hearings shall be conducted in accordance with KRS Chapter 13B.

SECTION 16. A NEW SECTION OF KRS CHAPTER 368 IS CREATED TO READ AS FOLLOWS:

(1) Every person who knowingly violates any of the provisions of Sections 1 to 16 of this Act, is guilty of a Class A misdemeanor.

HB 684, AN ACT relating to insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 304.42-020 is amended to read as follows:

The purpose of this subtitle is to protect ***the persons specified in subsection (1) of Section 2 of this Act***~~[policy owners, insureds, beneficiaries, annuitants, payees, and assignees of life insurance policies, health insurance policies, annuity contracts, and supplemental contracts]~~, subject to certain limitations, against failure in the performance of contractual obligations ***under life and health insurance policies and annuity contracts specified in subsection (2) of Section 2 of this Act because of***~~[due to]~~ the impairment or insolvency of the ***member*** insurer ***that issued the***~~[issuing such]~~ policies or contracts. To provide this protection:

(1) An association of insurers is created to ***pay***~~[enable the guaranty of payment of]~~ benefits and ***to continue***~~[of continuation of]~~ coverages ***as limited by this subtitle; and***

(2) Members of the association are subject to assessment to provide funds to carry out the purpose of this subtitle~~[; and~~

~~(3) The association is authorized to assist the commissioner, in the prescribed manner, in the detection and prevention of insurer impairments or insolvencies]~~.

Section 2. KRS 304.42-030 is amended to read as follows:

(1) This subtitle shall provide coverage for the policies and contracts specified in subsection (2) of this section:

(a) To persons who, regardless of where they reside (except for nonresident certificate holders under group policies or contracts), are the beneficiaries, assignees or payees of the persons covered under paragraph (b) of this subsection***.***~~[; and]~~

(b) To persons who are the owners of or certificate holders under such policies or contracts, ***other than structured settlement annuities,***~~[and]~~ who:

1. Are residents; or

2. Are not residents, but only under the following conditions:

a. The ***insurer***~~[insurers]~~ which issued ***the***~~[such]~~ policies or contracts ***is***~~[are]~~ domiciled in this state;

b. ***The states in which the persons reside have associations similar to the association created by this subtitle***~~[Such insurers never held a certificate of authority in the states in which such persons reside]~~; ***and***

c.~~[Such states have associations similar to the association created by this subtitle; and~~

~~d.]~~ ***The***~~[Such]~~ persons are not eligible for coverage by ***an association in any other state due to the fact that the insurer was not licensed in the state at the time specified in the state's guaranty association law***~~[such associations]~~.

(c) For structured settlement annuities covered in subsection (2) of this section, paragraphs (a) and (b) of this subsection shall not apply and this subtitle shall, except as provided in paragraphs (d) and (e) of this subsection, provide coverage to a person who is a payee under a structured settlement annuity, or beneficiary

of a payee if the payee is deceased, if the payee is a resident, regardless of where the contract owner resides. If the payee is not a resident, this subtitle shall provide coverage but only under both of the following conditions:

1. a. The contract owner of the structured settlement annuity is a resident; or

b. The contract owner of the structured settlement annuity is not a resident, but the insurer that issued the structured settlement annuity is domiciled in this state and the state in which the contract owner resides has an association similar to the association created by this subtitle; and

2. Neither the payee, the beneficiary, nor the contract owner is eligible for coverage by the association of the state in which the payee or contract owner resides.

(d) This subtitle shall not provide coverage to a person who is a payee or beneficiary of a contract owner resident of this state, if the payee or beneficiary is afforded any coverage by the association of another state.

(e) This subtitle is intended to provide coverage to a person who is a resident of this state and, in special circumstances, to a nonresident. In order to avoid duplicate coverage, if a person who would otherwise receive coverage in this subtitle is provided coverage under the laws of any other state, the person shall not be provided coverage under this subtitle. In determining the application of the provisions of this paragraph in situations where a person could be covered by the association of more than one (1) state, whether as an owner, payee, beneficiary, or assignee, this subtitle shall be construed in conjunction with other state laws to result in coverage by only one (1) association.

(2) (a) This subtitle shall provide coverage to the persons specified in subsection (1) of this section for direct, nongroup life, health, ***or*** annuity[~~, and supplemental~~] policies or contracts and ***supplemental contracts to any of these and*** for certificates issued under direct group policies and contracts.

b. On and after the date on which the association becomes obligated with respect to ***the***[~~such~~] policy or contract, exceeds the rate of interest determined by subtracting three (3) percentage points from Moody's corporate bond yield average as most recently available;

4. Any ***pursuant to the reinsurance policy or contract*** plan or program of an employer, association, or ***other person***[~~similar entity~~] to provide life, health, or annuity benefits to its employees***,***[~~, or~~] members***, or others*** to the extent that such plan or program is self-funded or uninsured including, but not limited to, benefits payable by an employer, association, or ***other person***[~~similar entity~~] under:

a. A multiple employer welfare arrangement as defined in 29 U.S.C. Section 1144;

b. A minimum premium group insurance plan;

c. A stop-loss group insurance plan; or

b. Claims based on side letters, riders, or other documents that were issued by the insurer without meeting applicable policy form filing or approval requirements;

c. Misrepresentations of or regarding policy benefits;

d. Extracontractual claims; or

e. A claim for penalties or consequential or incidental damages; and

10. A contractual agreement that establishes the member insurer's obligations to provide a book value accounting guaranty for defined contribution benefit plan participants by reference to a portfolio of assets that is owned by the benefit plan or its trustee which in each case is not an affiliate of the member insurer.

(c) The limitations set forth in this subsection are limitations on the benefits for which the association is obligated before taking into account either its subrogation and assignment rights or the extent to which those benefits could be provided out of the assets of the impaired or insolvent insurer attributable to covered policies. The costs of the association's obligations under this subtitle may be met by the use of assets attributable to covered policies or reimbursed to the association in accordance with its subrogation and assignment rights.

(4) In performing its obligations to provide coverage under Section 5 of this Act, the association shall not be required to guarantee, assume, reinsure or perform, or cause to be performed, assumed, reinsured or performed, the contractual obligations of the insolvent or impaired insurer under a covered policy or contract that do not materially affect the economic values or economic benefits of the covered policy or contract.

(3)[~~(5)~~] When proceeding under ***subsection***[~~subsections~~] (2)[~~(a)2. or (3)~~] of this section with respect to any policy or contract carrying guaranteed minimum interest rates, the association shall assure the payment or crediting of a rate of interest consistent with KRS 304.42-030(2)(b)3.

(4)[~~(6)~~] Nonpayment of premiums within thirty-one (31) days after the date required under the terms of any guaranteed, assumed, alternative, or reissued policy or contract for substitute coverage shall terminate the association's obligations under such policy or coverage under this subtitle with respect to such policy or coverage, except with respect to any claims incurred or any net cash surrender value which may be due in accordance with the provisions of this subtitle.

(5)[~~(7)~~] Premiums due for coverage after entry of an order of liquidation of an insolvent insurer shall belong to and be payable at the direction of the association, and the association shall be liable for unearned premiums due to policy or contract owners arising after the entry of such order.

(6)[~~(8)~~] The protection provided by this subtitle shall not apply where any guaranteed protection is provided to residents of this state by the laws of the domiciliary state or jurisdiction of the impaired or insolvent insurer other than this state.

(7)[~~(9)~~] In carrying out its duties under ***subsection***[~~subsections~~] (2)[~~ and (3)~~] of this section, the association may[~~, subject to approval by the court~~]:

(a) ***Subject to approval by a court in this state,*** impose permanent policy or contract liens in connection with any guarantee, assumption, or reinsurance agreement, if the association finds that the amounts which can be assessed under this subtitle are less than the amounts needed to assure full and prompt performance of the association's duties under this subtitle, or that the economic or financial conditions as they affect member insurers are sufficiently adverse to render the imposition of such permanent policy or contract liens to be in the public interest; and

(b) ***Subject to approval by a court in this state,*** impose temporary moratoriums or liens on payments of cash values and policy loans, or any other right to withdraw funds held in conjunction with policies or contracts, in addition to any contractual provisions for deferral of cash or policy loan value. ***In addition, in the event of a temporary moratorium or moratorium charge imposed by the receivership court on payment of cash values or policy loans, or on any other right to withdraw funds held in conjunction with policies or contracts, out of the assets of the impaired or insolvent insurer, the association may defer the payment of cash values, policy loans, or other rights by the association for the period of the moratorium or moratorium charge imposed by the receivership court, except for claims covered by the association to be paid in accordance with a hardship procedure established by the liquidator or rehabilitator and approved by the receivership court.***

(8) A deposit in this state, held under law or required by the commissioner for the benefit of creditors, including policy owners, not turned over to the domiciliary liquidator upon the entry of a final order of liquidation or order approving a rehabilitation plan of an insurer domiciled in this state or in a reciprocal state, shall be promptly paid to the association. The association:

(a) Shall be entitled to retain a portion of any amount so paid to it equal to the percentage determined by dividing the aggregate amount of policy owners' claims related to that insolvency for which the association has provided statutory benefits by the aggregate amount of all policy owners' claims in this state related to that insolvency; and

(b) Shall remit to the domiciliary receiver the amount so paid to the association and retained in accordance with paragraph (a) of this subsection. Any amount so paid to the association less the amount retained by it in accordance with paragraph (a) of this subsection shall be treated as a distribution of estate assets under KRS 304.33-440 or similar provision of the state of domicile of the impaired or insolvent insurer.

(9)[~~(10)~~] If the association fails to act within a reasonable period of time ***with respect to an insolvent insurer*** as provided in ***subsection***[~~subsections~~] (2)[~~(a)2., (3), and (4)~~] of this section, the commissioner shall have the powers and duties of the association under this subtitle with respect to ***the***[~~impaired or~~] insolvent insurers.

(10)[~~(11)~~] The association may render assistance and advice to the commissioner, upon his request, concerning rehabilitation, payment of claims, continuance of coverage, or the performance of other contractual obligations of any impaired or insolvent insurer.

(11)[~~(12)~~] The association shall have standing to appear ***or intervene*** before any court ***or agency*** in this state with jurisdiction over an impaired or insolvent insurer concerning which the association is or may become obligated under this subtitle ***or with jurisdiction over any person or property against whom the association may have rights through subrogation or otherwise***. Such standing shall extend to all matters germane to the powers and duties of the association, including, but not limited to, proposals for reinsuring, modifying, or guaranteeing the policies or contracts of the impaired or insolvent insurer and the determination of the policies or contracts and contractual obligations. The association shall also have the right to appear or intervene before a court ***or agency*** in another state with jurisdiction over an impaired or insolvent insurer for which the association is or may become obligated or with jurisdiction over ***any person or property***[~~a third party~~] against whom the association may have rights through subrogation ***or otherwise***[~~of the insurer's policyholders~~].

(12)[~~(13)~~] (a) Any person receiving benefits under this subtitle shall be deemed to have assigned the rights under, and any causes of action ***against any person for losses arising under, resulting from, or otherwise*** relating to, the covered policy or contract to the association to the extent the benefits received because of this subtitle, whether benefits are payments of or on account of contractual obligations, continuation of coverage, or provision of substitute or alternative coverages. The association may require an assignment to it of such rights and cause of action by any payee, policy or contract owner, beneficiary, insured, or annuitant as a condition precedent to the receipt of any right or benefits conferred by this subtitle upon such person.

(b) The subrogation rights of the association under this subsection shall have the same priority against the assets of the impaired or insolvent insurer as that possessed by the person entitled to receive benefits under this subtitle.

(c) In addition to paragraphs (a) and (b) of this subsection, the association shall have all common law rights of subrogation and any other equitable or legal remedy ***that***[~~which~~] would have been available to the impaired or insolvent insurer or ***owner, beneficiary, or payee***[~~holder~~] of a policy or contract with respect to such policy or contract***, including without limitation, in the case of a structured settlement annuity, any rights of the owner, beneficiary, or payee of the annuity, to the extent of benefits received under this subtitle against a person originally or by succession responsible for the losses arising from the personal injury relating to the annuity or payment therefor.***

(d) If the preceding provisions of this subsection are invalid or ineffective with respect to any person or claim for

any reason, the amount payable by the association with respect to the related covered obligations shall be reduced by the amount realized by any other person with respect to the person or claim that is attributable to the policies or portion thereof covered by the association.

(e) If the association has provided benefits with respect to a covered obligation and a person recovers amounts as to which the association has rights as described in the preceding paragraphs of this subsection, the person shall pay to the association the portion of the recovery attributable to the policies or portion thereof covered by the association.

(13)[~~(14)~~] ***In addition to the rights and powers elsewhere in this subtitle,*** the association may:

(a) Enter into such contracts as are necessary or proper to carry out the provisions and purposes of this subtitle;

(b) Sue or be sued, including taking any legal actions necessary or proper to recover any unpaid assessments under KRS 304.42-090 and to settle claims or potential claims against it;

(c) Borrow money to effect the purposes of this subtitle; any notes or other evidence of indebtedness of the association not in default shall be legal investments for domestic insurers and may be carried as admitted assets;

(d) Employ or retain such persons as are necessary ***or appropriate*** to handle the financial transactions of the association, and to perform such other functions as may become necessary or proper under this subtitle;

(e) Take such legal action as may be necessary ***or appropriate*** to avoid ***or recover*** payment of improper claims;[~~ and~~]

(f) Exercise, for the purposes of this subtitle and to the extent approved by the commissioner, the powers of a domestic life or health insurer, but in no case may the association issue insurance policies or annuity contracts other than those issued to perform its obligations under this subtitle***;***

(g) Organize itself as a corporation or in other legal form permitted by the laws of the state;

(h) Request information from a person seeking coverage from the association in order to aid the association in determining its obligations under this subtitle with respect to the person, and the person shall promptly comply with the request; and

(i) Take other necessary or appropriate action to discharge its duties and obligations under this subtitle or to exercise its powers under this subtitle.

(14)[~~(15)~~] The association may join an organization of one (1) or more other state associations of similar purposes, to further the purposes and administer the powers and duties of the association.

(15) (a) At any time within one (1) year after the date on which the association becomes responsible for the obligations of a member insurer, the association may elect to succeed to the rights and obligations of the member insurer that accrue on or after that date and that relate to contracts covered in whole or in part by the association, under any one (1) or more indemnity reinsurance agreements entered into by the member insurer as a ceding insurer and selected by the association. The association may not exercise any such election with respect to a reinsurance agreement if the receiver, rehabilitator, or liquidator of the member insurer has previously and expressly disaffirmed the reinsurance agreement. The election shall be effected by a notice to the receiver, rehabilitator, or liquidator and to the affected reinsurer. If the association makes an election, subparagraphs 1. to 4. of this paragraph shall apply with respect to the agreements selected by the association:

1. The association shall be responsible for all unpaid premiums due under the agreements for periods both before and after the date, and shall be responsible for the performance of all other obligations to be performed after the coverage date, in each case which relate to contracts covered, in whole or in part, by the association. The association may charge contracts covered in part by the association, through reasonable allocation methods, the costs for reinsurance in excess of the obligations of the association.

2. The association shall be entitled to any amounts payable by the reinsurer under the agreements with respect to losses or events that occur in periods after the coverage date and that relate to contracts covered by the association, in whole or in part. Upon receipt of any such amounts the association shall be obliged to pay to the beneficiary under the policy or contract on account of which the amounts were paid a portion of the amount equal to the excess of:

a. The amount received by the association, over

b. The benefits paid by the association on account of the policy or contract less the retention of the impaired or insolvent member insurer applicable to the loss or event.

3. Within thirty (30) days following the association's election, the association and each indemnity reinsurer shall calculate the net balance due to or from the association under each such reinsurance agreement as of the date of the association's election, which calculation shall give full credit to all

items paid by either the member insurer or its receiver, rehabilitator, or liquidator, or the indemnity reinsurer during the period between the coverage date and the date of the association's election. Either the association or indemnity reinsurer shall pay the net balance due the other within five (5) days of the completion of the calculation. If the receiver, rehabilitator, or liquidator has received any amounts due the association under subparagraph 2. of this paragraph, the receiver, rehabilitator, or liquidator shall remit those amounts to the association as promptly as practicable.

4. If the association, within sixty (60) days of the election, pays the premiums due for periods both before and after the coverage date that relate to contracts covered by the association in whole or in part, the insurer shall not be entitled to terminate the reinsurance agreements insofar as the agreements relate to contracts covered by the association in whole or in part and shall not be entitled to set off any unpaid premium due for periods prior to the coverage date against amounts due the association.

(b) If the association transfers its obligations to another insurer, and if the association and the other insurer agree, the other insurer shall succeed to the rights and obligations of the association under paragraph (a) of this subsection effective as of the date agreed upon by the association and the other insurer and regardless of whether the association has made the election referred to in paragraph (a) of this subsection if:

1. The indemnity reinsurance agreements automatically terminate for new reinsurance unless the indemnity reinsurer and the other insurer agree to the contrary;

2. The obligations described in subparagraph 2. of paragraph (a) of this subsection no longer apply on and after the date the indemnity reinsurance agreement is transferred to the third party insurer; and

3. The association has not previously expressly determined in writing that it will not exercise the election referred to in paragraph (a) of this subsection.

(c) The provisions of this subsection shall supersede the provisions of any law of this state or of any affected reinsurance agreements that provide for or require any payment of reinsurance proceeds, on account of losses or events that occur in periods after the coverage date, to the receiver, liquidator, or rehabilitator of the insolvent member insurer. The receiver, rehabilitator, or liquidator shall remain entitled to any amounts payable by the reinsurer under the reinsurance agreements with respect to losses or events that occur in periods prior to the coverage date, subject to applicable setoff provisions.

(d) Except as otherwise expressly provided in this subsection, nothing in this subsection shall alter or modify the terms and conditions of the indemnity reinsurance agreements of the insolvent member insurer. Nothing in this subsection shall abrogate or limit any rights of any reinsurer to claim that it is entitled to rescind a reinsurance agreement. Nothing in this subsection shall give a policy owner or beneficiary an independent cause of action against an indemnity reinsurer that is not otherwise set forth in the indemnity reinsurance agreement.

(16) The board of directors of the association shall have discretion and may exercise reasonable business judgment to determine the means by which the association is to provide the benefits of this subtitle in an economical and efficient manner.

(17) If the association has arranged or offered to provide the benefits of this subtitle to a covered person under a plan or arrangement that fulfills the association's obligations under this subtitle, the person shall not be entitled to benefits from the association in addition to or other than those provided under the plan or arrangement.

(18) Venue in a suit against the association under this subtitle shall be in Franklin County. The association shall not be required to give an appeal bond in an appeal that relates to a cause of action arising under this subtitle.

Section 6. KRS 304.42-090 is amended to read as follows:

(1) For the purpose of providing the funds necessary to carry out the powers and duties of the association, the board of directors shall assess the member insurers, separately for each account, at such time and for such amounts as the board finds necessary. Assessments shall be due not less than thirty (30) days after prior written notice to the member insurers and shall accrue interest at eight percent (8%) per annum on and after the due date.

(2) There shall be two (2) classes of assessments:

(a) Class A assessments shall be made for the purpose of meeting administrative and legal costs and other expenses[~~ and examinations conducted under the authority of KRS 304.42-120(5)~~]. Class A assessments may be ***authorized and called***[~~made~~] whether or not related to a particular impaired or insolvent insurer;

(b) Class B assessments shall be ***authorized and called***[~~made~~] to the extent necessary to carry out the powers and duties of the association under KRS 304.42-080 with regard to an impaired or insolvent insurer.

(3) (a) The amount of any Class A assessment shall be determined by the board and may be ***authorized and called***[~~made~~] on a pro rata or non-pro rata basis. If pro rata, the board may provide that it be credited against future Class B assessments. ***The total of all***[~~A~~] non-pro rata ***assessments***[~~assessment~~] shall not exceed one

hundred fifty dollars ($150) per member insurer in any one (1) calendar year. The amount of any Class B assessment shall be allocated for assessment purposes among the accounts pursuant to an allocation formula which may be based on the premiums or reserves of the impaired or insolvent insurer or any other standard deemed by the board in its sole discretion as being fair and reasonable under the circumstances.[~~;~~]

(b) Class B assessments against member insurers for each account shall be in the proportion that the premiums received on business in this state by each assessed member insurer on policies or contracts covered by each account for the three (3) most recent calendar years for which information is available preceding the year in which the insurer became ***insolvent, or in the case of assessment with respect to an impaired insurer, the three (3) most recent calendar years for which information is available preceding the year in which the insurer became*** impaired,[~~ or insolvent~~] bears to such premiums received on business in this state for such calendar years by all assessed member insurers.[~~; and~~]

(c) Assessments for funds to meet the requirements of the association with respect to an impaired or insolvent insurer shall not be made until necessary to implement the purposes of this subtitle. Classification of assessments under subsection (2) of this section and computation of assessments under this subsection shall be made with a reasonable degree of accuracy, recognizing that exact determinations may not always be possible. ***The association shall notify each member insurer of its anticipated pro rata share of an authorized assessment not yet called within one hundred eighty (180) days after the assessment is authorized.***

(4) The association may abate or defer, in whole or in part, the assessment of a member insurer if, in the opinion of the board, payment of the assessment would endanger the ability of the member insurer to fulfill its contractual obligations. In the event an assessment against a member insurer is abated, or deferred in whole or in part, the amount by which such assessment is abated or deferred may be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this section. ***Once the conditions that caused a deferral have been removed or rectified, the member shall pay all assessments that were deferred under a repayment plan approved by the association.***

(5) (a) ***Subject to the provisions of paragraph (b) of this subsection,*** the total of all assessments ***authorized by the association with respect to***[~~upon~~] a member insurer for each account shall not in any one (1) calendar year exceed two percent (2%) of ***the***[~~such~~] insurer's ***average annual premiums received in this state on the policies and contracts covered by the account during the three (3) calendar years preceding the year in which the insurer became an impaired or insolvent insurer***[~~premiums received in this state during the calendar year preceding the assessment on the policies covered by the account~~]. If the maximum assessment, together with the other assets of the association in ***any other***[~~either~~] account, does not provide in any one (1) year in ***any other***[~~either~~] account an amount sufficient to carry out the responsibilities of the association, the necessary additional funds shall be assessed as soon thereafter as permitted by this subtitle.

(b) ***If two (2) or more assessments are authorized in one (1) calendar year with respect to insurers that become impaired or insolvent in different calendar years, the average annual premiums for purposes of the aggregate assessment percentage limitation referenced in paragraph (a) of this subsection shall be equal and limited to the higher of the three (3) year average annual premiums for the applicable subaccount or account as calculated under this section.***

(c) The board may provide in the plan of operation a method of allocating funds among claims, whether relating to one (1) or more impaired or insolvent insurers, when the maximum assessment will be insufficient to cover anticipated claims.

(6) The board may, by an equitable method as established in the plan of operation, refund to member insurers, in proportion to the contribution of each insurer to that account, the amount by which the assets of the account exceed the amount the board finds is necessary to carry out during the coming year the obligations of the association with regard to that account, including assets accruing from ***assignment, subrogation,*** net realized gains and income from investments. A reasonable amount may be retained in any account to provide funds for the continuing expenses of the association and for future losses ***claims***[~~if refunds are impractical~~].

(7) It shall be proper for any member insurer, in determining its premium rates and policy owner dividends as to any kind of insurance within the scope of this subtitle, to consider the amount reasonably necessary to meet its assessment obligations under this subtitle.

(8) The association shall issue to each insurer paying an assessment under this subtitle, other than a Class A assessment, a certificate of contribution, in a form prescribed by the commissioner, for the amount of the assessment so paid. All outstanding certificates shall be of equal dignity and priority without reference to amounts or dates of issue. A certificate of contribution may be shown by the insurer in its financial statement as an asset in such form and for such amount, if any, and period of time as the commissioner may approve.

(9) (a) A member insurer that wishes to protest all or part of an assessment shall pay when due the full amount of the assessment as set forth in the notice provided by the association. The payment shall be available to meet

association obligations during the pendency of the protest or any subsequent appeal. Payment shall be accompanied by a statement in writing that the payment is made under protest and setting forth a brief statement of the grounds for the protest.

(b) Within sixty (60) days following the payment of an assessment under protest by a member insurer, the association shall notify the member insurer in writing of its determination with respect to the protest unless the association notifies the member insurer that additional time is required to resolve the issues raised by the protest.

(c) Within thirty (30) days after a final decision has been made, the association shall notify the protesting member insurer in writing of that final decision. Within sixty (60) days of receipt of notice of the final decision, the protesting member insurer may appeal the final action to the commissioner, in accordance with subsection (3) of Section 7 of this Act.

(d) In the alternative to rendering a final decision with respect to a protest based on a question regarding the assessment base, the association may refer protests to the commissioner for a final decision, with or without a recommendation from the association.

(e) If the protest or appeal on the assessment is upheld, the amount paid in error or excess shall be returned to the member company. Interest on a refund due a protesting member shall be paid at the rate actually earned by the association.

(10) The association may request information of member insurers in order to aid in the exercise of its power under this section and member insurers shall promptly comply with a request.

Section 7. KRS 304.42-110 is amended to read as follows:

In addition to the duties and powers enumerated elsewhere in this subtitle:

(1) The commissioner shall:

(a) Upon request of the board of directors, provide the association with a statement of the premiums in the appropriate states for each member insurer;

(b) When an impairment is declared and the amount of the impairment is determined, serve a demand upon the impaired insurer to make good the impairment within a reasonable time. Notice to the impaired insurer shall constitute notice to its shareholders, if any. The failure of the insurer to promptly comply with the demand shall not excuse the association from the performance of its powers and duties under this subtitle; and

(c) In any liquidation or rehabilitation proceeding involving a domestic insurer, be appointed as the liquidator or rehabilitator. If a foreign or alien member insurer is subject to a liquidation proceeding in its domiciliary jurisdiction or state of entry, the commissioner may be appointed conservator.

(2) The commissioner may suspend or revoke, after notice and hearing conducted in accordance with KRS Chapter 13B, the certificate of authority to transact insurance in this state of any member insurer which fails to pay an assessment when due or fails to comply with the plan of operation. As an alternative the commissioner may levy a forfeiture on any member insurer which fails to pay an assessment when due. A forfeiture shall not exceed five percent (5%) of the unpaid assessment per month, but no forfeiture shall be less than one hundred dollars ($100) per month.

(3) Any ***final*** action of the board of directors or the association may be appealed to the commissioner by any member insurer if the appeal is taken within ***sixty (60)***[~~thirty (30)~~] days of ***its receipt of notice of*** the action being appealed. Any final order of the commissioner shall be subject to judicial review as set forth in Subtitle 2 of this chapter and KRS Chapter 13B.

(4) The liquidator, rehabilitator, or conservator of any impaired insurer may notify all interested persons of the effect of this subtitle.

Section 8. KRS 304.42-120 is amended to read as follows:

To aid in the detection and prevention of insurer insolvencies or impairments:

(1) It shall be the duty of the commissioner:

(a) To notify the commissioners of all of the other states, territories of the United States and the District of Columbia when he takes any of the following actions against a member insurer:

1. Revocation of license;
2. Suspension of license;
3. Makes any formal order that such company restrict its premium writing, obtain additional contributions to surplus, withdraw from the state, reinsure all or any part of its business, or increase capital, surplus, or any other account for the security of ***policy owners***[~~policyholders~~] or creditors.

Such notice shall be mailed to all commissioners within thirty (30) days following the action taken or the date on which such action occurs;

(b) To report to the board of directors when he has taken any of the actions set forth in paragraph (a) of this subsection or has received a report from any other commissioner indicating that any such action has been taken in another state. Such report to the board of directors shall contain all significant details of the action taken or the report received from another commissioner;

(c) To report to the board of directors when he has reasonable cause to believe from any examination, whether completed or in process, of any member ***insurer***[~~company~~] that such ***insurer***[~~company~~] may be an impaired or insolvent insurer;

(d) To furnish to the board of directors the NAIC insurance regulatory information system information developed by the National Association of Insurance Commissioners, and the board may use the information contained therein in carrying out its duties and responsibilities under this section. Such report and the information contained therein shall be kept confidential by the board of directors until such time as made public by the commissioner or other lawful authority.

(2) The commissioner may seek the advice and recommendations of the board of directors concerning any matter affecting his duties and responsibilities regarding the financial condition of member companies and companies seeking admission to transact insurance business in this state.

(3) The board of directors may, upon majority vote, make reports and recommendations to the commissioner upon any matter germane to the solvency, liquidation, rehabilitation or conservation of any member insurer or germane to the solvency of any company seeking to do an insurance business in this state. Such reports and recommendations shall not be considered public documents.

(4) [~~It shall be the duty of~~]The board of directors ***may***, upon majority vote,[~~ to~~] notify the commissioner of any information indicating any member insurer may be an impaired or insolvent insurer.

(5)[~~ The board of directors may, upon majority vote, request that the commissioner order an examination of any member insurer which the board in good faith believes may be an impaired or insolvent insurer. Within thirty (30) days of the receipt of such request, the commissioner shall begin such examination. The examination may be conducted as a National Association of Insurance Commissioners' examination or may be conducted by such persons as the commissioner designates. The cost of such examination shall be paid by the association and the examination report shall be treated as are other examination reports. In no event shall such examination report be released to the board of directors prior to its release to the public, but this shall not preclude the commissioner from complying with subsection (1) of this section. The commissioner shall notify the board of directors when the examination is completed. The request for an examination shall be kept on file by the commissioner but it shall not be open to public inspection prior to the release of the examination report to the public.~~

~~(6)~~] The board of directors may, upon majority vote, make recommendations to the commissioner for the detection and prevention of insurer insolvencies.

[~~(7) The board of directors shall, at the conclusion of any insurer insolvency in which the association was obligated to pay covered claims, prepare a report to the commissioner containing such information as it may have in its possession bearing on the history and causes of such insolvency. The board shall cooperate with the boards of directors of guaranty associations in other states in preparing a report on the history and causes for insolvency of a particular insurer, and may adopt by reference any report prepared by such other associations.~~]

Section 9. KRS 304.42-140 is amended to read as follows:

(1) Nothing in this subtitle shall be construed to reduce the liability for unpaid assessments of the insureds on an impaired or insolvent insurer operating under a plan with assessment liability.

(2) Records shall be kept of all ***meetings of the board of directors***[~~negotiations and meetings in which the association or its representatives are involved~~] to discuss the activities of the association in carrying out its powers and duties under KRS 304.42-080. ***The records of the association with respect to an impaired or insolvent insurer shall not be disclosed prior to***[~~Records of such negotiations or meetings shall be made public only upon~~] the termination of a liquidation, rehabilitation, or conservation proceeding involving the impaired or insolvent insurer, ***prior to***[~~upon~~] the termination of the impairment or insolvency of the insurer, or ***prior to***[~~upon~~] the order of a court of competent jurisdiction. Nothing in this subsection shall limit the duty of the association to render a report of its activities under KRS 304.42-150.

(3) For the purpose of carrying out its obligations under this subtitle, the association shall be deemed to be a creditor of the impaired or insolvent insurer to the extent of assets attributable to covered policies reduced by any amounts to which the association is entitled as subrogee pursuant to subsection (8) of KRS 304.42-080. Assets of the impaired or insolvent insurer ***attributable to covered policies shall be used to continue all covered policies and pay all contractual obligations of the impaired or insolvent insurer*** as required by this subtitle. Assets attributable to covered policies, as used in this subsection, is that proportion of the assets which the reserves that should have been established for such policies bear to the reserves that should have been established for all policies of insurance written by the impaired or insolvent insurer.

(4) ***As a creditor of the impaired or insolvent insurer as established in subsection (3) of this section and consistent with KRS 304.33-440, the association and other similar associations shall be entitled to receive a disbursement of assets out of the marshaled assets, from time to time as the assets become available to reimburse it, as a credit against contractual obligations under this subtitle. If the liquidator has not, within one hundred twenty (120) days of a final determination of insolvency of an insurer by the receivership court, made an application to the court for the approval of a proposal to disburse assets out of marshaled assets to guaranty associations having obligations because of the insolvency, then the association shall be entitled to make application to the receivership court for approval of its own proposal to disburse these assets.***

(5) (a) Prior to the termination of any liquidation, rehabilitation, or conservation proceeding, the court may take into consideration the contributions of the respective parties, including the association, the shareholders and policyowners of the insolvent insurer, and any other party with a bona fide interest, in making an equitable distribution of the ownership rights of such insolvent insurer. In such a determination, consideration shall be given to the welfare of the ***policy owners***[~~policyholders~~] of the continuing or successor insurer;

(b) No distribution to stockholders, if any, of an impaired or insolvent insurer shall be made until and unless the total amount of valid claims of the association for funds expended in carrying out its powers and duties under KRS 304.42-080 with respect to such insurer have been fully recovered by the association.

(6)[~~(5)~~] (a) If an order for liquidation or rehabilitation of an insurer domiciled in this state has been entered, the receiver appointed under such order shall have a right to recover on behalf of the insurer, from any affiliate that controlled it, the amount of distributions, other than stock dividends paid by the insurer on its capital stock, made at any time during the five (5) years preceding the petition for liquidation or rehabilitation subject to the limitations of paragraphs (b) to (d) of this subsection;

(b) No such ***distribution***[~~dividend~~] shall be recoverable if the insurer shows that when paid the distribution was lawful and reasonable, and that the insurer did not know and could not reasonably have known that the distribution might adversely affect the ability of the insurer to fulfill its contractual obligations;

(c) Any person who was an affiliate that controlled the insurer at the time the distributions were paid shall be liable up to the amount of distributions he received. Any person who was an affiliate that controlled the insurer at the time the distributions were declared, shall be liable up to the amount of distributions ***which***[~~he~~] would have ***been*** received if they had been paid immediately. If two (2) persons are liable with respect to the same distributions, they shall be jointly and severally liable;

(d) The maximum amount recoverable under this subsection shall be the amount needed in excess of all other available assets of the insolvent insurer to pay the contractual obligations of the insolvent insurer;

(e) If any person liable under paragraph (c) of this subsection is insolvent, all its affiliates that controlled it at the time the dividend was paid shall be jointly and severally liable for any resulting deficiency in the amount recovered from the insolvent affiliate.

Section 10. KRS 304.42-150 is amended to read as follows:

The association shall be subject to examination and regulation by the commissioner. The board of directors shall submit to the commissioner, not later than May 1 of each year, a financial report for the preceding calendar year in a form approved by the commissioner and a report of its activities during the preceding calendar year. ***Upon the request of a member insurer, the association shall provide the member insurer with a copy of the report.***

Section 11. KRS 304.42-170 is amended to read as follows:

There shall be no liability on the part of and no cause of action of any nature shall arise against any member insurer or its agents or employees, the association or its agents or employees, members of the board of directors, or the commissioner or his representatives, for any action taken by them in the performance of their powers and duties under this subtitle. ***Immunity shall extend to the participation in any organization of one (1) or more other state associations of similar purposes and to any such organization and its agents or employees.***

HB 739, AN ACT relating to liens.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 14 IS CREATED TO READ AS FOLLOWS:

(1) It is the intent of the General Assembly that a statewide computerized lien information system be created to accumulate, index, and disseminate information relative to liens and related filings made with the Secretary of State according to Article 9 of KRS Chapter 355.

(2) The Kentucky Lien Information System is hereby created and established as a division within the Department of State.

(3) The Kentucky Lien Information System shall be operational beginning on January 4, 1999.

SECTION 2. A NEW SECTION OF ARTICLE 9 OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS:

(1) Notwithstanding a filing made to perfect a security interest in the place set forth in KRS 355.9-401, a secured party shall file a financing statement, or any amendment, assignment, continuation, release, or termination related thereto, in the Office of the Secretary of State. The financing statement, amendment, assignment, continuation, release, or termination filed under this section shall be on a form prescribed by the Secretary of State.

(2) The Secretary of State shall receive a fee of one dollar ($1) for the filing made under this section.

(3) The filing requirement of this section shall not apply when the collateral is timber to be cut or is minerals or the like, including oil and gas, other than coal, or accounts subject to subsection (5) of KRS 355.9-103, other than accounts arising out of the sale of coal, or when the financing statement is filed as a fixture filing under KRS 355.9-313 and the collateral is goods which are or are to become fixtures.

(4) The Secretary of State shall index all filings made under this section for inclusion in the Kentucky Lien Information System.

Section 3. KRS 355.9-105 is amended to read as follows:

(a) "Account debtor" means the person who is obligated on an account, chattel paper or general intangible;

(b) "Chattel paper" means a writing or writings which evidence both a monetary obligation and a security interest in or a lease of specific goods but a charter or other contract involving the use or hire of a vessel is not chattel paper. When a transaction is evidenced both by such a security agreement or a lease and by an instrument or a series of instruments, the group of writings taken together constitutes chattel paper;

(c) "Collateral" means the property subject to a security interest, and includes accounts and chattel paper which have been sold;

(d) "Debtor" means the person who owes payment or other performance of the obligation secured, whether or not he owns or has rights in the collateral, and includes the seller of accounts or chattel paper. Where the debtor and the owner of the collateral are not the same person, the term "debtor" means the owner of the collateral in any provision of the article dealing with the collateral, the obligor in any provision dealing with the obligation, and may include both where the context so requires;

(e) "Deposit account" means a demand, time, savings, passbook or like account maintained with a bank, savings and loan association, credit union or like organization, other than an account evidenced by a certificate of deposit;

(f) "Document" means document of title as defined in the general definitions of Article 1 (KRS 355.1-201) and a receipt of the kind described in subsection (2) of KRS 355.7-201;

(g) "Encumbrance" includes real estate mortgages and other liens on real estate and all other rights in real estate that are not ownership interests;

(h) "Goods" includes all things which are movable at the time the security interest attaches or which are fixtures (KRS 355.9-313), but does not include money, documents, instruments, investment property, accounts, chattel paper, general intangibles, or minerals or the like (including oil and gas) before extraction. "Goods" also includes standing timber which is to be cut and removed under a conveyance or contract for sale, the unborn young of animals, and growing crops;

(i) ***"Identification number" means a distinct alpha, numeric, or alphanumeric designation assigned to a person. The identification number for a person who is other than an individual shall be the Internal Revenue Service taxpayer identification number of the person. If the person is an individual, the identification number shall be the person's Social Security number or a number assigned in accordance with administrative regulations promulgated by the Secretary of State;***

(j) "Instrument" means a negotiable instrument (defined in KRS 355.3-104), or any other writing which evidences a right to the payment of money and is not itself a security agreement or lease and is of a type which is in ordinary course of business transferred by delivery with any necessary indorsement or assignment. The term does not include investment property;

(k)[~~(j)~~] "Mortgage" means a consensual interest created by a real estate mortgage, a trust deed on real estate, or the like;

(l)[~~(k)~~] An advance is made "pursuant to commitment" if the secured party has bound himself to make it, whether or not a subsequent event of default or other event not within his control has relieved or may relieve him from his obligation;

(m)[~~(l)~~] "Security agreement" means an agreement which creates or provides for a security interest;

(n)[~~(m)~~] "Secured party" means a lender, seller or other person in whose favor there is a security interest, including a person to whom accounts or chattel paper have been sold. When the holders of obligations issued under an indenture of trust, equipment trust agreement or the like are represented by a trustee or other person, the representative is the secured party;

(o) "System" means the Kentucky Lien Information System created in Section 1 of this Act.

(4) In addition Article 1 contains general definitions and principles of construction and interpretation applicable throughout this article.

Section 4. KRS 355.9-402 is amended to read as follows:

(1) A financing statement is sufficient if it gives the names of the debtor and the secured party, is signed by the debtor, gives an address of the secured party from which information concerning the security interest may be obtained, gives a mailing address ***and identification number*** of the debtor, and contains a statement indicating the types, or describing the items, of collateral. A financing statement may be filed before a security agreement is made or a security interest otherwise

attaches. When the financing statement covers crops growing or to be grown, the statement must also contain a description of the real estate concerned and must describe the production season. If the production season is not described, the financing statement shall be deemed to describe the crops produced in the production season which ends within twelve (12) months after the filing date of the financing statement. A financing statement shall not describe more than one (1) production season. When the financing statement covers timber to be cut or covers minerals or the like (including oil and gas), other than coal, or accounts subject to subsection (5) of KRS 355.9-103, other than accounts arising out of the sale of coal, or when the financing statement is filed as a fixture filing (KRS 355.9-313) and the collateral is goods which are or are to become fixtures, the statement must also comply with subsection (5). A copy of the security agreement is sufficient as a financing statement if it contains the above information and is signed by the debtor. A carbon, photographic or other reproduction of a security agreement or a financing statement is sufficient as a financing statement if the security agreement so provides or if the original has been filed in this state or in any other state.

(2) A financing statement which otherwise complies with subsection (1) of this section is sufficient when it is signed by the secured party instead of the debtor if it is filed to perfect a security interest in:

(a) Collateral already subject to a security interest in another jurisdiction when it is brought into this state, or when the debtor's location is changed to this state. Such a financing statement must state that the collateral was brought into this state, or that the debtor's location was changed to this state under such circumstances; or

(b) Proceeds under KRS 355.9-306 if the security interest in the original collateral was perfected. Such a financing statement must describe the original collateral; or

(c) Collateral as to which the filing has lapsed; or

(d) Collateral acquired after a change of name, identity or corporate structure of the debtor (subsection (7) of this section).

(3) A form substantially as follows is sufficient to comply with subsection (1) of this section:

Name of debtor (or assignor) ....

Address ....

Name of secured party (or assignee) ....

Address ....

(a) This financing statement covers the following types (or items) of property:

(Describe) ....

(b) (If collateral is crops) The above described crops are growing or are to be grown on:

(Describe real estate) ....

(c) (If applicable) The above goods are to become fixtures on (or) The above timber is standing on (or) The above minerals or the like (including oil and gas) or accounts will be financed at the wellhead or minehead of the well or mine located on:

(Describe real estate) ....

and this financing statement is to be filed in the same office as the real estate records. (If the debtor does not have an interest of record) The name of a record owner is ....

(d) (If products of collateral are claimed) Products of the collateral are also covered.

Signature of debtor (or assignor) ....

Signature of secured party (or assignee) ....

(4) A financing statement may be amended by filing a writing signed by both the debtor and the secured party. An amendment does not extend the period of effectiveness of a financing statement. If any amendment adds collateral, it is effective as to the added collateral only from the filing date of the amendment. In this article, unless the context otherwise requires, the term "financing statement" means the original financing statement and any amendments.

(5) A financing statement covering timber to be cut or covering minerals or the like (including oil and gas), other than coal, or accounts subject to subsection (5) of KRS 355.9-103, other than accounts arising out of the sale of coal, or a financing statement filed as a fixture filing (KRS 355.9-313), must show that it covers this type of collateral, must recite that it is to be filed in the same office as the real estate records, and the financing statement must contain a description of the real estate. If the debtor does not have an interest of record in the real estate, the financing statement must show the name of a record owner.

(6) A mortgage is effective as a financing statement filed as a fixture filing from the date of its recording if:

(a) The goods are described in the mortgage by item or type;

(b) The goods are or are to become fixtures related to the real estate described in the mortgage;

(c) The mortgage complies with the requirements for a financing statement in this section other than a recital that it is to be filed in the real estate records; and

(d) The mortgage is duly recorded.

No fee with reference to the financing statement is required other than the regular recording and satisfaction fees with respect to the mortgage.

(7) A financing statement sufficiently shows the name of the debtor if it gives the individual, partnership or corporate name of the debtor, whether or not it adds other trade names or the names of partners. Where the debtor so changes his name or in the case of an organization its name, identity or corporate structure that a filed financing statement becomes seriously misleading, the filing is not effective to perfect a security interest in collateral acquired by the debtor more than four (4) months after the debtor notifies the secured party in writing of the change, unless a new appropriate financing statement is filed before the expiration of that time. A filed financing statement remains effective with respect to collateral transferred by the debtor even though the secured party knows of or consents to the transfer.

(8) A financing statement substantially complying with the requirements of this section is effective even though it contains minor errors which are not seriously misleading.

Section 5. KRS 355.9-403 is amended to read as follows:

(1) Presentation for filing of a financing statement and tender of the filing fee or acceptance of the statement by the filing officer constitutes filing under this article.

(2) Except as provided in subsection (6) of this section a filed financing statement is effective for a period of five (5) years from the date of filing. The effectiveness of a filed financing statement lapses on the expiration of the five (5) year period unless a continuation statement is filed prior to the lapse. If a security interest perfected by filing exists at the time insolvency proceedings are commenced by or against the debtor, the security interest remains perfected until termination of the insolvency proceedings and thereafter for a period of sixty (60) days or until expiration of the five (5) year period, whichever occurs later. Upon lapse the security interest becomes unperfected, unless it is perfected without filing. If the security interest becomes unperfected upon lapse, it is deemed to have been unperfected as against a person who became a purchaser or lien creditor before lapse.

(3) A continuation statement may be filed by the secured party within six (6) months prior to the expiration of the five (5) year period specified in subsection (2) of this section. Any such continuation statement must be signed by the secured party, identify the original statement by file number and date filed***, contain the identification number of the debtor,*** and state that the original statement is still effective. A continuation statement signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with subsection (2) of KRS 355.9-405, including payment of the required fee. Upon timely filing of the continuation statement, the effectiveness of the original statement is continued for five (5) years after the last date to which the filing was effective whereupon it lapses in the same manner as provided in subsection (2) of this section unless another continuation statement is filed prior to such lapse. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the original statement. Unless a statute on disposition of public records provides otherwise, the filing officer may remove a lapsed statement from the files and destroy it immediately if he has retained a microfilm or other photographic record, or in other cases after one (1) year after the lapse. The filing officer shall so arrange matters by physical annexation of financing statements to continuation statements or other relating filings, or by other means, that if he physically destroys the financing statements of a period more than five (5) years past, those which have been continued by a continuation statement or which are still effective under subsection (6) of this section shall be retained.

(4) Except as provided in subsection (7) of this section a filing officer shall mark each statement with a file number and with the date and hour of filing and shall hold the statement or a microfilm or other photographic copy thereof for public inspection. In addition the filing officer shall index the statements according to the name of the debtor and shall note in the index the file number and the address of the debtor given in the statement.

(5) The uniform fee for filing and indexing an original or a continuation statement shall be as provided for in KRS 64.012. This fee includes the fee for filing and indexing a termination statement and for sending or delivering the terminated instrument and financing statement.

(6) A real estate mortgage which is effective as a fixture filing under subsection (6) of KRS 355.9-402 remains effective as a fixture filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates as to the real estate.

(7) When a financing statement covers timber to be cut or covers minerals or the like (including oil and gas), other than coal, or accounts subject to subsection (5) of KRS 355.9-103, other than accounts arising out of the sale of coal, or is filed as a fixture filing, the filing officer shall index it under the names of the debtor and any owner of record shown on the financing statement in the same fashion as if they were the mortgagors in a mortgage of the real estate described, and, to the extent that the law of this state provides for indexing of mortgages under the name of the mortgagee, under the name of the secured party as if he were the mortgagee thereunder, or where indexing is by description in the same fashion as if the financing statement were a mortgage of the real estate described.

Section 6. KRS 355.9-404 is amended to read as follows:

(1) Whenever there is no outstanding secured obligation and no commitment to make advances, incur obligations or otherwise give value, the secured party must on written demand by the debtor send the debtor, for each filing officer with whom the financing statement was filed, a termination statement ***that states***~~[to the effect]~~ that he no longer claims a security interest under the financing statement, ***contains the identification number of the debtor,*** and ***identifies***~~[identify]~~ the original statement by file number and date filed. A termination statement signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with subsection (2) of KRS 355.9-405, including payment of the required fee. The uniform fee for filing and indexing such an assignment or statement thereof shall be three dollars ($3). If the affected secured party fails to file such termination statement as required by this subsection, or to send such a termination statement within ten (10) days after proper demand therefor he shall be liable to the debtor for one hundred dollars ($100), and in addition for any loss caused to the debtor by such failure.

(2) In the absence of a demand by the debtor for a statement of termination, and within fifteen (15) days after a secured transaction evidenced by record in the county clerk's or Secretary of State's office has terminated, the secured party must file with each filing officer with whom the financing statement was filed a termination statement to the effect that he no longer claims a security interest under the financing statement or other instrument, which shall be identified by file number and date filed. If the actual secured party willfully fails to send such a termination statement within fifteen (15) days after he no longer claims a security interest, he shall be liable to the debtor for twenty-five dollars ($25), and in addition for any loss caused to the debtor by such failure.

(3) On presentation to the filing officer of such a termination statement he must note it in the index. If he has received the termination statement in duplicate, he shall return one (1) copy of the termination statement to the secured party stamped to show the time of receipt thereof. Whenever a statement required under this chapter need be sent to a party to the transaction by the filing officer, it shall be sufficient for the filing officer to send the statement to the party entitled to receive it, at his last known address. If the filing officer has a microfilm or other photographic record of the financing statement, and of any related continuation statement, statement of assignment and statement of release, he may remove the originals from the files at any time after receipt of the termination statement, or if he has no such record, he may remove them from the files at any time after one (1) year after receipt of the termination statement.

(4) The uniform fee for filing and indexing a termination statement for any financing statement filed prior to July 1, 1966, for which a termination fee was not paid when the financing statement was filed and for sending or delivering the terminated instrument and for sending or delivering the financing statement shall be three dollars ($3).

Section 7. KRS 355.9-405 is amended to read as follows:

(1) A financing statement may disclose an assignment of a security interest in the collateral described in the financing statement by indication in the financing statement of the name and address of the assignee or by an assignment itself or a copy thereof on the face or back of the statement. On presentation to the filing officer of such a financing statement the filing officer shall mark the same as provided in KRS 355.9-403(4). The uniform fee for filing and indexing a financing statement so indicating an assignment shall be as provided in KRS 64.012.

(2) A secured party may assign of record all or a part of his rights under a financing statement by the filing in the place where the original financing statement was filed of a separate written statement of assignment signed by the secured party of record and setting forth the name of the secured party of record and the debtor, ***the identification number of the debtor,*** the file number and the date of filing of the financing statement and the name and address of the assignee and containing a description of the collateral assigned. A copy of the assignment is sufficient as a separate statement if it complies with the preceding sentence. On presentation to the filing officer of such a separate statement, the filing officer shall mark such separate statement with the date and hour of filing. He shall note the assignment on the index of the financing statement, or in the case of a fixture filing, or a filing covering timber to be cut, or covering minerals or the like (including oil and gas), other than coal, or accounts subject to subsection (5) of KRS 355.9-103, other than accounts arising out of the sale of coal, he shall index the assignment under the name of the assignor as grantor and, to the extent that the law of this state provides for indexing the assignment of a mortgage under the name of the assignee, he shall index the assignment of the financing statement under the name of the assignee. The uniform fee for filing and indexing such a separate statement of assignment shall be as provided in KRS 64.012. Notwithstanding the provisions of this subsection, an assignment of record of a security interest in a fixture contained in a mortgage effective as a fixture filing (subsection (6) of KRS 355.9-402) may be made only by an assignment of the mortgage in the manner provided by the law of this state other than this chapter.

(3) After the disclosure or filing of an assignment under this section, the assignee is the secured party of record.

Section 8. KRS 355.9-406 is amended to read as follows:

A secured party of record may by his signed statement release all or a part of any collateral described in a filed financing statement. The statement of release is sufficient if it contains a description of the collateral being released, the name and address of the debtor, ***the identification number of the debtor,*** the name and address of the secured party, and the file number of the financing statement. A statement of release signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with subsection (2) of KRS 355.9-405, including payment of the required fee. Upon presentation of such a statement of release to the filing officer he shall mark the statement with the hour and date of filing and shall note the same upon the margin of the index of the filing of the financing statement. The uniform fee for filing and noting such a statement of release shall be as provided for in KRS 64.012.

d. If the lease is not a consumer lease, the lessor, before the lessee signs the lease contract, informs the lessee in writing (a) of the identity of the person supplying the goods to the lessor, unless the lessee has selected that person and directed the lessor to acquire the goods or the right to possession and use of the goods from that person, (b) that the lessee is entitled under this article to the promises and warranties, including those of any third party, provided to the lessor by the person supplying the goods in connection with or as part of the contract by which the lessor acquired the goods or the right to possession and use of the goods, and (c) that the lessee may communicate with the person supplying the goods to the lessor and receive an accurate and complete statement of those promises and warranties, including any disclaimers and limitations of them or of remedies.
